(b) **Fees.** Remittance must accompany the application for the plate and is in addition to the annual license fee.

(c) **Non-offensive content policy.** The Commission shall review personalized license plate applications that are not automatically rejected when compared to a database of prohibited or previously issued personalized plates. The Commission shall deny a request if an objective, reasonable person would find that the proposed combination of letters and/or numbers listed on the application falls into at least one of the following categories:

- (1) carries a sexual connotation;
- (2) expresses contempt, ridicule or superiority based on race, gender, politics, ethnic heritage, or religion;
- (3) is vulgar, derogatory, profane or obscene;
- (4) refers to bodily functions, bodily fluids, or intimate body parts;
- (5) refers to alcohol, drugs or drug paraphernalia, illegal activities or gangs; or
- (6) would otherwise be inappropriate for display on a state-issued license plate.

(d) **Other criteria.** The criteria in this paragraph are not exhaustive. Dictionaries and compilation of offensive words, terms or letter/number combinations, in any language, gathered from the experience of Oklahoma and other states may also be used as a guide.

A PERSONALIZED LICENSE PLATE)

FINDINGS, CONCLUSIONS AND RECOMMENDATIONS

NOW on this 30th day of August, 2010, the above styled and numbered cause comes on for consideration pursuant to assignment regularly made by the Oklahoma Tax Commission to ██████████ Administrative Law Judge. ██████████ ("Protestant") appears pro se. The Motor Vehicle Division ("Division"), Oklahoma Tax Commission, appears through ██████████ Assistant General Counsel, Office of General Counsel, Oklahoma Tax Commission.

PROCEDURAL HISTORY

On August 20, 2009, the protest file was received by the Office of Administrative Law Judges for further proceedings consistent with the *Uniform Tax Procedure Code*¹ and the *Rules of Practice and Procedure Before the Office of Administrative Law Judges*.² On August 27, 2009, a letter was mailed to the Protestant stating this matter had been assigned to ██████████ Administrative Law Judge, and docketed as Case Number SJ-09-008-H. The letter

also advised the Protestant that a Notice of Prehearing Conference would be sent by mail and enclosed a copy of the *Rules of Practice and Procedure Before the Office of Administrative Law Judges*.³ On August 28, 2009, [REDACTED] filed an Entry of Appearance as Counsel of record for the Division.

On September 14, 2009, the Notice of Prehearing Conference was mailed to the parties, setting the prehearing conference for September 29, 2009, at 2:00 p.m. The prehearing conference was held as scheduled. On September 30, 2009, a letter was mailed to the parties, pursuant to the prehearing conference; this matter was to be held in abeyance pending the issuance of a Commission Order in Case No. SJ-09-004-H.

On December 10, 2009, a letter was mailed to the parties advising Tax Commission Order No. 2009-10-29-02 (October 29, 2002) had been issued in Case No. SJ-09-004-H. A redacted copy of the Commission Order was provided to the parties. The parties were to file a Status Report on or before January 15, 2010, advising how the parties wished to proceed.

On January 15, 2010, the Division filed the Status Report and Request for Scheduling Order, with concurrence of the Protestant. On January 19, 2010, the Scheduling Order was issued for this matter to be submitted on stipulations and briefs.

On April 19, 2010, the Division filed a Status Report and Request for Amended Scheduling Order. For good cause shown, an Amended Scheduling Order was issued for this matter to be submitted on stipulations and briefs. On April 22, 2010, an Amended Scheduling Order was mailed to the parties.

³ *Id.*

On June 11, 2010, the parties filed by facsimile Stipulation of Facts and Statement of Issue, with Exhibits 1-5, attached thereto. On June 11, 2010, the Protestant filed a copy of Exhibit 5 with the Court Clerk.⁴

On July 2, 2010, the Division's Memorandum Brief was filed with the Court Clerk. The Protestant did not file a brief-in-chief (due 06/25/10) or a reply brief (due 07/16/10). The record in this matter was closed and this case was submitted for decision on July 20, 2010.

STIPULATION OF FACTS

On June 11, 2010, the parties filed "Stipulation of Facts and Statement of Issue⁵ which, along with the attached exhibits, they agree shall constitute the entire factual record in this cause" as follows, to-wit:

1. [REDACTED]
2. On June 24, 2009 the Division received Applicant's Form 749 Personalized License Plate Application. On the application Applicant made four choices for the personalized license plate; "CANIBUS", "CANIBUS", "CANIBUS" and "CANIBUS". On the application Applicant certified that the personalized license plate was to be displayed on a [REDACTED] [REDACTED] which has been registered with the Division and an Oklahoma title issued thereon as provided for in Oklahoma's motor vehicle laws. (Exhibit 1.)
3. The alphanumeric character combinations of Applicant's personalized license plate choices are homonyms for "cannabis".

⁴ OKLA. ADMIN. CODE § 710:1-5-10(c)(2) (June 25, 1999).

