MEMORANDUM FOR MR. TOLSON  
MR. SULLIVAN  
MR. C. D. BRENNAN  
MR. BISHOP

The Attorney General called and advised a matter has come up that he thought I ought to be apprised of since it is going to appear in Jack Anderson's column. The Attorney General stated that Governor Marvin Mandel of Maryland apparently has found that the "red line phone" in his office, which is an Office of Emergency Planning phone that is apparently operated by the Signal Corps, has a "bug" in it, and he advised Anderson, which is what those characters would do. He, Mandel, also checked with Governor Russell W. Peterson of Delaware, who advises his phone is in the same condition; so what he, the Attorney General, has done in order to keep it as far away from us as possible is to turn it over to the military establishment that operates these phones and let their intelligence people go in and handle it. I commented that was good, and the Attorney General said it would bring it into the Department otherwise. I said Anderson would make dirty twisted facts then. The Attorney General said the further we stay away, he thought the better and it was best to put it into the military establishment that is supposed to operate the phones. I said that is where it properly belongs.

The Attorney General said he thought he would just let me know and I expressed my appreciation.

Very truly yours,

Baltimore teletypes 11/16/70 set forth information that Governor Mandel of Maryland's Office had a "hot line" telephone in his office which contained a microphone capable of picking up conversations that occurred in the Governor's office. There was some indication that the FBI was alleged to have installed the microphone in the Governor's telephone. SAC Turyn requested authority to contact Governor Mandel and advise him that the FBI did not place any installation on the Governor's telephone. SAC Turyn has an appointment with Governor Mandel at 3 p.m. November 17th.

In this connection the Director said that Turyn should be told that the alleged wiretapping is being handled by Defense Department and FBI must not become involved.

SAC Turyn was telephonically advised concerning the Director's instructions. Turyn said that he would insure that his contact with Governor Mandel was handled in a confidential manner and he would make it clear to Mandel that we had nothing to do with any installation or monitoring regarding the Governor's telephone. He said that he clearly understood that the FBI must not become involved and that the alleged wiretapping was being handled by the Defense Department.

Reference is made to Baltimore teletype 11/16/70 in which the Bureau was advised that an allegation had been made that an installation had been made in the Governor's Office of Civil Defense telephone by the FBI.

Colonel ROBERT J. LALLY, former ASAC and now Secretary of Public Safety and Corrections, State of Maryland, advised on 11/16/70 that he had checked with [redacted] an employee of the Maryland State Police who is [redacted] security at the Governor's Mansion in Annapolis. LALLY advised SAC TURYN that [redacted] had advised that [redacted] Maryland State Police, had allegedly informed the Governor that the installation was made by the FBI.

b6  
b7C

SAC TURYN informed Colonel LALLY that it was absolutely essential that this allegation be either corroborated or washed out.

Bureau's attention is also directed to Baltimore teletype 11/17/70 that SAC TURYN saw Governor MANDEL on that date and informed him that the FBI was not responsible for the installation in the Governor's Office. The Governor at the same time was asked to identify the individuals who alleged that the FBI was responsible for the installation. The Governor stated that he wanted to assure SAC TURYN and the Director that at no time did he mention that the FBI was involved in the installation, and furthermore, that neither [redacted] nor any other individual had told him that the FBI was responsible.

On 11/23/70, Colonel LALLY advised that he had attempted to verify the allegation which had been made by [redacted] LALLY advised that he had determined that [redacted] was in error in stating that [redacted] had informed the Governor that the FBI had made the installation. LALLY learned that [redacted] normally checked the telephones in the Governor's Office for possible taps. LALLY stated that [redacted] was incensed that the Governor had obtained an outside detective agency to conduct an independent sweep of his telephones. LALLY stated that [redacted] felt he had been undermined by [redacted] obtaining an outside investigator at the request of the Governor to conduct a sweep of his offices. After the unusual wiring was found, LALLY stated that [redacted] was probably being vindictive in alleging that [redacted] had informed the Governor that the FBI was involved.

