DEPARTMENT OF THE TREASURY
INTERNAL REVENUE SERVICE
WASHINGTON, DC 20224

January 27, 2012

I am responding to your Freedom of Information Act (FOIA) request dated July 19, 2011, that we received on July 26, 2011.

Per an email with Bonnie Mullins, you narrowed the scope of your request to include:

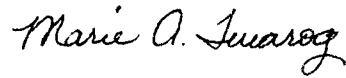

- 1) A digital/electronic copy of the card catalogue for the IRS Historical Research Library
- 2) All Policy Memoranda prior to the official IRM, all Treasury Orders from 1960-1980 and the Organizational history files from 1912
- 3) The description of the Digitization Project for the IRS Historical Research Library

Documents responsive to Items 1 and 2 of your request are on the enclosed CDs. This information is being released to you in its entirety.

In response to Item 3, the Digitization Project supports the IRS Strategic Plan to make available for our employees, nearly 1,000,000 pages of historical Internal Revenue Manuals (IRM), which are currently stored only in paper format or on microfilm. The Digitization Project will create a historical IRM reference tool. This project will also provide a tool to increase the quality of historic material available by grouping it in a central location and tagging the content with relationships to current IRMs.

If you have any questions please call Tax Law Specialist Bonnie Mullins, ID # 0196343, at 859-669-4405 or write to: Internal Revenue Service, HQ Disclosure, 2980 Brandywine Road, Stop 211, Chamblee, GA 30341. Please refer to case number case number F11208-0033.

Sincerely,

A handwritten signature in cursive script that reads "Marie A. Twarog".
