RE: FOIA Request No. 12-064

You submitted a Freedom of Information Act (FOIA) request on December 10, 2011. Specifically, you request, "1) an electronic copy of the records provided to the Honorable Chairman Darrell Issa, whose office had in January 2011 asked your agency for various data concerning the administration of the Freedom of Information Act. 2) a copy of any correspondence whatsoever sent to Chairman Issa's office on the subject of the January 2011 inquiry, and any correspondence sent during calendar year 2011 to Chairman Issa's office on the subject of FOIA."

We have found records responsive to both points. Attached please find a copy of the FOIA log covering FY 2006 – FY 2011 provided to the Honorable Chairman Darrell Issa in 2011 (1 spreadsheet). Attached please find a copy of correspondence sent to Chairman Issa's office in 2011 on the subject of FOIA (103 pages). Nothing has been withheld. We are providing the material at no cost to you.

I am pleased to submit the Peace Corps' Performance and Accountability Report for Fiscal Year 2011. This report summarizes the agency's achievements, measures its performance against pre-established objectives, and includes the financial results of our operations during the past fiscal year.

RE: FOIA Request 10-058

Dear Mr. Carollo:

This is in response to your Freedom of Information Act (FOIA) Request. Specifically, you request "access to and copies of all records (with the exception of computer records covered in a separate FOIA this day) related in any way to travel by the Director since Jan. 1, 2009." [The separate FOIA request was assigned tracking 10-057].

The FOIA requires requesters to "reasonably describe the records being sought." This means you must describe the actual document(s) you seek or provide sufficient details to permit a search with a reasonable effort utilizing existing indices or search tools. The law does not require an agency to create a record, collect information, conduct research, or analyze data. Broad, sweeping requests lacking specificity are not permissible. Accordingly, we are returning your request for refinement and no further action will be taken by our office. Once you have determined what records you are seeking, please resubmit your request.

If you have any questions, please feel free to contact me at (202) 692-1236 or via email at [foia@peacecorps.gov](mailto:foia@peacecorps.gov).

RE: FOIA Request 10-077

Dear Ms. Stouffer:

This is a status update on your Freedom of Information Act (FOIA) request dated March 13, 2010. Specifically, you request, "All files, records and other documents in your possessions that refer, reflect or relate to the death of Kate Puzey, and the investigation into her murder. This request includes, but is not limited to, all documents and pictures from those reports."

We are diligently working on your request and anticipate providing a respond to you by April 2011. If you agree to this extension, no reply is necessary. If we subsequently deny your request, you still have the right to file an administrative appeal. When there is a need to for an agency to seek additional time, the agency must allow the requester an opportunity to modify his or her request, or to arrange for an alternative timeframe for completion of the agency's processing.

You may wish to consider limiting the scope of your request so that we can process it more quickly. If you want to limit your request, please submit a reply to this notification. If you decide not modify your request, please note that we anticipate providing a response by April 2011.

Dear FOIA Officer:

This is a request under the Freedom of Information Act (5 U.S.C. 552). The information I seek is the packet of reading and educational materials that the Peace Corps prepares for its volunteers when they begin their training and service in Nicaragua.

I am a high school English teacher at Durham Academy who annually leads a trip to Nicaragua with students from my school. I just recently returned from the country where I met the local Peace Corps volunteer. The purpose of our trip is to learn about the people and culture of Nicaragua, both during our time in the mountains with small rural coffee farmers and in the city of San Ramon, where we have home-stays for three days. I will not be using this information for commercial interests, but rather to help educate my students about Nicaragua and the work of the Peace Corps.

I am willing to pay fees for this request up to a maximum of \$50.00. If you estimate that the fees will exceed this limit, please inform me first.

I also include a telephone number at which I can be contacted if necessary to discuss any aspect of my request.

Sincerely,

Jordan Adair

Dear Mr. Adair:

This is our final response to your Freedom of Information Act (FOIA) request. Specifically, you request "the packet of reading and educational materials that the Peace Corps prepares for its volunteers when they begin their training and service in Nicaragua."

In an interim response dated August 27, 2010, we provided you a copy of language materials handouts (24 pages). After careful review, we have determined that the Nicaraguan History Manual (276 pages) is exempt from disclosure pursuant to 5 U.S.C. § 552(b)(4), because it contains commercial and/or financial information obtained from a person(s) which is privileged or confidential.