In view of LALLY's findings, it is felt that [redacted] did not, in fact, inform the Governor that the FBI was involved. In view of this, it is not believed desirable to confront [redacted] with the allegation since no useful purpose would be served.

Dear [redacted]

The recent incident involving the mis-wiring of the Civil Defense "Hot Line" in Governor Mandel's office and the publicity it generated has certainly caused us all considerable concern. No one connected with the Governor's Office or mine ever mentioned any governmental agency as being in any way involved, and this was the usual news media distortion of a "sensational" situation.

Governor Mandel and I both have the greatest admiration for the FBI and we certainly would do nothing to embarrass you or your office.

The final analysis indicates that there was a mis-wiring of the phone which in fact did permit clandestine monitoring at several points within the State House. We are deeply concerned since until just a couple of months ago when security of the telephone terminal boxes was tightened, these areas were quite vulnerable to clandestine monitoring. We can never assume that the situation is so remote that in the years that the phone has been installed no one previously ever found it and made use of the situation.

I felt that because of the notoriety engendered that this letter should be made a part of your file on the matter which I hope now has been closed once and for all.

Kind regards.

Sincerely,

A tape recording of captioned broadcast has been received and reviewed in the Crime Research Section. Anderson covers several news items and then commences with a report concerning the Director.

Anderson states that the Director will be 76 next month, "the oldest official in Government." He states the Director ingratiated himself with both Richard Nixon and Hubert Humphrey before the 1968 election by assigning Agents to the political conventions. Anderson states that there is a good deal of "skirmishing" over the Director's successor. Anderson states that the Director and his "publicists" are quick to deny any statements which are less than adulation and he alleges that these refutations frequently include attacks on the patriotism of those who question the Director's "sainthood."

*This is a bribe*  
Anderson goes on to note that the Director built the FBI into a superb organization, transforming it from one in which there were political hacks, etc., into one which has an esprit de corps. He said that not a single FBI man had ever tried to fix a case, defraud the tax payers, or sell out his country. This had been achieved, he said, by hiring the best men, training them well, and convincing them they are the best.

At the end of his broadcast, Anderson gave his "predictions," including one asserting that the Director would retire next year.

Pertinent portions of Anderson's broadcast have been described and are attached herewith. The tape is being retained in the Crime Research Section.

EXCERPTS FROM JACK ANDERSON'S "WASHINGTON  
MERRY-GO-ROUND" BROADCAST SCHEDULED  
FOR WEEK STARTING DECEMBER 4, 1970

Well, J. Edgar Hoover, the all-powerful FBI Director, has been getting into the headlines lately. Next month he'll be 76--the oldest official in Government; however, he's shown no inclination to retire. Before the 1968 election, he ingratiated himself with both Richard Nixon and Hubert Humphrey. Hoover assigned men to augment the security forces at both conventions. There is growing realization, however, that Hoover can't last forever. Already skirmishing has started over his successor. Southerners on the Senate Judiciary Committee who seek a return to sheriff's-style law enforcement have served notice that they expect to be consulted by the President on the new appointee. Hoover and his publicists are quick to deny any stories in the press or statements by men in public life that are less than adulation--which Hoover has come to believe is his due. The refutations are frequently coupled with barbed attacks on the character and patriotism of anyone who possesses the temerity to question Hoover's sainthood.

While the successes of the FBI have become so much a part of the American culture that people can be bored by their retelling--yet, it would be a serious mistake to ignore the superb job that

Hoover has done in building the FBI into an extremely effective, crime-fighting unit. The cult of personality has had its positive aspects. When Hoover took over as Director, the FBI was loaded with hacks, misfits, drunks, and courthouse hangers-on. In a remarkably brief time, he transformed it into a close-knit, effective organization with an esprit de corps that exceeds that of the Marines. Under Hoover's regime, Agents have been fired for drunkenness, for insubordination--even a few for homosexual behavior. Yet not a single FBI man has tried to fix a case, defraud the taxpayers, or sell out his country. This amazing scandal-free record has been accomplished by hiring the best men available, training them well, and convincing them that they are the best.

