Case No: 2012-0309 SD/WW

August 7, 2014

This letter is in response to your December 10, 2011, Freedom of Information Act (FOIA) request for records provided to the Honorable Chairman Darrell Issa from 2005 to 2011. I apologize for the delay in processing your request. On August 6, 2014, you spoke with Ms. Wakema Williams from my staff and agreed to receive the responsive documents from a request submitted by Scott Greenberg of the Wall Street Journal, which was similar to your request, in order to expedite our response.

The HHS FOI/PA Division conducted a search and located 473 pages of responsive records, which are enclosed in Excel Spreadsheet format. I have determined to withhold portions of the released records under exemption (b)(6), consisting of names of private individuals.

The FOIA exemption (b)(6) permits the withholding of information which, if released, would constitute a clearly unwarranted invasion of personal privacy.

There will be no charges in this instance because the billable costs are less than our threshold of \$25.

If you believe that the information withheld should not be exempt from disclosure, you may appeal. Your appeal must be mailed within 30 days from the date of receipt of this letter, to the Director, News Division, U.S. Department of Health and Human Services, Mary E. Switzer Building, 330 C Street, S.W., Room 2206, Washington, DC 20201. Clearly mark both the envelope and your letter "Freedom of Information Act Appeal."

Sincerely yours,

A handwritten signature in black ink, appearing to read "M. S. Marquis".

Director
FOI/Privacy Acts Division
