FOIA Case: 54038A
29 February 2008

This responds to your Freedom of Information Act (FOIA) request of 1 November 2007 for "a copy of the list of training films produced by Pilgrim Films" and "the synopses of the Operation Safeguard and Colorado Project films." Your request has been assigned Case Number 54038. For purposes of this request and based on the information you provided in your letter, you are considered an "all other" requester. As such, you are allowed 2 hours of search and the duplication of 100 pages at no cost. There are no assessable fees for this request.

Your request has been processed under the FOIA, and one document responsive to a portion of your request is enclosed. Certain information, however, has been deleted from the enclosure.

This Agency is authorized by statute to protect certain information concerning its activities, as well as the names of its employees. Such information is exempt from disclosure pursuant to the third exemption of the FOIA which provides for the withholding of information specifically protected from disclosure by statute. The specific statute applicable in this case is Section 6, Public Law 86-36 (50 U.S. Code 402 note). We have determined that such information exists in these records, and we have excised it accordingly.

With regard to the portion of your request for the synopses of the Operation Safeguard and Colorado Project films, a thorough search of our files was conducted, but no records responsive to this portion of your request were located.

The fact that deletions were made to the enclosed document responsive to part of your request and our inability to locate records responsive to the remaining portion of your request may be construed as a partial denial of your request. You are hereby advised of this Agency's appeal procedures. Any person denied access to information may file an appeal to the NSA/CSS Freedom of Information Act Appeal Authority. The appeal must be postmarked

no later than 60 calendar days from the date of the initial denial letter. The appeal shall be in writing addressed to the NSA/CSS FOIA Appeal Authority (DJP4), National Security Agency, 9800 Savage Road STE 6248, Fort George G. Meade, MD 20755-6248. The appeal shall reference the initial denial of access and shall contain, in sufficient detail and particularity, the grounds upon which the requester believes release of the information is required. The NSA/CSS Appeal Authority will endeavor to respond to the appeal within 20 working days after receipt, absent any unusual circumstances.

Sincerely,

A handwritten signature in black ink, appearing to read "Rhea D. Siers" with a large flourish at the end. Below the signature, the word "for" is written in a smaller, cursive script.

RHEA D. SIERS
Deputy Associate Director for Policy