(At the end of his broadcast, Anderson mentioned several of his "Predictions of Things to Come," including the following.)

Third. I predict J. Edgar Hoover will finally resign from the FBI next year.

SUBJECT: JACK ANDERSON  
Proposed Washington Merry-Go-Round  
Article on the Director

[redacted] called me at home late last night and said he had received a telephone call from Jack Anderson, who stated he planned to do an article on the Director in connection with his January 1 birthday. Anderson indicated the article would show some good and some bad things about the Director. He then asked [redacted] a number of questions.

b6  
b7c

He asked if the Director had any interest in athletics and [redacted] said he pointed out that the Director over the years had insured that the FBI had outstanding athletic teams in various fields and has always been a strong supporter of sports.

Anderson wanted to know if the Director did anything to exercise and [redacted] told him that the Director does a lot of walking.

Anderson then made the comment that the Director was good to his Mother but said he recalled that the Director's [redacted] had told Anderson that he went to see the Director on one occasion to get help for his [redacted] Mother and the Director said that is your responsibility.

b6  
b7c

[redacted] also advised that the Director was a great kidder and enjoyed a good practical joke. Anderson asked if [redacted] knew of any specific practical joke the Director may have participated in and [redacted] said he related the incident about the wanted posters the Director erected on Julius Lully's farm in Maryland many years ago.

ST-109 REC-65 94-50053-35

[redacted] said he made it very clear to Anderson that he thought the Director was the greatest living American in this country and that he was just as devoted to the Director as he was to his own father. He made it very clear that he had the highest admiration and respect for the Director because he thought he was a wonderful man.

DEAR MR. ANDERSON:

YOU ARE A MAN WHO GOES AFTER THE NEWS, THIS I REALIZE. HOWEVER, I FURTHER REALIZE THAT YOU WILL GO GREAT LENGTHS FOR THE SAKE OF YOUR NEWS ARTICLES, EVEN TO THE EXTENT OF DISREGARDING A MAN'S PRIVACY.

I, PERSONALLY, NOTICED A TELEVISION PICTURE OF ONE OF YOUR MEN LOOKING INTO A TRASH CAN BELONGING TO J. EDGAR HOOVER. I KNOW THERE MUST BE PLENTY OF NEWSWORTHY MATERIAL WHICH YOU COULD USE, WHICH WOULD BE OF MORE INTEREST TO THE PUBLIC, RATHER THAN HAVING TO LOOK THROUGH TRASH BELONGING TO A MAN OF HONESTY, A MAN OF INTEGRITY, J. EDGAR HOOVER.

WHY NOT LOOK INTO THESE PEOPLE WHO ARE IN WASHINGTON TODAY CALLING THEMSELVES VETERANS? YOU WILL FIND THAT 75% OF THESE LONG-HAIRED, BEARDED, INDIVIDUALS ARE HIPPIES FROM GEORGETOWN, DUPONT CIRCLE OR THE UNIVERSITY; THEY ARE THE ONES WHO ARE TAKING DRUGS AND CAUSING OUR COUNTRY UNTOLD COST IN POLICING AND MISERY FOR THEIR PEOPLE, FRIENDS AND EVERY DECENT AMERICAN.

WHY DO YOU NOT GO AFTER THESE LIBERAL SENATORS AND CONGRESSMEN? THESE PEOPLE ARE ALL TRYING TO BE PRESIDENT, AND THEY ARE USING VINDICTIVE LANGUAGE AGAINST OUR PRESIDENT. I AM SURE A BETTER RELATIONSHIP WOULD DEVELOP BETWEEN YOU AND YOUR READERS BY GOING AFTER THESE PEOPLE, RATHER THAN SEARCHING THE TRASH CAN BELONGING TO A DEDICATED MAN.