⁵ The text of the stipulated facts is set out *in haec verba*. "*In haec verba*" (in heek v<<schwa>>r-b<<schwa>>). [Latin] In these same words; verbatim. BLACK'S LAW DICTIONARY (8th ed. 2004), available at <http://westlaw.com>.

4. By letter dated July 21, 2009, the Division notified Protestant that it was unable to process Applicant's application because the personalized license plate alphanumeric choices were unavailable because they either were in conflict with the Oklahoma license plate numbering system or had already been assigned to another applicant. The letter stated that if the Division did not receive a response in ten days, the Application would be placed in a suspense file. (Exhibit 2.)

5. Applicant interpreted the July 21, 2009 letter as a denial of his Application. By letter dated August 6, 2009, Applicant acknowledged receipt of the July 21, 2009 letter and stated that he had contacted the Division to confirm the choices on the application were not currently in use by another applicant. In the letter, Applicant requested that he be afforded any administrative remedies available to contest the denial. This letter constitutes a timely protest to the denial of the Application. (Exhibit 3.)

6. The Division intended at the time it sent the July 21, 2009 letter, and continues to intend to deny the Application for the reason that it had determined the alphanumeric choices thereon to be ones which "may be offensive to the general public" under OKLA. ADMIN CODE 710:60-3-150(d). Because of the timing and content of Applicant's August 6, 2009 letter, the Division did not notify Applicant in writing explicitly stating its intent to deny the Application for the above reason. Had such notification been made, the denial letter would have been identical in content to the attached sample letter. (Exhibit 4.)

7. [REDACTED]

[REDACTED] (Exhibit 5.)

ADDITIONAL FINDINGS OF FACT

8. The front page of the application ("Form 749") contains the following in bold type above an applicant's six (6) choices for a personalized license plate ("PLP"): "Any special plate request deemed to be offensive to the general public will not be issued."⁶

STATEMENT OF ISSUE

The issue to be decided is whether the alphanumeric choices on Applicant's Personalized License Plate Application "may be offensive to the general public" under OKLA. ADMIN CODE 710:60-3-150(d).

CONCLUSIONS OF LAW

1. The Oklahoma Tax Commission is vested with jurisdiction over the parties and subject matter of this proceeding.⁷

2. Section 1135.4 of Title 47⁸ ("Statute") provides in pertinent parts as follows, to-wit:

A. The Oklahoma Tax Commission is hereby authorized to design and issue personalized license plates....

B. Such plates shall be designed and issued for the following:

1. Any person in any combination of numbers or letters from one to a maximum of seven;

3. The Tax Commission promulgated Tax Commission Rule 710:60-3-150⁹ ("Rule") to implement and administer the Statute, which addresses the application process for ordering all "Special" License Plates, including PLPs, and which reads in pertinent parts as follows, to-wit:

⁶ Exhibit 1.

⁷ OKLA. STAT. ANN. tit. 47, § 1135.4 (West 2008) and OKLA. ADMIN. CODE § 710:60-3-150 (July 1, 2008).

⁸ *Id.* See OKLA. STAT. ANN. tit. 47, § 1113(A) (West Supp. 2010), which in pertinent part states:

...The license plate and decal shall be of such size, color, design and numbering as the Tax Commission may direct...

(a) **General provisions.** Applications for ordering all types of personalized and special license plates, authorized by statute, may be obtained from the Oklahoma Tax Commission or from any motor license agency.

(c) **No conflict policy.** No special license plate can be issued which conflicts with the regular plate numbering system.

(d) **Non-offensive content policy.** No special license plate will be issued which may be offensive to the general public.

4. The rules promulgated pursuant to the Administrative Procedures Act¹⁰ are presumed to be valid and binding on the persons they affect and have the force of law.¹¹

5. The Tax Commission, as an administrative agency, is powerless to strike down a statute for constitutional repugnancy. The authority to invalidate an unconstitutional enactment resides solely in the judicial department.¹²

6. Every statute is deemed constitutionally valid until a court of competent jurisdiction declares otherwise.¹³

7. Great weight is accorded an agency's construction of a statute when the administrative interpretation is made contemporaneously with the enactment of the statute and the construction is longstanding and continuous by the agency charged with its execution.¹⁴

8. Where the Legislature is made repeatedly aware of the operation of the statute according to the construction placed upon it by an agency and the Legislature has not expressed its disapproval with the agency's construction, the Legislature's silence may be regarded as

acquiescence in the agency's construction,¹⁵ and the agency's construction is given controlling weight and will not be disregarded except in cases of serious doubt.¹⁶

9. The rules and regulations of an administrative agency which implement the provisions of a statute are valid unless they are beyond the scope of the statute, are in conflict with the statute or are unreasonable.¹⁷

10. Agency rules need not be specifically authorized by statute, but must generally reflect the intent of the Legislature as expressed in the statute.¹⁸ As a rule, it is presumed that administrative rules and regulations are fair and reasonable and that the complaining party has the burden of proving the contrary by competent and convincing evidence.¹⁹

²⁰ OKLA. ADMIN. CODE § 710:1-5-47 (June 25, 1999):

In all administrative proceedings, unless otherwise provided by law, the burden of proof shall be upon the protestant to show in what respect the action or proposed action of the Tax Commission is incorrect. If, upon hearing, the protestant fails to prove a prima facie case, the Administrative Law Judge may recommend that the Commission deny the protest solely upon the grounds of failure to prove sufficient facts which would entitle the protestant to the requested relief.

