Zany Haiti Invasion Attempt Supported By CBS

By JACK ANDERSON

WASHINGTON — The zany details of CBS's abortive attempt to film an invasion of Haiti all the way through to the anticipated "assassination" of Papa Doc Duvalier, the Haitian dictator, is described in a congressional report kept under lock and key.

The invasion plot was a slapstick, Marx Brothers adventure, better suited for an episode of

the spy spoof "Get Smart" than CBS documentary.

At one point, the conspirators, wearing a hidden CBS mike, tried to shake down Papa Doc for \$200,000. They approached the Haitian consul in Miami, Eugene Maximilian, and offered to call off the invasion for a satchel full of greenbacks.

Six of the invasion leaders, ultimately, were convicted of violating U.S. laws. The House subcommittee which investigated the madcap 1966

affair, however, was disappointed that CBS escaped conviction.

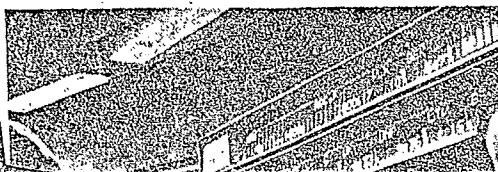

Copies of the subcommittee's report were taken out of the locked files this week and submitted to the members for their comments and corrections. This column has obtained a bootleg copy.

On almost every page, the report rebukes CBS, charging in summary:

"CBS funds were provided for the leasing of a

67-foot schooner which was to be utilized in the invasion force; expenses were reimbursed for transportation of weapons which were subsequently used by conspirators; arrangements were made to Rolando Masferrer, a member of the invasion conspiracy, with full knowledge of his identity and criminal intentions. If these not actually involve the network in the conspiracy,

(Continued On Page 2-A, Col. 1)

Three Viet Cong Drive

Fruit of Islam

On May 2, 1962, a source advised that the Fruit of Islam (FOI) is a group within the Nation of Islam (NOI) composed of male members of the NOI. The purpose of the FOI is to protect officials and property of the NOI, assure compliance of members with NOI teachings and to prepare for the "War of Armageddon." Members of the FOI are required to participate in military drill and are afforded the opportunity to engage in judo training. The FOI is governed by a military system wherein the members are controlled by general orders similar to those issued by regular military organizations.

UPI-52

ADD 1 SECRECY, WASHINGTON (UPI-55)

ANDERSON LATER TOLD NEWSMEN THAT PRESIDENT NIXON WAS NOT INTERESTED IN READING THE ALLEGED FBI SEX REPORTS AND CONSEQUENTLY THEY ARE NOT FURNISHED TO HIM.

ANDERSON SAID HE HAD NO DIRECT PROOF THAT HOOVER "HAPPILY" AND PERSONALLY PREPARED THE MEMOS BUT HE SAID FROM WHAT IS KNOWN ABOUT THE FBI HE COULD SAFELY ASSERT THAT NOTHING OF IMPORTANCE WENT ON THERE WITHOUT HOOVER'S "CONCURRENCE."

THE KNOWLEDGE THAT JOHNSON "ENJOYED" THE REPORTS AS "BEDTIME READING," SAID ANDERSON, CAME TO HIM VIA "WHITE HOUSE SURGES."

ANDERSON SAID HE NOT ONLY OBTAINED THE DOCUMENTS FROM WHITE HOUSE SERVICES BUT THAT HE COPIED THEM "RIGHT ON THE WHITE HOUSE PREMISES."