IT WAS SHOCKING TO ME, AND TO MILLIONS OF AMERICANS, TO SEE THIS TYPE TRICKERY USED. MILLIONS OF PEOPLE WOULD WRITE YOU ON THIS, BUT THEY ARE TOO "DAMN" LAZY TO SIT DOWN AND WRITE A LETTER LETTING YOU KNOW HOW THEY FEEL.

I BELIEVE IF YOU WOULD GO AFTER THAT RADICAL ELEMENT IN CONGRESS AND GIVE THEM A GOOD GOING OVER, THOSE PEOPLE WHO ARE TRYING TO HURT OUR GREAT NATION RATHER THAN HELP IT, YOU WOULD ACHIEVE AN IMMEASURABLE FEAT WHICH NO ONE ELSE HAS BEEN ABLE TO DO. I AM SURE THAT TRUTHFULNESS, EVEN THOUGH SCANDALOUS, IS APPRECIATED, BUT NOT HARMFUL MATERIAL IN TRYING TO GET SOMETHING ON A MAN SUCH AS J. EDGAR HOOVER. YOU ARE WASTING YOUR TIME, AND YOU ARE NOT HELPING YOURSELF WITH YOUR READERS.

I READ YOUR COLUMN. AND, I FOR ONE WILL SPEAK STRAIGHT AND HONEST TO YOU; I BELIEVE YOU SHOULD LOOK INTO THIS MARCH BY VETERANS IN WASHINGTON, D. C. I BELIEVE YOU WILL FIND WHAT I AM TELLING YOU TO BE TRUE, THAT 75% TO 80% OF THESE PEOPLE ARE HIPPIES WHO DO NOT WANT TO WORK, WHO ARE INTERESTED ONLY IN DOWN-GRADING OUR COUNTRY. IT IS SHAMEFUL. YOU CAN GO INTO WASHINGTON, D. C., AS WELL AS, INTO MOST ANY OF OUR LARGER CITIES TODAY, AND YOU WILL SEE THIS CLASS LAYING IN THE STREETS, BREAKING AND ENTRY, ROBBING AND KILLING IN ORDER THAT THEY MIGHT BE ABLE TO BUY NARCOTICS.

A STORY ON THESE PEOPLE, I AM SURE, WOULD BE OF INTEREST TO EVERY DECENT AMERICAN IN THE UNITED STATES.

VERY TRULY YOURS,

DEAR MR. ANDERSON:

REFERENCE MY LETTER OF APRIL 20, I WOULD LIKE TO FURTHER SUGGEST THAT YOU INCLUDE IN YOUR EDITORIALS ARTICLES ON THE FOLLOWING SUBJECTS. I BELIEVE THESE WOULD CERTAINLY BE NEWSWORTHY IN YOUR COLUMN.

THERE IS A MASS DEMONSTRATION SCHEDULED FOR WASHINGTON BEGINNING APRIL 24. IT WAS FIRST DISCLOSED AT A NEWS CONFERENCE BY DAVID DELLINGER AND  SPONSORS LISTED INCLUDED THE PEOPLE'S COALITION FOR PEACE AND JUSTICE AND THE NATIONAL PEACE ACTION COALITION. THE WRITER IS OF THE OPINION THAT THE NATIONAL PEACE ACTION COALITION IS AN OFFSHOOT OF THE SOCIALIST WORKERS PARTY AND ACTUALLY A COMMUNIST FRONT.

b6  
b7C

IN ADDITION THE PRO-COMMUNIST YOUNG SOCIALIST ALLIANCE IS ALSO THROWING ITS WEIGHT BEHIND THIS OUTBURST WHICH IS CALLED THE "SPRING OFFENSIVE". DAVID DELLINGER, LAST NOVEMBER AT A SIMILAR FUNCTION, WAS GUEST SPEAKER AT A PRO-COMMUNIST MEETING IN STOCKHOLM.