You have the right to appeal the withholding of information. Should you wish to do so, please send your written appeal within 20 days of your receipt of this letter. The appeal should be sent to Earl W. Yates, Associate Director – Management, Peace Corps 1111 20<sup>th</sup> Street, NW, Washington, DC 20526. Both the appeal and envelope should be clearly marked "FREEDOM OF INFORMATION ACT APPEAL."

Mr. Dickinson,

We have completed the search for information. Some of the documents require redacting and final review. I'm in the process of redacting the documents. An administrative appeal is not a viable option in this case. When an agency does not respond within the statutory time period, you have the right to file a lawsuit. You can file a FOIA lawsuit in the U.S. District Court where you live, where you have your principal place of business or in the District of Columbia. Another option is the mediation services offered by the Office of Government Information Services. You can contact the office of Government Information Services at the address below or for more information go to:

July 18, 2010

Dear FOIA Office:

Under the Freedom of Information Act, 5 U.S.C. § 552, I am requesting copies of three related sets of records. Specifically, I am requesting copies of the resumes of all persons appointed to a Schedule C position from January 20, 2001 to July 2010.

I am requesting copies of the resumes of all persons employed for employment by the agency as non-career members of the Senior Executive Service employed from January 20, 2001 to July 2010.

Finally, I am requesting copies of the resumes of all persons employed as Senate-confirmed presidential appointments by agency from January 20, 2001 to July 2010.

Please delineate in the records which persons received jobs and which persons applied for but did not receive jobs.

If there are any fees for searching or copying the records, please let me know before you fill my request. Or, please supply the records without informing me of the cost if the fees do not exceed \$200, which I agree to pay. This request is for educational purposes.

If you deny all or any part of this request, please cite each specific exemption you think justifies your withholding of information. Notify me of appeal procedures available under the law.

If you have any questions about handling this request, you may telephone me at 615-322-6228 (office phone).

Re: FOIA Request No. 10-149

Dear Mr. Waterman:

This is in response to your Freedom of Information Act (FOIA) request. Specifically, you request, copies of the resumes of all persons appointed to a Schedule C position from January 20, 2001 to July 2010; copies of the resumes of all persons employed for employment by the agency as non-career members of the Senior Executive Service employed from January 20, 2001 to July 2010; copies of the resumes of all persons employed as Senate-confirmed presidential appointments by agency from January 20, 2001 to July 2010. You also request that we delineate in the records which persons received jobs and which persons applied for but did not receive jobs. Peace Corps does not classify any positions as Schedule C or Senior Executive Service. We are providing you with the resumes of employees who are in analogous positions.

The Peace Corps does not maintain information on candidates not selected for a position. Additionally, the identities of persons who apply but are not selected for federal government employment may be protected pursuant to FOIA Exemption 6, 5 U.S.C. § 552(b)(6), because the individuals' right to privacy outweighs the general public's interest in seeing personal information. The Peace Corps only maintains personnel records of current employees or separated employees for 90 days after service. We located 96 pages of responsive documents. After careful review, 38 pages were redacted pursuant to FOIA Exemption 6. Federal employees' home addresses, telephone numbers, social security numbers and other personal information are exempt from disclosure. Pursuant to Exemption 6, Federal civilian employees have a protectable privacy interest in purely personal details that do not shed light on agency functions. The 96 pages are enclosed herein.

You may appeal the denial of information within 20 calendar days from your receipt of this letter. The appeal should be sent to Earl Yates, Associated Director – Management, Peace Corps 1111 20<sup>th</sup> Street, NW - Washington, DC 20526. Both the appeal and envelope should be clearly marked "FREEDOM OF INFORMATION ACT APPEAL."

Pursuant to the federal Freedom of Information Act, 5 U.S.C. 552, I request access to and copies of all information for the past two years concerning:

- 1) All correspondence – including, but not limited to, emails and memos -- related in any way to services (paid or unpaid), counsel or advice provided by Google, its representatives, surrogates or subcontractors and/or discussions about the possibility to provide the same.
- 2) All FOIA requests related in any way to matters in Item No. 1 above.
- 3) All records of gifts, including (but not limited to) travel, provided by Google or its representatives, surrogates or subcontractors.
- 4) All records related to – not limited to – matters discussed in the attachment(s).

Please justify each deletion separately by reference to specific exemptions of the Act, and release all reasonably segregable portions of otherwise exempt material. I, of course, reserve the right to appeal any decisions.

I will only modify this request in writing -- not via telephone.

Include information contained in the material that otherwise would be considered non-responsive to the specific request. In other words, this request includes the entire documents containing this information, not just portions.

