RE: FOIA Request No.: F-00240-14
Final response

The United States Agency for International Development (USAID) regrets the delay in responding to your Freedom of Information Act (FOIA) and Privacy Act (PA) request. Unfortunately, USAID is experiencing a backlog of FOIA requests. Please know that USAID management is very committed to providing responses to FOIA requests and remedying the FOIA backlog.

This letter is our final response to your FOIA request dated May 25, 2014, received by this office on June 6, 2014. You requested records from the USAID Office of Inspector General (OIG). Specifically, you requested a list of investigations closed during calendar year 2013 to include the case number, the case title/subject or description, the closing and opening dates and any other reasonable fields.

For your information, Congress excluded three (3) discrete categories of law enforcement and national security records from the FOIA. See FOIA, 5 U.S.C. § 552(c) (2006 & Supp. IV (2010)). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all of our requesters and should not be construed as an indication that excluded records do, or do not exist.

USAID conducted a comprehensive search of the Office of the Inspector General (OIG) for documents responsive to your request. The search produced a total of 16 pages. Of those pages, we have determined that all 16 pages of the records are partially releasable pursuant to Title 5 U.S.C. § 552 (b)(6), (b)(7)(C), and (b)(7)(E).

FOIA Exemption 6 exempts from disclosure information about individuals in personnel or medical files and similar files the release of which would cause a clearly unwarranted invasion of personal privacy. This requires a balancing of the public's right to disclosure against the individual's

right to privacy. The privacy interests of the individuals in the records you have requested outweigh any minimal public interest in disclosure of the information. Any private interest you may have in that information does not factor into the aforementioned balancing test. Within the records we withheld the names of individuals and case numbers involved in the investigations.

FOIA Exemption 7(C), 5 U.S.C. § 552, protects records or information compiled for law enforcement purposes that could reasonably be expected to constitute an unwarranted invasion of personal privacy. This exemption takes particular note of the strong interests of individuals, whether they are suspects, witnesses, or investigators, in not being unwarrantably associated with alleged [wrongdoing/criminal activity]. That interest extends to persons who are not only the subjects of the investigation, but those who may have their privacy invaded by having their identities and information about them revealed in connection with an investigation. Based upon the traditional recognition of strong privacy interest in law enforcement records, categorical withholding of information that identifies third parties in law enforcement records is ordinarily appropriate. As such, we have determined that the privacy interest in the identities of individuals in the records you have requested clearly outweigh any minimal public interest in disclosure of the information. Please note that any private interest you may have in that information does not factor into this determination.

FOIA Exemption 7(E) protects records compiled for law enforcement purposes, the release of which could disclose techniques and/or procedures for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law. We determined that disclosure of certain portions of the documents could reasonably be expected to risk circumvention of the law. Additionally, the techniques and procedures at issue are not well known to the public. Within the records, we withheld the unique OIG case numbers.

You have a right to appeal the above withholdings. Your appeal must be received in writing within 30 days from the closing date of this letter. In order for it to be considered an official appeal, please address and send if directly to:

Director, Office of Management Services
U.S. Agency for International Development
Room 2.12.010, Ronald Reagan Building
Washington, DC 20253

If you wish to fax your appeal, the fax number is (202) 216-3369. Both the letter and the appeal envelope must be plainly marked "FOIA Appeal." Please include your tracking number [F-00240-14] in your letter.

There is no charge for this FOIA request. If you need to contact our office again about this request, please refer to the tracking number cited above. You may contact Sylvia Lankford on (202) 712-0879 or at slankford@usaid.gov.

Thank you for your interest in USAID.

Sincerely,