OKLA. ADMIN. CODE § 710:1-5-77(b) (June 25, 1999), provides in pertinent part:

... "preponderance of the evidence" means the evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; evidence which as a whole shows that the fact sought to be proved is more probable than not.

12. The Division's action is presumed correct and the taxpayer bears the burden of showing that it is incorrect and in what respects.²¹

CONSTITUTIONAL ISSUE

Whether the Oklahoma Tax Commission's interpretation and application of promulgated Rule 710:60-3-150(d) as it relates to the Protestant's application for a license plate with the choices "CANIBUS," "CANIBUS," "CANIBU5," AND "CANIBU5" violates the free speech guarantees of the First and Fourteenth Amendments or Okla. Const. Art. II, § 22.²²

DISCUSSION CONSTITUTIONAL ISSUE

It is the Protestant's position that "If the reason for denying me the tag has to do with the content of the speech, please be aware that while Courts commonly allow time, place, and manner restrictions on speech, content regulation of speech (especially political speech such as this) rarely meets with judicial approval."²³

The Division responds, "There is no Oklahoma jurisprudential case law governing the Oklahoma Tax Commission's denial of issuance of offensive personalized license plates. The Oklahoma Tax Commission has however issued a precedential Commission Order No. 95-03-23-014, adopting and setting forth as its own the standard developed in *Kahn v. Dept. of Motor Vehicles*, 16 Cal.App.4th 159, 170, 20 Cal.Reptr.2d 6 (1993) for determining whether a personalized license plate's content may be offensive to the general public. *Kahn* teaches that

'[t]he standard...is not the intention of the tag's owner by his choice of words, but what people of ordinary intelligence would understand from the use of the word.'²⁴

The Division further states, "The alphanumeric character combinations of each of the Applicant's personalized license plate choices are homonyms for 'cannabis'. Stipulation ¶3. Pursuant to the Oklahoma Uniform Controlled Dangerous Substances Act, 63 O.S. §2-101, *et seq.*, 'cannabis' is coextensive in meaning to 'marihuana'.²⁵ The provisions of the Oklahoma Trafficking in Illegal Drugs Act, 63 O.S. §2-414, *et seq.*²⁶ apply to persons convicted of violations with respect to marihuana.²⁷ That Act makes it a crime to knowingly distribute, manufacture, bring into this state or possess marihuana in specified quantities, and sets criminal penalties therefore.²⁸ In short, the possession of marihuana (cannabis) is a crime in Oklahoma, and Oklahoma's public policy set forth in the Oklahoma Statutes labels it a controlled dangerous substance. The legislative declaration of the illegal nature of cannabis in Oklahoma makes an Oklahoma license plate bearing that work offensive to the general public of Oklahoma."²⁹

[REDACTED]

[REDACTED]

[REDACTED] (*Stipulation of Facts* ¶ 7) does not affect the offensiveness of his proposed license plate mottoes. The [REDACTED] will not be

displayed publicly on a government-issued device. The very public nature of a license plate contrasts with the less public nature of private advertising appearing on a website or other advertising media where only persons seeking Applicant's legal services are likely to look. The fact that Applicant [REDACTED] does not alter the offensiveness of the word "cannabis" displayed on his license plate. To accept such a position [sic] would be to focus on the 'intention of the tag's owner by his choice of words'—an approach disapproved of in *Kahn, supra*. No evidence in the record stipulated to by the parties demonstrates the non-offensiveness of the word 'cannabis' on a personalized plate by a preponderance of the evidence. Applicant therefore has not met his burden of proof in this proceeding."³⁰

**CONCLUSION
CONSTITUTIONAL ISSUE**

The Division's position is supported by ample Oklahoma case law. The Rule is deemed constitutionally valid until a court of competent jurisdiction determines otherwise.

NON-CONSTITUTIONAL ISSUE

Whether the Division properly denied the Application for a PLP in the alphanumeric combinations "CANIBUS," "CAN1BUS," "CANIBU5," AND "CAN1BU5" pursuant to the Rule, as offensive to the general public?

**DISCUSSION
NON-CONSTITUTIONAL ISSUE**

The Division is correct when it states, "There is no Oklahoma jurisprudential case law governing the Oklahoma Tax Commission's denial of issuance of offensive personalized license

³⁰ Division's Brief at 3-4.

plates."³¹ The Oklahoma Supreme Court has not been presented with an opportunity to interpret the provisions of the Statute or the Rule.