Notify me prior to incurring more than \$150 of expenses. The information is intended for publication that, as the fee waiver requires, is "likely to contribute significantly to public understanding of the operations or activities of the government." A number of projects about government operations written by me were published by numerous newspapers across the United States and in other countries. Those projects resulted in network news magazine shows on ABC, NBC, CBS and cable networks; Congressional hearings; federal legislation; policy changes; and numerous national awards, including three presented personally by U.S. Presidents Ford, Clinton and George W. Bush. I ask that you waive all fees.

This information is of timely value, so please communicate questions by telephone rather than by mail. I look forward to your reply within 20 business days, as the statute requires.

Thanks for your assistance

Yours very truly,

Dear FOIA officer,

This is an appeal under the Freedom of Information Act, 5 U.S.C. § 552.

It has been WELL over 20 business days since my request was received by your agency on August 3rd 2010. This period clearly exceeds the 20 days provided by the statute, thus I deem my request denied. A copy of my correspondence and the email form showing receipt by your office with be forwarded.

The information which I have requested is clearly releasable under FOIA and in my opinion, may not validly be protected by any of the Act's exemptions. I trust that upon re-consideration, you will reverse the decision denying me access to this material and grant my original request.

As I have made this request in the capacity of a (scholar/news service/interested member of public/etc) and this information is of timely value, I would appreciate your expediting the consideration of my appeal in every way possible.

Thank you for your assistance.

Dear Mr. Dickinson:

This is in response to your Freedom of Information Act (FOIA) request. Specifically, you request, "1) All Lawsuits against Peace Corps since 2000 please include summaries with information about the plaintiff and case proceedings. 2) All Lawsuits related to Peace Corps failure to comply with FOIA statutes since 2000."

Your request involves a "voluminous" amount of records which must be located, compiled, and reviewed. While the search for records began in August 2010, it has been determined that the search process could continue for several more weeks. Time will be needed to complete the review process of each document. When there is a need to search for, collect, and examine a voluminous amount of records the agency must allow the requester an opportunity to modify his or her request, or to arrange for an alternative timeframe for completion of the agency's processing.

If you decide not modify your request, please know that it is anticipated that it will take another eight weeks to process your request. If you have questions regarding this response, please feel free to contact me at (202) 692-1236 or [foia@peacecorps.gov](mailto:foia@peacecorps.gov).

This request is completely within the scope of what is releasable under FOIA . These documents and/or abstracts should be ready available in a table or summary format and that maybe provided prior to the delivery of the full request. Please describe this " alternative time frame for completion. "

*Please note - this request is based on recent Administration guidance on transparency - (we are seeking the assistance of OGIS to mediate\*)*

Good morning, under the provisions of the Freedom of Information Act, I hereby request an electronic copy of the following documents identified to your agency (including all sub-level component agency(s) and contracting office locations) and the Contractor Performance System ("CPS") (Reference: <http://cps.od.nih.gov>) :

1) All Final Contractor Performance Rating Reports (\**segregated*) for the most recently available 3 year period. Please note the following:

- a. We **SEEK** the final ratings contained in each report (See Example 1, below)
- b. We **do NOT** seek the report narrative or comments
- c. We **do NOT** seek any performance ratings on any classified awards (e.g. TSI, TS, ect.)
- d. Finally, we **SEEK** this data in electronic database format (as allowed in accordance with the EFOIA) with all data fields excluding only the narrative comments section. *For an example of what we have been receiving from other agencies (See Example 2, below)*
- e. For purposes of developing a complete agency FOIA administrative record for appeal and eventual litigation we ask that your agency provide thorough consideration to the fact that (1) State agencies release contractor performance reports; (2) federal agencies are releasing the data, as illustrated below, **WITHOUT** any negative consequences to the procurement process; (3) the CPS System Policy & Legal guidance noted on the web system is dated May 14, 1996, and inconsistent with OBAMA policy; (4) the CPS data we seek is part of a final agency decision; (5) President

Obama's initiative toward transparency dictates full disclosure of the data we seek;

- f. Also, we are currently surveying members of Congress for their position on the disclosure of contractor performance ratings, and will provide to you upon request.
- g. Copies of our request and supporting documentation are being forwarded to the Office of Secretary and General Counsel.

