If yes, is there a document that confirms this request? Are there any written documents or reports that can confirm that a crowbar or a blowtorch never damaged the vault door and that an attempted break-in never occurred to the vault? If yes, may we obtain a copy of the relevant portion of this document? Can we obtain stills from the official PAPD videotape of the vault that was made at the time the vault door was opened (October 30-31, 2001) and illustrates the condition of the door? Was a surveillance system installed two weeks before the vault door was opened or at any time by the PAPD? If yes, may we obtain the document that contains details of the installation? Did the DDC (Department of Design and Construction) report any instances of looting by construction workers, firefighters, or NYPD recovery workers during the recovery? We are also interested in any relevant documentation or information regarding the following two allegations: A December 2001 robbery of computers fro the Deutsche Bank Building? A December 17/18, 2001 discovery of a FDNY Ladder 4 truck with a "crew cab filled with neatly stacked Gap jeans," 9by inference) that was looted on September 11, 2001? Were there any reports of a disturbance or "fight" having occurred on December 17/18, 2001 between a group of firefighters and a group of construction workers during the unearthing of Ladder 4 (near the SE slurry wall at the South Tower)? Are there any known or reported accounts of looting having taken place by FDNY or NYPD employees during the 1993 World Trade Center bombing and the subsequent cleanup?	11/19/2003
