Re: Freedom of Information Act Request HQ-2015-00511-F

This is the Office of Inspector General (OIG) response to your request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. You requested “a copy of the list or printout or database listing of IG investigations closed during calendar year 2014.”

The OIG has completed its search of its files and identified one (1) document responsive to your request. A review of the responsive document and a determination concerning its release has been made pursuant to the FOIA. Based on this review, the OIG determined that certain material has been withheld from the responsive document pursuant to subsections (b)(6) and (b)(7)(C) of the FOIA (referred to as Exemptions 6 and 7(C), respectively). Specifically, the OIG review determined:

- Document 1 is being released to you with certain material withheld pursuant to Exemptions 6 and 7(C).

Exemption 6 protects from disclosure “personnel and medical and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. . . .” Exemption 7(C) provides that “records or information compiled for law enforcement purposes” may be withheld from disclosure, but only to the extent the production of such documents “could reasonably be expected to constitute an unwarranted invasion of personal privacy. . . .”

Names and information that would tend to disclose the identity of certain individuals have been withheld pursuant to Exemptions 6 and 7(C). Individuals involved in the OIG enforcement matters, which in this case include subjects, witnesses, sources of information, and other individuals, are entitled to privacy protections so that they will be free from harassment, intimidation and other personal intrusions.

To the extent permitted by law, the DOE, in accordance with Title 10, Code of Federal Regulations (CFR) § 1004.1, will make available records it is authorized to withhold pursuant to the FOIA unless it determines such disclosure is not in the public interest.

In invoking Exemptions 6 and 7(C), we have determined that it is not in the public interest to

release the withheld material. In this request, we have determined that the public interest in the identity of individuals, whose names appear in these files, does not outweigh such individuals' privacy interests. Those interests include being free from intrusions into their professional and private lives.

As required, all releasable information has been segregated from the material that is withheld and is provided to you. See 10 C.F.R. § 1004.7(b)(3).

This decision may be appealed within 30 calendar days from your receipt of this letter. Pursuant to 10 C.F.R. § 1004.8, appeals should be addressed to the Director, Office of Hearings and Appeals, HG-1/L'Enfant Plaza Building, U.S. Department of Energy, 1000 Independence Avenue, SW, Washington, DC 20585-1615.

Thereafter, judicial review will be available to you in the Federal district court either (1) in the district where you reside, (2) where you have your principal place of business, (3) where the DOE records are situated, or (4) in the District of Columbia.

Sincerely,

A handwritten signature in black ink, appearing to read "John R. Hartman". The signature is fluid and cursive, with a long horizontal stroke at the end.

John R. Hartman
Acting Assistant Inspector General
for Investigations
Office of Inspector General

Enclosures
