United States Department of the Interior

OFFICE OF THE SECRETARY
Washington, D.C. 20240

DEC 19 2007

Re: FOIA Control No. 07725

This responds to your Freedom of Information Act (FOIA) request dated July 29, 2007, received in this office on August 8, 2007, relating to:

> "The Freedom of Information Act (FOIA) log maintained by the Department of the Interior. At a minimum, the log might be expected to include the ordinarily included fields, and certainly would include the "subject of request" field. The formatting is up to you but I ask that you include as many fields from the FOIA Log database as is practical, including any notes or other status or disposition information. However, I recognize that your FOIA Case Log may be nonstandard in format and I would appreciate any portions you can provide"

Responsive to your request we are providing you with a copy of the Bureau of Indian Affairs 2006/2007 FOIA logs, which we are enclosing with the following exceptions,

> The names, allotment numbers, of the individuals have been deleted on each page, 1 through 160 of this material. The Department maintains that the individuals identified in the records have privacy interests in withholding this information. We do not perceive, nor have you enunciated, any public interest that would be served in disclosing this data, which would outweigh the privacy interests of the subject individuals. The release of the individuals' names, addresses, and social security numbers would be a violation of their privacy. Therefore, we are withholding this information under exemption 6 of the FOIA (5 U.S.C. § 552 (b)(6) which permits an agency to withhold "personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy."

The fee for processing of this request before taking your fee category into account, would have been $39.40.

160 pages of duplication at $0.13 per page	$20.80
2 hours of professional search @ $9.30 per ¼ hour	$18.60

However, you are considered an "other-use" requester which entitles you to receive up to two hours of free search time and the first 100 pages of duplication free. The remaining $7.80 charge

is below the Departmental threshold for charging. Therefore, there is no chargeable fee for the processing of this request.

In addition to myself, the official responsible for this partial denial is Laura Cloud, Indian Affairs FOIA Officer. This decision was made in consultation with John Jasper, in the Office of the Solicitor. In accordance with 43 CFR 2.28(a)(1), you may appeal this partial denial to:

FOIA Appeals Office
Attention: FOIA Appeals Officer
U.S. Department of the Interior
1849 C Street, N.W. Mail Stop 6556
Washington, D.C. 20240

Your appeal must be in writing and received no later than 30 workdays after the date of this letter or 30 workdays after the records have been made available. A copy of your original request and this denial letter should accompany the appeals as well as a detailed statement of the reasons why you believe this initial decision to be in error. The appeal should be marked "FREEDOM OF INFORMATION APPEAL" both on the envelope and the face of the letter

If you have any questions concerning your request, please contact Laura Cloud, FOIA Officer at (202) 208-4542.

Sincerely,

for

Debbie L. Clark
