U-6,772-09/DAN-1A (FOIA)

This responds to your Mandatory Declassification Review request dated December 29, 2007. Therein you requested the first page of the three oldest classified documents at DIA. A search of DIA's system of records located three documents responsive to the subject of your request.

DIA reviewed the three documents and determined that some portions must be withheld in accordance with 5 U.S.C. 552 (Freedom of Information Act), Exemption (b) (1) – Executive Order 12958, as amended, Section 1.4 (c) and Exemption (b) (3) – 10 U.S.C. 424. Exemption (b) (1) applies to material which is properly classified pursuant to an Executive Order in the interest of national defense or foreign policy. Exemption (b) (3) applies to information specifically exempted by a statute establishing particular criteria for withholding. All reasonably segregable portions of the documents are enclosed.

You have the right to an administrative appeal of these decisions which must be filed within 60 days from the post mark date of this correspondence. Your appeal may identify with specificity the documents or information to be considered for appeal and it may, but need not, provide a factual or legal basis for the appeal. Should you wish to exercise this right, you may do so by referring to case #MDR-0061-08 and addressing your appeal to:
