This is in response to your FOIA request of July 25, 2015, as modified by my email to you and your responsive email of September 3, 2015, in which you seek a "...statistical breakdown of FMCS cases by year by Federal agency for a period of at least 3 years...". We advised that we could not provide the "by agency" information but could provide contact information from which you could perform your own statistical analysis, which you deemed acceptable. Accordingly, please find attached responsive spreadsheet data covering Federal sector cases for the years January 2013 - June 2016.

Sincerely,

Michael J. Bartlett  
Chief FOIA Officer