*The Rules of Practice and Procedure Before the Office of Administrative Law Judges*³² provides that the burden of proof is on the Applicant to show that the Division erred in application of the Rule that the Applicant's choices for a PLP may be offensive to the general public.³³ The only evidence submitted by the Applicant as to whether a PLP in the alphanumeric combinations "CANIBUS," "CANIBUS," "CANIBUS," AND "CANIBUS" may be offensive to the general public is that the Applicant [REDACTED]

[REDACTED]³⁴ No other evidence as to whether the plate may be offensive to the general public was presented. There were no surveys presented, no treatises or scholarly documents were introduced into evidence regarding what might or might not be offensive to the general public.³⁵

CONCLUSION NON-CONSTITUTIONAL ISSUE

On the non-constitutional issue, the Applicant has failed to meet his burden of proof that the Division's denial of the Application for a PLP is incorrect pursuant to the Rule and in what respects.

APPLICANT¹ (“Applicant”) appears pro se.² The Motor Vehicle Division (“Division”), Oklahoma Tax Commission, appears through OTC ATTORNEY, Assistant General Counsel, Office of General Counsel, Oklahoma Tax Commission.

PROCEDURAL HISTORY

On October 27, 2010, the protest file was received by the Office of Administrative Law Judges for further proceedings consistent with the *Uniform Tax Procedure Code*³ and the *Rules of Practice and Procedure Before the Office of Administrative Law Judges*.⁴

On November 3, 2010, OTC ATTORNEY filed an Entry of Appearance as Counsel of record for the Division. On November 12, 2010, the Division filed by electronic transmission, a copy of the envelope containing OTC ATTORNEY’S introductory letter and Entry of Appearance mailed to the Applicant at ADDRESS 1, which had been returned by the United States Postal Service as “Return to Sender/Attempted-Not Known/Unable to Forward.” On November 15, 2010, OTC ATTORNEY filed an Amended Entry of Appearance as Counsel of record for the Division, which was mailed to the original address and to the Applicant at ADDRESS 2. On November 22, 2010, the Division notified the Court Clerk⁵ by electronic transmission that the Amended Entry of Appearance had been returned as undeliverable. On November 22, 2010, OTC ATTORNEY filed an Amended Entry of Appearance as Counsel of record for the Division, which was mailed to the Applicant at ADDRESS 1. On November 23, 2010, the Notice of Hearing was sent by certified mail return receipt requested to the Applicant at the following two (2) addresses: ADDRESS 1 and ADDRESS 2.⁶ The hearing

on this matter was set for December 21, 2010, at 9:30 a.m., with position letters or memorandum briefs due on or before December 14, 2010.

On December 13, 2010, the Applicant's Position Letter was filed with an attachment thereto.⁷ On December 14, 2010, the Division's Memorandum Brief was filed with Exhibits A through C attached thereto.

On December 21, 2010, at 9:30 a.m. an open hearing⁸ was held as scheduled. Both parties appeared at hearing. The Division called ADMINISTRATOR, Administrator, Motor Vehicle Division, Oklahoma Tax Commission, who testified about the processing of the application, how the Division made the decision to deny the Applicant's request for a personalized license plate, and as custodian of the Division's records. The Division's Exhibits A through D were identified, offered, and admitted into evidence without objection. The Applicant was called by the Division as a witness and the Applicant testified on his own behalf concerning the application and his intent for requesting a personalized license plate. The Applicant did not identify and offer any exhibits to be admitted into evidence.⁹

FINDINGS OF FACT

Upon review of the file and records, including the record of the proceedings, the exhibits received into evidence, the Applicant's Position Letter, and the Division's Memorandum Brief, the undersigned finds:

1. On August 25, 2010, the Division received Applicant's Form 749 Personalized License Plate Application ("Application"). On the Application, the Applicant made two (2) choices for a personalized license plate; "FREHEMP" and "FREEHMP," on a "sea green" (light green) background. On the Application, the Applicant certified that the personalized license plate was to be displayed on a 2000 Toyota Tacoma, which has been registered with the Division and an Oklahoma title issued thereon as provided for in Oklahoma's motor vehicle laws. The Application¹⁰ contains the following notice, to-wit:

Any special plate request deemed to be offensive to the general public will not be issued.

November 29, 2010, the return receipt for ADDRESS 2 was filed with the Court Clerk, but the signature is illegible and does not reflect the date the return receipt was signed.

⁷ The envelope reflects the Applicant's address as ADDRESS 1.

⁸ The Applicant waived his right to a confidential hearing as provided by the provisions of OKLA. STAT. ANN. tit. 68, § 205 (West Supp. 2011).

⁹ The attachment to the Applicant's Position Letter was offered, identified, and admitted as Division's Exhibit D.

¹⁰ Division's Exhibit A.

