This is an updated final response to your enclosed September 7, 2015, Freedom of Information Act (FOIA) request for "a copy of the description or descriptions of the holdings of classified historical films maintained at the Defense Media Activity." We are sending this response and responsive documents to you in compliance with Section 508 Standards for Electronic and Information Technology of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794 (d)). Your request was received in this office on October 1, 2015, and assigned FOIA case number 16-F-0005. We ask that you use this number when referring to your request.

The Defense Media Activity (DMA), a component of the Office of the Secretary of Defense (OSD), conducted a search of their records and provided the document, totaling 102 pages, on the enclosed CD-ROM, determined to be responsive to your request. Mr. Ray B. Shepherd, Director, an Initial Denial Authority for DMA, has determined that information which has been redacted from the document is exempt from release pursuant to 5 U.S.C. § 552(b)(6), which pertains to information the release of which would constitute a clearly unwarranted invasion of the personal privacy of individuals; and 5 U.S.C. § 552 (b)(1), which pertains to information that is currently and properly classified in the interest of national security pursuant to Executive Order 13526, as amended, applying Section 1.4 (a) concerning the protection of military plans, weapons, systems, or operations, (c) concerning the protection of Intelligence activities (including covert action), intelligence sources or methods, or cryptology, (f) concerning the protection of United States Government programs for safeguarding nuclear materials or facilities, and (g) concerning the protection of records concerning vulnerabilities or capabilities of systems, installations, infrastructures, projects, plans, or protection services relating to the national security.

In this instance, fees for processing your request were below the threshold for requiring payment; however, fees may be assessed on future requests.

Your request is now closed in this office. If you are not satisfied with this action, you have the right to appeal to the appellate authority, Ms. Joo Chung, Director of Oversight and Compliance, Office of the Secretary of Defense, by writing directly to ODCMO Directorate for Oversight and Compliance, 4800 Mark Center Drive, ATTN: DPCLTD, FOIA Appeals, Mailbox# 24, Alexandria, VA 22350-1700. Your appeal must be postmarked within 60 calendar days of the date of this response. Alternatively, you may use the OSD FOIA request portal at <http://pal.whs.mil/palMain.aspx> or email your appeal to [OSD.FOIAPolicy@mail.mil](mailto:OSD.FOIAPolicy@mail.mil).