Please respond, or direct any questions to me by email ([jstachewicz@foia.com](mailto:jstachewicz@foia.com)). I agree to pay reasonable processing fees, however, please contact me for authorization if these fees exceed \$55.00. Thanks, Jeff Stachewicz, Counsel c/o FOIA Group, Inc., P.O. Box 368, Depew, New York, 14043 Tel: (716) 608-0800, ext 502, Fax: (716) 608-7608.

Subject: Need Assistance

Dear Ryan:

Good morning and hope you are well. I am writing to introduce to you a project I am working on, and to ask for your assistance. In 2012 Peace Corps will celebrate its fiftieth anniversary of continuous service in Cameroon, and I am doing a book on Peace Corps services and presence in Cameroon. As you know, a project such as this is dependent on the assistance of a variety of people. Peace Corps Cameroon does generate annual Project Status Reports (PSR), and Training Status Reports (TSR), and I'll like to be able to have access to those documents. I trust there are other documents available there which may be relevant to the study. Could you advice on how I can have access to the Reports, and other relevant documents you may deem relevant to the project. This information is solely for research purposes.

I am copying Bill Strassberger on this e-mail because twenty years ago he was very instrumental in helping me gain access to Peace Corps Annual Reports which were done on Cameroon. Those Reports were instrumental in doing my earlier book, The Peace Corps in Cameroon (The Kent State University Press, 1992). Thanks very much, and I look forward to hearing from you.

This is an update concerning your request for "Country director reports, Project Status Reports, Training status Reports, correspondence between Cameroon and Peace Corps Washington, and other relevant documents."

I'm waiting for an individual who is out of the office and will return on Monday, 1/10/11 to respond to an inquiry I have about the reports. This is concerning an internal matter that I'm required to do as part of the FOIA administrative process. As the delay has been mostly due to my failure to effectively monitor your requests, I believe this should be the last delay. I will contact you again on Monday.

If you haven't already, you might want to look at the information on [www.peacecorps.gov/open](http://www.peacecorps.gov/open). The latest statistical information concerning volunteers is located under Raw Data Sets. Additionally, the (1962 - 2011) are also available on the website. My apology that I am sending in several requests in rapid succession. I am also requesting through FOIA the following: correspondence between in-country Peace Corps director in Cameroon and Peace Corps administration in Washington D.C on issues dealing with volunteer performance, evaluation, early termination of service, and end of service/exit meetings. Given that this study is about the entire period the Peace Corps has been in Cameroon, I'm looking for the information for the period from 1962 to 2010.

I also need the evaluation of the Peace Corps in-country director by the administration in Washington D.C., and the job description of the in-country director. Thanks

Mr. Barr,

This is a status update on your Freedom of Information Act (FOIA) request dated October 20, 2010. Specifically, you request:

1. Any and all records of communication between Peace Corps and Newton Leroy "Newt" Gingrich or his offices for various dates and between Peace Corps and Haley Reeves Barbour or his offices for various dates;
2. Any and all FOIA requests filed with Peace Corps which mention: Mitchell Daniels, Piyush Jindal, Sarah Palin, Timothy Pawlenty, John Thune, Michael Huckabee or Willard Romney;
3. If the request generates a substantial number of documents, provide an index (with option for requesting documents) and provide information in electronic format.

We are diligently working on your request and anticipate providing a response to you by February 11, 2011. If you agree to this extension, no reply is necessary. If we subsequently deny your request, you still have the right to file an administrative appeal. When there is a need for an agency to seek additional time, the agency must allow the requester an opportunity to modify his or her request, or to arrange for an alternative timeframe for completion of the agency's processing.

You may wish to consider limiting the scope of your request so that we can process it more quickly. If you want to limit your request, please submit a reply to this notification. If you decide not modify your request, please note that we anticipate providing a response by February 11, 2011.

If you have questions regarding this response, please feel free to contact me at 202-692-1904 or [foia@peacecorps.gov](mailto:foia@peacecorps.gov).

Good afternoon,

My Uncle Rene (on my mom's side of the family) died 17 June 1973 (age 25) at the old Walter Reed Army Hospital (which I think has since moved). He was serving in the Peace Corps in French Dahomey, Africa (today Ghana, I believe). He was "medical evacuated" from Benin (aka Dahomey) Africa, via Togo, to Germany and to DC. He died three days later due to Disease-bacterial. On the day of evacuation, he had encephalitis, hepatosplenomegaly, and acute kidney failure.

I'm looking for:

- 1) Is there a memorial that has his name listed?
- 2) A copy of a report of his death.
- 3) A report that describes the project he was working on and the outcome of the project.
- 4) What village did he live in and what towns/villages were in the area he served?