2. By letter dated August 30, 2010, the Division notified the Applicant that it was unable to process the Application because the personalized license plate alphanumeric choices thereon violated the provisions of OKLA. ADMIN. CODE § 710:60-3-150(d), which provides, “No special license plate will be issued if the proposed message may be deemed offensive to the general public, in the context of display of the message on a state-issued plate, under the guidelines in 710:60-3-151(c).”¹¹

3. On September 30, 2010, the Applicant mailed a protest to the Division’s denial of the Application and requested a hearing. The basis of the protest is that the Division’s denial is erroneous and a violation of the Applicant’s right to free speech.¹²

4. The Division denied the Applicant’s request for personalized license plate choices of “FREHEMP” and “FREEHMP” because the proposed message may be deemed offensive to the general public, in the context of display of the message on a state-issued license plate. The Division based its decision upon the standard that an objective, reasonable person would find that the proposed choices on the Application fall into the category of drugs.¹³

5. The Applicant’s intent in requesting a personalized license plate with the choices of “FREHEMP” and “FREEHMP” is to educate¹⁴ the public in the uses of hemp for agricultural, industrial, environmental, economic, medicinal, and for smoking, leisure, and creative purposes.¹⁵

STATEMENT OF ISSUE

The issue to be decided is whether the choices “FREHEMP” and “FREEHEMP” on Applicant’s personalized license plate Application may be deemed offensive to the general public, in the context of the display of the message on a state-issued license plate based on the standard of whether an objective, reasonable person would find the proposed choices on the Application as falling into any of the categories enumerated in OKLA. CONCLUSIONS OF LAW

1. The Tax Commission is vested with jurisdiction over the parties and subject matter of this proceeding.¹⁷

2. The rules promulgated pursuant to the Administrative Procedures Act¹⁸ are presumed to be valid and binding on the persons they affect and have the force of law.¹⁹

3. Section 1135.4 of Title 47²⁰ (“Statute”) provides in pertinent parts as follows, to-wit:

A. The Oklahoma Tax Commission is hereby authorized to design and issue personalized license plates....

B. Such plates shall be designed and issued for the following:

1. Any person in any combination of numbers or letters from one to a maximum of seven;

...

4. The Tax Commission promulgated Tax Commission Rule 710:60-3-150²¹ (“Rule I”) to implement and administer the Statute, which addresses the application process for ordering all “special” license plates, including personalized license plates, and which reads in pertinent parts as follows, to-wit:

(a) **General provisions.** Applications for ordering all types of personalized and special license plates, authorized by statute, may be obtained from the Oklahoma Tax Commission or from any motor license agency.

...

(c) **No conflict policy.** No special license plate can be issued which conflicts with the regular plate numbering system.

(d) **Non-offensive content policy.** No special license plate will be issued if the proposed message may be deemed offensive to the general public, in the

context of display of the message on a state-issued license plate, under the guidelines in 710:60-3-151(c).

5. The Tax Commission promulgated Tax Commission Rule 710:60-3-151²² (“Rule II”) to implement and administer the Statute and Rule I, which addresses personalized license plates, in pertinent parts as follows, to-wit:

(c) **Non-offensive content policy.** The Commission shall review personalized license plate applications that are not automatically rejected when compared to a database of prohibited or previously issued personalized plates. The Commission shall deny a request if an objective, reasonable person would find that the proposed combination of letters and/or numbers listed on the application falls into at least one of the following categories:

- (1) carries a sexual connotation;
- (2) expresses contempt, ridicule or superiority based on race, gender, politics, ethnic heritage, or religion;
- (3) is vulgar, derogatory, profane or obscene;
- (4) refers to bodily functions, bodily fluids, or intimate body parts;
- (5) refers to alcohol, drugs or drug paraphernalia, illegal activities or gangs; or
- (6) would otherwise be inappropriate for display on a state-issued license plate.

(d) **Other criteria.** The criteria in this paragraph are not exhaustive. Dictionaries and compilation of offensive words, terms or letter/number combinations, in any language, gathered from the experience of Oklahoma and other states may also be used as a guide.

6. The Tax Commission, as an administrative agency, is powerless to strike down a statute for constitutional repugnancy. The authority to invalidate an unconstitutional enactment resides solely in the judicial department.²³

8. Great weight is accorded an agency's construction of a statute when the administrative interpretation is made contemporaneously with the enactment of the statute and the construction is longstanding and continuous by the agency charged with its execution.²⁵

9. Where the Legislature is made repeatedly aware of the operation of the statute according to the construction placed upon it by an agency and the Legislature has not expressed its disapproval with the agency's construction, the Legislature's silence may be regarded as acquiescence in the agency's construction,²⁶ and the agency's construction is given controlling weight and will not be disregarded except in cases of serious doubt.²⁷

10. The rules and regulations of an administrative agency which implement the provisions of a statute are valid unless they are beyond the scope of the statute, are in conflict with the statute or are unreasonable.²⁸

11. Agency rules need not be specifically authorized by statute, but must generally reflect the intent of the Legislature as expressed in the statute.²⁹ As a rule, it is presumed that administrative rules and regulations are fair and reasonable and that the complaining party has the burden of proving the contrary by competent and convincing evidence.³⁰

In all administrative proceedings, unless otherwise provided by law, the burden of proof shall be upon the Applicant to show in what respect the action or proposed action of the Tax Commission is incorrect. If, upon hearing, the Applicant fails to prove a prima facie case, the Administrative Law Judge may recommend that the Commission deny the protest solely upon the grounds of failure to prove sufficient facts which would entitle the Applicant to the requested relief.

