Subject: FOIA logs

Hello,

we have already generated the FOIA logs for FY2006 and FY2007 (which ended September 30, 2007).

I believe this meets most of what you asked for. I'm not sure there is a way to easily generate the addresses of businesses these are Agency-wide.

Please take a look - they are in Excel format - and then email me w/your comments.

thanks.
