This is in response to your FOIA request that our office received on November 13, 2012. You requested a copy of the FOIA Case Logs for the US Army Test and Evaluation Command (ATEC), to include ATEC's subordinates, for the last 10 years.

ATEC is mandated to maintain records in accordance with the US Army Records Information Management System (ARIMS). Per ARIMS, records relating to FOIA's are to be maintained for no longer than 6 years; therefore, I've attached the ATEC FOIA Case Logs, to include ATEC's subordinates, for the previous 6 calendar years, 2007-2012.

FYI - due to Base Realignment and Closure actions, the US Army Developmental Test Command was merged with its higher headquarters, ATEC, in 2011. Also, ATEC supports the US Army Evaluation Center (AEC) therefore, all FOIA's for AEC are reported under ATEC.

If we can provide further assistance, please do not hesitate to contact Debbie Stevens, (443) 861-9263.

Thank you,  
Karen L. Taylor  
ATEC Chief of Staff