OKLA. ADMIN. CODE § 710:1-5-77(b) (June 25, 1999), provides in pertinent part:

... "preponderance of the evidence" means the evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; evidence which as a whole shows that the fact sought to be proved is more probable than not.

13. The Division's action is presumed correct and the taxpayer bears the burden of showing that it is incorrect and in what respects.³²

CONSTITUTIONAL ISSUE

Whether the Oklahoma Tax Commission's interpretation and application of Statute, Rule I, and Rule II as they relate to the application for a license plate with the choices "FREEHMP" and "FREHEMP" violate the free speech guarantees of the First and Fourteenth Amendments or Okla. Const. Art. II, § 22.

DISCUSSION CONSTITUTIONAL ISSUE

The Applicant's contentions include, "...the fact that the Oklahoma Tax Commission has already issued a license plate tag: HEMPONE³³ and...EVOLING. My main contention involves the use of trees and deforestation. Wood pulp treated with chorline [sic] creates a known toxic waste: dioxen [sic]. Whereas paper made from hemp treated with peroxide emits only oxygen and hydrogen, the two most abundant gases in the atmosphere. I have enclosed eleven pages an [sic] overview of the history of cannabis hemp. The statutory law upon which I rely to substantiate my position is the First Amendment of the Bill of Rights. 'Freedom of Speech' [sic] the cornerstone of our democracy...."³⁴

The Division responds, "The alphanumeric character combinations of Applicant's personalized license plate choices are abbreviations of the words 'free hemp'. Applicant attached an eleven page article to his position letter filed herein, which throughout acknowledges that 'hemp' is coextensive in meaning to 'cannabis' and 'marihuana'."³⁵

Pursuant to the Oklahoma Uniform Controlled Dangerous Substances Act,³⁶ 63 O.S. § 2-101(23),³⁷ "marihuana" is defined as:

³² See *Enterprise Management Consultants, Inc. v. State ex rel. Oklahoma Tax Com'n*, 1988 OK 91, 768 P.2d 359.

³³ ADMINISTRATOR could not confirm or deny whether the Division had issued the personalized license plate "ONEHEMP." The Applicant did not testify as to why "evolving," if such a tag has been issued, would be deemed offensive to the general public; nor did the Applicant question ADMINISTRATOR on such a personalized tag.

³⁴ Position Letter at 2-3.

³⁵ Division's Brief at 3. See Division's Exhibit D. The Applicant testified that the excerpts were from a book titled "The Emperor Wears No Clothes," having as its purpose the decriminalization of "cannabis" in all forms.

...[A]ll parts of the plant *Cannabis sativa* L., whether growing or not; the seeds thereof; the resin extracted from any part of such plant; and every compound, manufacture, salt, derivative, mixture or preparation of such plant, its seeds or resin, but shall not include the mature stalks of such plant, fiber produced from such stalks, oil or cake made from the seeds of such plant, any other compound, manufacture, salt, derivative, mixture or preparation of such mature stalks (except the resin extracted therefrom), fiber, oil or cake, or the sterilized seed of such plant which is incapable of germination;”

There is no Oklahoma jurisprudential case law governing the Oklahoma Tax Commission’s denial of issuance of offensive personalized license plates. The Oklahoma Tax Commission has, however, issued OTC (Precedential) Order No. 95-03-23-014 (March 23, 1995), adopting and setting forth as its own the standard developed in *Kahn v. Dept. of Motor Vehicles*, 16 Cal.App.4th 159, 170, 20 Cal.Reptr.2d 6 (1993), for determining whether a personalized license plate’s content may be offensive to the general public. *Kahn* teaches that “[t]he standard...is not the intention of the tag’s owner by his choice of words, but what people of ordinary intelligence would understand from the use of the word.”³⁸

The provisions of the Oklahoma Trafficking in Illegal Drugs Act, 63 O.S. §2-414, *et seq.*³⁹ apply to persons convicted of violations with respect to marihuana.⁴⁰ That Act makes it a crime to knowingly distribute, manufacture, bring into this state or possess marihuana in specified quantities, and sets criminal penalties therefore.⁴¹ In short, the possession of marihuana (cannabis) is a crime in Oklahoma, and Oklahoma’s public policy set forth in the Oklahoma Statutes labels it a controlled dangerous substance. The legislative declaration of the illegal nature of cannabis in Oklahoma makes an Oklahoma license plate bearing the choices of “FREHEMP” or “FREEHMP” offensive to the general public of Oklahoma.

