We received your Freedom of Information Act (FOIA) request dated 23 February 2014. Your request was assigned USNORTHCOM FOIA case number FY14-24FEB2014-51. In your request letter you asked for the following: Listing of the series of Historical Reference Papers. For example, Historical Reference Paper No. 7, ECCM in NORAD.

After performing a search of our systems of records we found one responsive document. Although the records you are seeking are NORAD records and NORAD as a bi-national organization is not subject to FOIA, NORAD previously declassified all or portions of the documents and provided them to USNORTHCOM to post in the USNORTHCOM FOIA Reading Room. The documents are now posted in NORAD's Public Affairs website. Attached is the listing of historical papers.

A handwritten signature in cursive script, appearing to read "Kristina L. Roth".
