Re: Request for OIG Investigations Information (NARA OIG FOIA 15-05)

This letter is in response to your letter, received December 30, 2014 requesting the “list or printout or database listing of IG investigations closed during calendar year 2014.” While the OIG does not regularly keep or produce such a record, I was able to generate one and interpreted this as a FOIA request for information about investigations in any sort of closed status. The list generated is attached. Please note the “Descriptive Title” field was created for this request, and relates solely to what the initial allegations were. It is not a statement of fact about anything which was substantiated or unsubstantiated.

In accordance with Department of Justice guidance, I would also like to notify you that FOIA excludes certain records from the requirements of the FOIA and this response addresses only those records that are subject to the FOIA.

If you have any questions, you may contact me at 301-837-1966 or john.simms@nara.gov. Thank you for contacting the NARA OIG.

Sincerely,

//signed//

John Simms
Counsel to the Inspector General
Office of Inspector General
National Archives and Records Administration
