TOTAL CUBIC FEET: 171.431

TOTAL LINEAR FEET: 162.5625001

COMMENTS:This series consists of two completely different parts, which during final processing should be separated. The first 133 boxes consist of ONI "Information Reports," that is, raw intelligence gathered by naval attaches around the world during the year 1961. The records are arranged alphabetically by country. Boxes 134-159 consist of possibly four different groups of USAF records: Boxes 134-38--"Backup Intelligence from the USAF Intelligence Center," dated 1959-61; Boxes 139-44--technical project files, dated 1955-59; Boxes 145- 48--records from USSBS, dated 1944-45; Boxes 148-59--random USAF historical and intelligence files, dated 1958-62. Of the 159 boxes, 130 are in Stack 490, and the other 29 are in three locations in 631L4: 6/9/3-6/9/7 (#4,7,8,9,11,39,46,83,90,92,102, 107,113); 6/11/5-6/12/2 (#123,134, 135, 136,138,139,140, 141,142,143, 144,149,151,153); and 7/52/2-3 (#154,155). Container No. 160 is a tube of records at 490/14/30/7.