THIS WILL BE THE BIGGEST AGGREGATION OF KOOKS, EX-CONVICTS, HOOLIGANS, EXTREMISTS, SUBVERSIVES AND ANARCHISTS EVER ASSEMBLED AT ONE TIME AND PLACE IN THIS COUNTRY. IT WILL BE WELL TO CONCENTRATE YOUR EFFORTS ALONG THIS LINE IN AN EFFORT TO HELP RID OUR NATION OF THESE RADICALS WHO ARE DOING EVERYTHING POSSIBLE TO DESTROY OUR NATION. IT IS THESE TYPE PEOPLE WHO ARE DESTROYING THE BASIC INDIVIDUAL RIGHTS FOR THE PURSUIT OF HAPPINESS AND THEIR LIVELIHOOD. THESE PEOPLE WOULD DESTROY THE VERY FUNDAMENTALS UPON WHICH OUR NATION WAS BUILT. THAT OF BEING ABLE TO EARN BY OUR OWN CHOICE, OUR OWN WILL, OUR OWN MIND, OUR MEANS OF LIVING AND TO EXCHANGE THESE THINGS, THESE OBJECTIVES TO OTHER MEN WHO RESPECT THE SAME INTEGRITY.

SA [REDACTED] said he was not in a position to comment. [REDACTED] then asked if any outside magazine, such as the "Saturday Review," had ever written up or gone into detail on how Mr. Hoover had written "Masters of Deceit." SA [REDACTED] said he had no information regarding this question. [REDACTED] then said that he understood SA [REDACTED] had done other writing in the Bureau and wondered if he could furnish any details. SA [REDACTED] told [REDACTED] that his [REDACTED] work in the Bureau was confidential and that he would have no comment. (To our knowledge, nothing has been previously published on this topic.)

### The Washington Merry-Go-Round

# Allies in Cambodia Said Incompetent

*127*  
By Jack Anderson

The Vietnam story, like a rerun of a bad movie, is repeating itself across the border in Cambodia.

Cambodian strongman Lon Nol has plunged his government into disarray. His top aides have sought, in vain, to persuade him to step down. Now they are talking ominously of a coup.

The military effort to stop a Communist takeover is floundering. Communist forces have now surrounded Cambodia's capital, Phnom Penh, on three sides.

The U.S., typically, is trying to solve the crisis by rushing more supplies to bail out Lon Nol. Because of congressional opposition, some supplies are being sneaked through the back door by way of Indonesia. The U.S. is also bringing pressure upon other allies to come to Lon Nol's aid.

A secret intelligence report, meanwhile, describes him as "a sick man, both physically and mentally . . . His memory is faulty, and he tends to make snap judgments without reference to anything anyone has told him."

No less than American Ambassador Emory Swank, in a report intended for official U.S. eyes only, has criticized "Lon Nol's haphazard, out-of-character, and ill-considered

conduct of military operations.

Swank blames recent Cambodian military reverses, costing "substantial losses of men and equipment," on "lack of leadership and tactics."

Another intelligence report describes most Cambodian general officers as "simply incompetent." It states that only one top general, besides Lon Nol, "has the ability and force of personality to exercise leadership" at the Chief of Staff level.

### Cambodian Corruption

He is identified as Brig. Gen. Srey Saman, now Cambodia's defense attache in Djakarta, the Indonesian capital. But the report adds sadly that "Srey Saman's personal authority is diluted by a tendency toward financial corruption."

Two other top officers, Brig. Gen. Sosthene Fernandez and Brig. Gen. Mao Sum Khem, are also called "technically competent." But the report charges "both have personal weaknesses which prevent them from exercising effective control over unit commanders."

"Sosthene Fernandez is an inveterate gambler, while Mao Sum Khem is a compulsive womanizer. Neither activity is in itself disqualifying, but in these two cases, so much time is consumed and so much corrupt activity is required to finance the activity that they

have lost an essential measure of the respect required to exert real leadership."

