Cc: "Dickerson, Tracie S."

This is in response to your request for a copy of the strategic plan for introduction of the 7000-series railcars including the anticipated schedule for introduction of the cars, and a copy of the plan for disposition and recycling of the 1000-series railcars. Your request was processed pursuant to the Public Access to Records Policy (PARP), which can be viewed on our website at

[http://www.wmata.com/about\\_metro/public\\_rr.cfm](http://www.wmata.com/about_metro/public_rr.cfm), under the section marked, "Legal Affairs"

Attached is a document entitled, "RC7000: WMATA 7000 Series Railcars." Pursuant to PARP Exemption 6.1.5 (deliberative process privilege), we have withheld the plans for disposition and recycling of the 1000-series railcars because the plan is still under development and is not final.

If you wish to appeal WMATA's decision, in accordance with PARP 9.1, you may file a written appeal of the action with the Chief of Staff within 30 business days of the date of this decision letter. Further details about our appeals process can be found on our website.

Future correspondence regarding your request should reference the PARP request number noted above. If you have any legal questions please contact Tracie Dickerson, Assistant General Counsel. You may also contact me if you require clarification on any administrative matters.

Sincerely,
