IN REPLY REFER TO:

SOL-2007-0052

OCT 03 2008

This letter is in response to your Freedom of Information Act ("FOIA") request dated July 29, 2007, filed with the Office of the Solicitor ("SOL"), which we received on August 02, 2007. Your FOIA request was assigned control number SOL-2007-0052. Please cite this number in any future correspondence you send to SOL regarding this request.

In your FOIA request, you sought an electronic copy of the "FOIA Case Logs...for the time period FY2005 and FY2006 and FY2007-to-date." SOL has examined its files carefully and is enclosing a copy of our FOIA log from January 1, 2006 until the present, nineteen pages. SOL has searched its files for the years prior, 2004 and 2005, and we are unable to locate any documents responsive to that portion of your request. Under 43 CFR 2.7(d), a bureau is not required to create or compile a record to respond to a FOIA request. The Act applies only to records in the SOL possession and control as of the date the SOL begins its search for responsive records.

If you consider this response to be a denial of your request, you may appeal this matter by writing to:

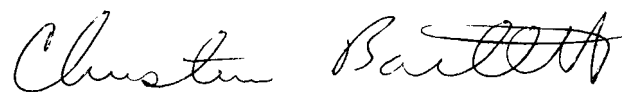

Department of the Interior
Office of the Solicitor
1849 C Street, N.W., MS: 6556 - MIB
Washington, DC 20240
Attn: FOIA Appeals Office

Your appeal must be received no later than 30 workdays after the date of the final response or 30 workdays after you receive any records that are released. A copy of your initial request and this letter must accompany the appeal, along with any information you have which leads you to believe the records do exist, including where they might be found, if the location is known to you. The appeal should be marked "FREEDOM OF INFORMATION APPEAL" on both the envelope and the face of the letter.

Since you are considered a "media use requester," the cost is broken down as follows: 1 hour search time, at no cost to you; less than 15 minutes of review time, at no cost to you; and the duplication of nineteen pages at \$0.13 per page, with the first 100 pages at no cost to you, is \$0. There is no chargeable fee for the processing of this FOIA request. Moreover, the SOL does not bill requesters for FOIA fees incurred when their fees do not exceed \$30.00, after the subtraction of their entitlements. (See 43 C.F.R. § 2.18(b)(2)).

This completes the SOL's response to your FOIA request. Should you have any questions, please contact Judy Herbert at (202) 208 -6503.

Sincerely,

A handwritten signature in cursive script, appearing to read "Christina M. Bartlett".