The personnel chief, Brig. Gen. Peolim Var, is accused by the report of sending inspection teams, which "are bought off by commanders of the units whose payrolls they are supposed to verify."

These sound distressingly like the secret reports of enge and corruption that U.S. South Vietnamese incompetent officials have tried to keep from the public.

The Communist drive on Pnom Penh, according to U.S. estimates, was intended as a psychological rather than a military operation. Apparently the Communists never expected any real military success but intended to withdraw to their former position after harassing the city.

Cambodian bungling, however, has turned a hit-and-run psychological attack into a real military threat.

### Secret Assessment

Declares one secret military assessment: "Enemy forces have continued to maintain pressure on Pnom Penh. Their presence in strength has generated concern; yet government forces to date have been unable to react effectively . . .

"The enemy's efforts appear directed at psychologically eroding the morale of the populace while gradually weakening and demoralizing (Cambio-

dian) units around Pnom Penh. . . (Cambodian) failure to take aggressive action has allowed (the enemy) to attempt to keep up the momentum both in the capital area and elsewhere in the country . . .

These dispatches read like the secret reports that came out of South Vietnam during the 1960s.

Footnote: Lon Nol's top ministers called on him at his residence on Dec. 7 and suggested that he relinquish some of his authority. "Lon Nol rejected these proposals out of hand . . ." reports Ambassador Swank.

### Rueful Bhutto

Pakistan's new President Zulfikar Ali Bhutto and Israeli Foreign Minister Abba Eban ended up side by side at the United Nations dinner honoring outgoing Secretary General U Thant the other night.

The UN had passed overwhelmingly the ceasefire resolution proposed by Bhutto to end the war between India and Pakistan. The resolution, of course, came too late to stop India from seizing control of East Pakistan.

Eban congratulated Bhutto on the solid majority he had gotten for the ceasefire resolution. Replied Bhutto ruefully: "I would rather have the territory without the resolution than the resolution without the territory."

SUBJECT: EVALUATION OF 12/71 JACK ANDERSON LEAKS  
SECURITY COMMITTEE  
UNITED STATES INTELLIGENCE BOARD (USIB)

On 1-13-72, at request of Chairman, Security Committee, USIB, representatives met at Pentagon, chaired by Colonel [redacted] Defense Intelligence Agency (DIA).

Colonel [redacted] stated [redacted] of the Security Committee, had with White House approval instructed that the Security Committee conduct a "passive analysis" of the impact of the Anderson disclosures beginning in 12/71 pertaining to National Security Council discussions concerning the India-Pakistan situation. [redacted] stated documents upon which columns were based originated with Central Intelligence Agency (CIA), State Department and DIA.

Colonel [redacted] stated working group would proceed as follows: 1. Each agency whose documents had been compromised would prepare an analysis of the Anderson columns involved, identify documents in question and make assessment of damage. 2. Agencies wherein compromised documents originated would conduct "in-house" inquiry with no investigation outside the particular agency to determine who could be considered possible source. 3. Same agencies would attempt to make judgment of effect Anderson disclosures might have on their future operations.

Colonel [redacted] stated in conclusion that result of working group's analysis would be reported to Chairman of Security Committee and would be made available to all agencies represented.

ACTION: For information. Since no FBI documents have been involved in the Anderson columns in question, no Bureau action is necessary. We will follow this closely with the Security Committee and you will be kept advised of significant developments.

ANDERSON

## Anderson Charges 'Fiction' Says FBI Chief

WASHINGTON — J. Edgar Hoover, beloved old bulldog of the FBI, has bared his fangs at us.

"There is not enough stationery at headquarters, nor are there enough pens in the workweek, to issue public notices of all the misinformation which the purveyor of fiction has written regarding the FBI," growled Hoover.

So the American people can judge for themselves who is feeding them fiction, we invite the FBI chief to present his facts to an appropriate congressional committee, and we will present our evidence. The loser should agree in advance to retire.

