Re: FOIA Control No.: 2009-076

On November 17, 2008, you filed a request under the Freedom of Information Act for "a copy of the FOIA case log for the time period September 1, 2008 to the present." As you have requested, enclosed is a log listing all requests received by the Commission pursuant to the Freedom of Information Act during the period from September 1, 2008 to the present.

We are required by both the Freedom of Information Act and the Commission's own rules to charge requesters certain fees associated with the costs of searching for, reviewing, and duplicating the sought after information. *See* 5 U.S.C. § 552(a)(4)(A), 47 C.F.R. § 0.470. To calculate the appropriate fee, requesters are classified as one of: (1) commercial use requesters; (2) educational requesters, non-commercial scientific organizations, or representatives of the news media; or (3) all other requesters. 47 C.F.R. § 0.470. Under 47 C.F.R. § 0.470(a)(3), you have been classified for fee purposes as category (3), that is, "all other requesters." As such, you will be charged search costs, except for the first two hours, and copying costs, except for the first 100 pages. Processing your request required less than two hours, and less than 100 pages are provided to you, and therefore no fees will be charged for processing your request.

Please do not hesitate to contact me with any questions regarding this response. I may be reached at shoko.hair@fcc.gov.

Sincerely,

A handwritten signature in black ink that reads "Shoko B. Hair".
