This is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA--2017-000339), submitted on January 8, 2017, in which you requested "A copy of the list of the 471 historic properties managed by GSA, referenced on this page: <https://www.gsa.gov/portal/category/101398>."

Enclosed is our current list of GSA-controlled historic buildings, updated during September, 2016. Buildings in the list are categorized numerically by historic status as 1, 2 or 3. Buildings categorized as having a historic status of "1" are National Historic Landmarks. Buildings indicated as historic status category "2" are listed in the National Register of Historic Places. Buildings indicated as "3" have been determined eligible for the National Register of Historic Places.

This completes our action on this FOIA request. For additional information about GSA historic buildings, visit GSA's preservation program webpage at www.gsa.gov/historicpreservation or contact Ms. Caroline Alderson at 202- 501-9156 or by email at caroline.alderson@gsa.gov. You may also contact the GSA FOIA Public Liaison, Audrey Brooks, at (202) 205-5912 or by email at audrey.brooks@gsa.gov for any additional assistance and to discuss any aspect of your FOIA request.