Here are the main charges we have made against Hoover and we are now prepared to prove:

1. We will show that Hoover has collected more than \$250,000 in royalties from three books researched and ghostwritten for him by FBI personnel on government time. This includes a reported \$50,000 that Warner Brothers paid him for the movie rights to his book, "Masters of Deceit," which has never been made into a movie. He distributed most of his profits to the FBI recreational fund and to the FBI people who wrote his book. But he kept a generous share for himself.

### Hoover's Free Suite

2. We will prove that Hoover, accompanied by his faithful companion Clyde Tolson, used to spend his summer vacations in \$100-a-day suites at the Hotel Del Charro so the FBI chief could attend the nearby Del Mar race track. We would want to subpoena Texas oil millionaire Clint Murchison, Jr., the hotel owner, who told us the hotel always picked up the FBI pair's bills. We will also take the testimony of the hotel manager,

Alan Witwer, who told us while he was there Hoover ran up more than \$15,000 in bills which were paid by Murchison.

3. We will present evidence that the FBI chief, contrary to his public statements, has assigned agents to tail members of Congress. Among those who have been kept under surveillance by Hoover's gumshoes are Rep. Cornelius Gallagher, D- N.J., Rep. Peter Frelinghuysen, R- N.J., and ex- Rep. Roland Libonati, D- Ill. We will show that agents have also checked on the activities of other members, including Speaker Carl Albert, House Democratic leader Hale Boggs and House Republican leader Gerald Ford.

We will prove that the FBI has kept tabs on still other prominent Americans, including ex- Attorney General Ramsey Clark and the late Dr. Martin Luther King. We will cite a Feb. 20, 1968 memo, for example, that Hoover sent to the White House about Dr. King.

4. We will back up our original charge that the FBI chief has kept as many as five bulletproof limousines at one time stashed around the country for his personal use. This is more bulletproof transportation than the taxpayers provide for the President. A check of the mileage run up by these FBI limousines will show that, except for occasional drives to keep them in running condition, they have been held for Hoover's use.

### Twisting The Law

5. We will show how Hoover twisted the law to keep his inseparable companion, Clyde Tolson, on the payroll as the FBI's No. 2 man. The two old friends have been lunching, dining and vacationing together for years. When Tolson reached the mandatory 70- year-old retirement age in May, 1970, his

health was too poor to get a waiver. So Hoover arranged for him to "retire," then come back to the FBI as a "reemployable annuitant" under a provision that allows overage employees to complete their unfinished work.

6. In his latest blast at us, as published in the Washington Post, Hoover calls us irresponsible for reporting he assigned only four agents to the Justice Department's vital, 17- city drive against the Mafia. Despite the FBI's refusal to answer our inquiries, we noted that the FBI helps out the strike forces without direct assignments and conducts its own separate Mafia investigations. We will produce a 19- page Justice Department document, which completely confirms our story.

7. Of all the charges we have made against Hoover, he chose also to deny our story that agent Kenneth Lovin was disciplined for not wearing his jacket at a shoot- out at New York's Kennedy International Airport. Hoover stated indignantly that he commended Lovin and gave him a cash award for killing Richard Oberfel, an armed hijacker. Thus Hoover denied a story that Lovin, when we gave him the opportunity, refused to deny. We not only will stand by our story, but we will present evidence that Hoover's Boy Scout rules and use of FBI agents to investigate the most minor infractions of FBI employes has hampered law enforcement.

From the first, we have emphasized that Hoover has built up the FBI until it has a reputation unmatched by any law enforcement agency in the world. But we have suggested, sadly at first, more firmly later, that the time has passed when the nation should have paid Hoover his final measure of praise and replaced him.

SUBJECT: JACK ANDERSON'S COLUMN  
SEPTEMBER 22, 1971

In Anderson's captioned column in allegation number 6 regarding the Justice Department's Strike Forces, Anderson makes the statement "We will produce a 19-page Justice Department document which completely confirms our story."

