BOARD OF GOVERNORS  
OF THE  
**FEDERAL RESERVE SYSTEM**  
WASHINGTON, D. C. 20551

ADDRESS OFFICIAL CORRESPONDENCE  
TO THE BOARD

September 27, 2012

This is in response to your correspondence dated June 24, 2012, and received by the Board on June 25. Pursuant to the Freedom of Information Act (the "Act"), 5 U.S.C. § 552, you request:

a copy of the agendas and minutes/notes from the FRB PUBWEB Committee for whatever span of time is readily retrievable within a two hour time period. PUBWEB is the FRB working group that evaluates what information should be published in the FRB website.

Staff searched Board records and located information responsive to your request, *i.e.*, agendas from the PUBWEB Management Team meetings.<sup>1</sup> I have determined, however, that portions of these documents contain or consist of Board staff's internal deliberative analysis and pre-decisional recommendations. Such information is subject to withholding and will be withheld under the authority of exemption 5 of the Act, 5 U.S.C. § 552(b)(5). The documents have been reviewed under the requirements of subsection (b) of the Act, 5 U.S.C. § 552(b), and all reasonably segregable nonexempt information will be provided to you. The documents being released to you will indicate the amount of information that has been withheld and the applicable exemption.

---

<sup>1</sup> In your request, you indicate that you are interested in the "PUBWEB Committee" and assert that "PUBWEB is the FRB working group that evaluates what information should be published on the FRB website." Please be advised that the Board does not have a "PUBWEB committee" that evaluates what information should be published on the Board's public website. Rather, each division is responsible for identifying records that it considers appropriate for posting, and the PubWeb Management Team meets to discuss resource allocation, timing, legal, and other technical and communications issues. Because the Board does not have a "PUBWEB Committee" of the sort described in your FOIA request, your request is interpreted as covering the agendas from PubWeb Management Team meetings, as no formal minutes or notes were prepared.

Your request for information, therefore, is granted in part and denied in part for the reasons stated above. The Board's Freedom of Information office will provide you with the documents being made available to you pursuant to this authorization under separate cover. If you believe you have a legal right to any information that is being withheld, you may appeal this determination.<sup>2</sup>

Very truly yours,

Margaret McCloskey Shanks  
Associate Secretary of the Board

---

<sup>2</sup> Please note that an appeal must be filed (that is, received by the Board) within 10 working days of the date on which the denial was issued or the date on which documents in partial response to the request were transmitted to you, whichever is later. You may submit your appeal by mail, addressed to the Freedom of Information Office, Board of Governors of the Federal Reserve System, 20th & C Street, N.W., Washington, D.C., 20551, by facsimile, to 202-872-7565, or electronically, to [FOIA-Appeals@frb.gov](mailto:FOIA-Appeals@frb.gov). Please be aware that submitting an appeal by postal mail can result in delays due to mail processing. The Board's regulations regarding FOIA appeals are located at 12 CFR 261.13(i).