Rene Cedric Courtway, SSN: 562 68 3780

My Uncle Jon Courtway and I are both requesting this information, but he lives in California. I'm a resident of DC. If it's easiest, I'll arrange to visit you at the Peace Corps Headquarters.

Nicolette Fertakis, Volunteer Certification Specialist at Peace Corps, is able to provide an official Peace Corps Certification of Service, which will include the dates and country of service. For the other inquiries, she recommends I follow up with you at the FOIA (Freedom of Information Act) Office.

Thank you in advance for your help.

I look forward to hearing from you.

Very Respectfully,

Colin B. Clarke (b)(6)

Dear Colin,

Thank you for your email.

I can send an official Peace Corps Certification of Service, which will include the dates and country of

service for your Uncle. Please feel free to send me a mailing address to send the official Peace Corps Certification of Service and I can mail it today. It sounds like a Description of Service would have not been written so unfortunately, we would not have that document.

With regards to the other questions, please contact our FOIA (Freedom of Information Act) Office at [foia@peacecorps.gov](mailto:foia@peacecorps.gov) to see what information would be available.

Please do not hesitate to contact me if I can be of additional assistance.

FOIA NO. 11-049

11-049

Dear FOIA Officer:

This is a request under the Freedom of Information Act (5 U.S.C. 552).

I request that a copy of the following documents be provided to me: documents that include the addresses and phone numbers of the nearest hospitals or clinics to Samne (Otuzco, La Libertad), Peru that has been approved by the Peace Corps, documents that detail how far the hospital or clinic is to Samne, and documents that detail the type of health care providers that regularly staff the hospital or clinic.

In order to help you determine my status for the purpose of assessing fees, you should know that I am a student from Princeton University, and that this request is made for the purpose of filling out the Assignment 501 Application for EWB (Engineers without Borders)-USA and not for commercial use. The purpose of the Assignment 501 Application is for the Application Review Committee of EWB-USA to assess whether the project that we propose to carry out in Princeton for the next five years is feasible. The documents that detail the nearest hospital or clinic will only be used to provide information to the review committee that there is an approved institution that students can contact in case there is a medical emergency during one of our trips.

I request a waiver of fees for this request because disclosure of the requested information to me is in the interest of the students in Engineers without Borders at Princeton University, NJ. The information provided will solely be used to fill out Assignment 501, which is the first step in establishing a new and approved project for EWB-Princeton.

Sincerely,

So Yeon Kim

Dear So Yeon Kim:

This is in response to your Freedom of Information Act (FOIA) request. Specifically, you request copies of any Peace Corps documents that related to or refer to "documents that include the addresses and phone numbers of the nearest hospitals or clinics to Samne (Otuzco, La Libertad), Peru that has been approved by the Peace Corps, documents that detail how far the hospital or clinic is to Samne, and documents that detail the type of health care providers that regularly staff the hospital or clinic."

FOIA maybe the resource necessary for obtaining the information, which I have been calling about, but not yet received.

1991 to 1994  
US Peace Corps Volunteer  
Poland 4

This is not a request for certification or verification of information documentation.

I have that information and requested added certification.

I have applied for a career opportunity with an NGO in the community where I worked.

My requested information:

I would like a statement that provides or verifies the mission and objectives of the US Peace Corps in Poland for our work in democratization and privatization, as this was a period of time in a region of the world that underwent an economic and political transition from Centralized socialism to a free-market system.

I hope to obtain a statement that validates my work in democratization mission efforts.

Dear FOIA Officer,

This is a resubmission of a FOIA request sent to your agency on October 1, 2010. The following is the operative section of the FOIA request and the full, original request is attached to this email:

All documents related to "the several specific steps" that White House Chief of Staff Rahm Emanuel and White House Counsel to the President Bob Bauer instructed your agency to take in a 16 March 2010 memo to all agency and department heads. The memo is available at [http://www.whitehouse.gov/sites/default/files/rss\\_viewer/foia\\_memo\\_3-16-10.pdf](http://www.whitehouse.gov/sites/default/files/rss_viewer/foia_memo_3-16-10.pdf)

The "specific steps" that the memo instructed your office to implement include:

- 1) "update[ing] all FOIA guidance and training materials to include the principles articulated in the President's memorandum" and
- 2) "assess[ing] whether you are devoting adequate resources to responding to FOIA requests promptly and cooperatively."

Thank you for your efforts in processing this request.