At approximately noon today, Assistant Attorney General Will R. Wilson of the Criminal Division called the Director's Office and asked that the Director be advised that they are trying to track down and locate something resembling the 19-page Justice Department memorandum referred to in Anderson's column. He said if the Director had any leads or ideas, they will do their best to track it down although so far they have found nothing. He was advised the Director would be advised and would appreciate his call.

The Special Investigative Division has advised that since Anderson's column came out this morning they started an exhaustive search to ascertain just what this 19-page document might be and what Anderson is talking about. Their efforts have been negative and they have no idea what he is referring to. Crime Records research files have also been checked with negative results.

RECOMMENDATION:

None. For the Director's information.

Jack Anderson's column in 10/6/71 edition of Washington Post captioned "FBI, State Dept. Clash on Soviet Spies," recounts recent action by British Government in expelling 105 Soviet diplomats from that country on basis of disclosures by the Soviet defector, [Redacted] and thereafter alleges that Bureau and State have been squabbling behind scenes over how to deal with Soviet espionage in this country. This is gross misstatement of fact. No controversy exists between Bureau and State as alleged by Anderson. It is true that, historically, State has been reluctant to take firm action against Soviet diplomats in this country on basis of information provided to it by Bureau.

In support of his contention of controversy between Bureau and State, Anderson cites two specific instances in which State did not take affirmative action against Soviet spies: one involved [Redacted] and the other [Redacted]

Anderson's statements concerning [Redacted] are essentially accurate but are repeats of at least two prior disclosures concerning [Redacted] activities which appeared in "Parade" magazine. The undercover agent involved with [Redacted] was used as an informant by us against [Redacted] however, we discontinued him when he demanded that we intercede for him with Immigration and Naturalization Service. [Redacted] is the former [Redacted] whom we detected in what appeared to be illicit relationships with various prominent individuals in Washington area; however, we never did establish that she was functioning for Soviet Intelligence Service. Article regarding [Redacted] promiscuity previously appeared in "Parade" and two of Anderson's columns. (S)

Anderson's column is another example of NOT RESPONSIBLE journalistic actions wherein he revives ancient history and attempts to relate it to some current activity as means of substantiating sensationalist allegations.

SUBJECT: JACK ANDERSON'S COLUMN,  
SEPTEMBER 22, 1971,  
ALLEGING, IN PART, LACK OF  
FBI COOPERATION WITH STRIKE FORCES

Following Assistant Attorney General (AAG) Will Wilson's late afternoon call to Bishop's office on September 22, 1971, reporting that the 19-page document at issue in Jack Anderson's column had been found in the Department's files, the material in question was delivered to your office by a representative of the Criminal Division together with a cover memorandum from Wilson to the Director dated September 22, 1971, commenting on this matter.

Wilson's memorandum recounts that the Department, in response to a letter of request dated May 5, 1971, from Chairman John S. Monagan, House Legal and Monetary Affairs Subcommittee of the House Committee on Government Operations, furnished that Committee, by letter of June 25, 1971, over the Deputy Attorney General's signature, a review of the makeup and purposes of the National Council on Organized Crime, a rundown on its subcommittees, etc., enclosing a 19-page listing of "personnel assigned to strike forces." Wilson indicates that it is his belief that this listing is the 19-page document to which Anderson refers. Wilson makes no comment regarding how this document may have come into Anderson's possession, but pointedly calls the Director's attention to the makeup of the Legal and Monetary Affairs Subcommittee, which includes New Jersey Congressman Cornelius Gallagher, whose embarrassment from questionable association with racket figures could provide him a motive to cooperate with Anderson in his attempt to portray Bureau activities in a critical light.

This 19-page listing of strike force personnel accounts for the assignment of four representatives from the FBI (liaison assignments), one each in four strike force cities. Wilson's reference to exclusive assignment in these four cities is a matter of semantics. As you know, it was approved that we designate a
