Re: Freedom of Information Act Request NGC12-169

This is an interim response to your Freedom of Information Act (FOIA) request of June 23, 2012, for a copy of correspondence between the National Archives and the Federal Retirement Thrift Investment Board from January 1, 2001 to the present that pertain to records scheduling and similar matters. Your request was received in this office on June 27, 2012, and assigned tracking number NGC12-169.

We located 347 pages responsive to your request. NARA referred 111 pages of records that originated with the FRTIB to their FOIA office for review and direct response to you. NARA referred an additional 232 pages to the FRTIB for consultation. Once the FRTIB completes their review of these pages, NARA will make a final disclosure determination.

The remaining 4 pages are released in full and are enclosed.

We are withholding appeal rights until our consultation with the FRTIB is concluded.

Sincerely,

JAY OLIN
NARA Deputy FOIA Officer
Office of General Counsel

I am out of the office teaching until Feb. 13, with limited email access. I will try to respond as soon as I can, given my limited access, but will certainly respond when I return.

Vivian,

Please note the new email address on this email. My old email address will no longer work.

Thanks!

Good morning,

I am attaching a status report that goes out to each agency with schedules pending NARA approval. This one is for the status of schedules submitted to NARA and their most recent actions as of the end of June. This report will get sent to you at the beginning of each month for the status as of the close of the previous month.

I received yesterday the new set of schedules that Vivian had indicated would be coming shortly. Those will show up on next month's report.

Please let me know if you have any questions.

Rebekah
