Re: PARP Request No. 10-0449

This is in response to your request for copies of "the list, printout, or database of all reports produced by WMATA's Inspector General" (OIG), dated November 4, 2010. Your request was processed pursuant to the Public Access to Records Policy (PARP), which can be viewed on our website at http://www.wmata.com/about_metro/public_rr.cfm, under the "Legal Affairs" link. On April 22, 2010, we provided the titles of OIG Reports of Investigations that were completed up to that time, in response to a previous PARP request from you, and we are not duplicating that production in this response. The OIG does not have any documents responsive to your request. However, we are providing alternative documents, namely parts of the cover pages of final Reports of Investigations.

There is no charge for the enclosed records because the first two hours of staff time and minor copying are free. Future correspondence regarding your request should be directed to my attention and should reference the PARP request number above. You may also contact me at 202-962-2058 or email me at kthom@wmata.com.

Sincerely,

Keysia A. Thom
PARP/Privacy Policy Administrator