To accept the Applicant’s position would be to focus on the intention of the Applicant by his choice of words, an approach disapproved of in *Kahn, supra*. No evidence in the record demonstrates the choices “FREHEMP” or “FREEHMP” may be deemed not offensive to the general public, in the context of display of the message on a state-issued license plate by a preponderance of the evidence based upon the standard that an objective, reasonable person would find the choices as fallings into the category of drugs. The Applicant has not met his burden of proof in this proceeding.⁴²

**CONCLUSION
CONSTITUTIONAL ISSUE**

The Division's position is supported by ample Oklahoma case law. The Statute, Rule I, and Rule II are deemed constitutionally valid until a court of competent jurisdiction determines otherwise.

NON-CONSTITUTIONAL ISSUE

Whether the Division properly denied the Application for a personalized license plate in the alphanumeric combinations "FREEHMP" and "FREHEMP" pursuant to the Statute, Rule I, and Rule II, as what may be deemed offensive to the general public, in the context of display of the message on a state-issued license plate based upon the standard that an objective, reasonable person would find the choices as falling into the category of drugs.

**DISCUSSION
NON-CONSTITUTIONAL ISSUE**

There is no Oklahoma jurisprudential case law governing the Division's denial of the issuance of offensive personalized license plates. The Oklahoma Supreme Court has not been presented with an opportunity to interpret the provisions of the Statute or the Rules.

The *Rules of Practice and Procedure Before the Office of Administrative Law Judges*⁴³ provides that the burden of proof is on the Applicant to show that the Division erred in application of the Rules that the Applicant's choices for a personalized license plate may be deemed offensive to the general public, in the context of display of the message on a state-issued license plate.⁴⁴ The only evidence submitted by the Applicant, in addition to his testimony, as to whether the alphanumeric combinations "FREEHMP" and "FREHEMP" may not be offensive to the general public is an eleven (11) page excerpt from a book which is intended to educate⁴⁵ the public in the uses of "Cannabis Hemp" for agricultural, industrial, environmental, economic, medicinal, and for smoking, leisure, and creative purposes.⁴⁶

The Applicant testified that his personal political viewpoint is for the decriminalization of marihuana.⁴⁷ The Applicant also testified that the general public's perception of "hemp" is the same as "marihuana," which in the Applicant's opinion is a result of seventy (70) to

⁴³ See Note 4, *supra*.

⁴⁴ See Note 22, *supra*.

⁴⁵ The Applicant's efforts to educate the public include meeting with the Sierra Club.

⁴⁶ Testimony of Applicant. See Division's Exhibit D.

⁴⁷ The Applicant does not dispute that the meaning of "hemp" is co-extensive with the meaning of "cannibis" and "marihuana."

eighty (80) years of propaganda. In the words of the Applicant, trying to change the general public's perception of "hemp" is like "rolling a snowball up a hill."⁴⁸

No other evidence was presented as to whether the Applicant's choices for a personalized license plate may not be deemed offensive to the general public, in the context of display of the message on a state-issued license plate based upon the standard that an objective reasonable person would find that the choices "FREHMP" or "FREEHMP" *did not* fall into the category of drugs. There were no surveys presented, no treatises or scholarly documents were introduced into evidence regarding what may or may not be offensive to the general public.⁴⁹

CONCLUSION NON-CONSTITUTIONAL ISSUE

On the non-constitutional issue, the Applicant has failed to meet his burden of proof that the Division's denial of the Application for a personalized license plate is incorrect pursuant to the Statute, Rule I, and Rule II, and in what respects.

DISPOSITION

It is the ORDER of the OKLAHOMA TAX COMMISSION, based upon the facts and circumstances of this case, that the protest to the Division's denial of the Application should be denied.

FINDINGS, CONCLUSIONS AND RECOMMENDATIONS

NOW on this 23rd day of August, 2012, the above styled and numbered cause comes on for consideration pursuant to assignment regularly made by the Oklahoma Tax Commission to ██████████ Administrative Law Judge. ██████████ ("Applicant") was notified of these proceedings at his last known address in accordance with 68 O.S. 2011, § 208. The Motor Vehicle Division of the Oklahoma Tax Commission ("Division") is represented by ██████████ Assistant General Counsel, General Counsel's Office, Oklahoma Tax Commission.

STATEMENT OF THE CASE

A Personalized License Plate Application ("Application") was filed by Applicant with the Division on December 16, 2011. By letter dated March 5, 2012, the Division notified the Applicant that the Application would not be process since the selections submitted violated the provisions of Oklahoma Tax Commission Rule 710:60-3-151(c). The Applicant timely protested the Division's action.

On April 2, 2012, the Division referred the protest to the Office of Administrative Law

2012 10 11 03

Judges for further proceedings consistent with the Uniform Tax Procedure Code¹ and the Rules of Practice and Procedure before the Office of Administrative Law Judges². The protest was docketed as case number SJ-12-007-K and assigned to [REDACTED], Administrative Law Judge.

A pre-hearing conference was scheduled for June 12, 2012, by *Prehearing Conference Notice* issued May 31, 2012. Pursuant to the conference, a hearing was scheduled for July 31, 2012, by *Notice of Hearing* issued June 12, 2012.

A closed hearing³ was held as scheduled. The Applicant did not appear. [REDACTED] Administrator of the Accounting Section of the Division testified with respect to the records of the Division, the information reviewed for the Division's action and the reason for the denial of the Application. Exhibits A through E were identified, offered, and admitted into evidence. Upon conclusion of the Division's presentation, the record was closed and the protest was submitted for decision.

FINDINGS OF FACT

Upon review of the file and records, including the recording of the hearing, the exhibits received into evidence, and the Memorandum Brief of the Division, the undersigned finds:

1. On December 16, 2011, the Division received the Application. The Applicant selected four (4) choices for a personalized plate consisting of: "PFLAGER", "LOBTLVR", "PFLAG-1", and "PFLAG01". The Applicant, under penalties of perjury certified that the plate was to be displayed on a [REDACTED] which has been registered with the Division and

has had an Oklahoma title issued thereon as provided for in Oklahoma's motor vehicle laws.
Exhibit A.

2. The Application was not automatically rejected when compared to the Division's database of prohibited or previously issued personalized plates. Upon review of the Application, a Division representative consulted the web-based slang dictionary, www.urbandictionary.com, for the definitions of the terms "PFLAG" and "LGBT". Exhibits B and C.

3. By letter dated March 5, 2012, the Division notified the Applicant that it was unable to process the Application because the personalized license plate alphanumeric choices thereon violated the provisions of *OAC*, 710:60-3-151(e). Exhibit D.

4. The Applicant timely protested the Division's action, asserting:

My first couple of choices was [REDACTED]

PFLAG stands for Parents, Families and Friends of Lesbians and Gays. The name usually speaks for itself, but it is a support group for LGBT people who do not have the support of their families, or whose families may need support. Most of the 6 choices were [REDACTED]

CONCLUSIONS OF LAW

WHEREFORE, premises considered the undersigned concludes as a matter of law:

1. The Oklahoma Tax Commission is vested with jurisdiction of the parties and subject matter of this proceeding. 68 O.S. 2011, § 207.

2. The Oklahoma Tax Commission is authorized to design and issue personalized license plates for "[a]ny person in any combination of numbers or letters from one to a maximum

3. The Oklahoma Tax Commission is under a duty, and in conformance therewith is granted the authority and jurisdiction to administer the provisions of the Oklahoma Vehicle License and Registration Act ("Act"), 47 O.S. 2011, § 1101 et seq. 47 O.S. 2011, § 1149. In the performance of its duty to carry the Act into effect and to enforce the provisions thereof, the Oklahoma Tax Commission is authorized to promulgate all necessary rules and prepare forms and records. *Id.*

4. To implement and administer the design and issuance of personalized license plates, the Oklahoma Tax Commission promulgated the following rules with respect to the content of the plates, to-wit:

No special license plate will be issued if the proposed message may be deemed offensive to the general public, in the context of display of the message on a state-issued license plate, under the guidelines in 710:60-3-151(c).

*OAC, 710:60-3-150(d).*⁴

The Commission shall review personalized license plate applications that are not automatically rejected when compared to a database of prohibited or previously issued personalized plates. The Commission shall deny a request if an objective, reasonable person would find that the proposed combination of letters and/or numbers listed on the application falls into at least one of the following categories:

- (1) carries a sexual connotation;
- (2) expresses contempt, ridicule or superiority based on race, gender, politics, ethnic heritage, or religion;
- (3) is vulgar, derogatory, profane or obscene;
- (4) refers to bodily functions, bodily fluids, or intimate body parts;

They are valid and binding on the persons they affect, have the force of law and are prima facie evidence of the proper interpretation of the matter to which they refer. 75 O.S. 2011, § 308.2(C). Oklahoma Tax Commission*, 1990 OK 41, 801 P.2d 686.

6. The rules and regulations of an administrative agency which implement the provisions of a statute are valid unless they are beyond the scope of the statute, are in conflict with the statute or are unreasonable. See, *Arkansas Louisiana Gas Co. v. Truvis*, 1984 OK 33, 682 P.2d 225; *Boydston v. State*, 1954 OK 327, 277 P.2d 138. 8. The burden of proof standard applicable to administrative proceedings is "preponderance of evidence." 2 Am.Jur.2d *Administrative Law* § 357. See, Oklahoma Tax Commission Order No. 91-10-17-061. "Preponderance of evidence" means "[e]vidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not." Black's Law Dictionary 1064 (5th ed. 1979). It is also defined to mean "evidence which is more credible and convincing to the mind * * * [T]hat which best accords with reason and probability." *Id.*

9. Protestant failed to come forward with any evidence to show his choices of acronyms do not carry sexual connotations. As set forth in the Division's Memorandum Brief, pp. 4:

The alphanumeric character combinations of Applicant's personalized license plate choices are understood in common parlance – as demonstrated by the materials consulted by the Division – to be abbreviations of the words "Parents, Families and Friends of Lesbians and Gays" and "lesbian, gay [sic] bisexual and transgendered."
