BANK-13-1442-I	FY 2013 BANK INITIATIVE	During this reporting period, the OIG's for FDIC, FRB, and Treasury started an initiative to conduct the investigations of failed banks jointly. The OIG has partnered with these agencies to bring to justice individuals who have defrauded the financial institutions within the jurisdiction of the three agencies, which includes circumventing or impeding the regulators examination processes. The joint initiative's collective efforts will be a deterrent to others contemplating criminal activity and help maintain the public's confidence in the nation's financial system. Our oversight includes Treasury's financial institution regulators—the Office of the Comptroller of the Currency (OCC) and legacy Office of Thrift Supervision (OTS) (OTS was merged with OCC in 2012). In addition our office receives information regarding regulator obstruction from DOJ, law enforcement agencies, and other sources.	10/8/2013

BFS-13-0144-I	BUREAU OF FISCAL SERVICE - PAYMENT FRAUD CASE DEVELOPMENT INITIATIVE	In October 2012, the Office of Investigations (OI) embarked on an initiative surrounding fraud related to the payments made by the Bureau of Fiscal Service (BFS). This initiative will cover payments made including U.S. Treasury checks (CFIF & Non- CFIF) and ACH fraudulent payments including redirected benefit fraud. Tax refund fraud schemes paid by Treasury check or ACH payment are included. The ACH and Treasury check payment system is managed by the BFS and creates a mechanism for BFS to send payments authorized by a federal paying agency to authorized payees. As such OI receives information from BFS and a number of other sources on a monthly basis related to the investigative leads involving ACH and Treasury check fraud. Branch 3 is opening a case number in the case management system for OI to allow agents to utilize it for case development, and to document agent activities. This case will be closed at the end of the fiscal year with a brief memorandum summarizing the year's activities.	10/10/2013

MSB-13-0164-I	FY 2013 MSB INITIATIVE	In October 2010, the Treasury Office of Investigations (TOIG) embarked on an initiative surrounding fraud related to unlicensed/unregistered Money Service Businesses (MSB) in in violation of 18 USC § 1960, or licensed/registered MSBs that are involved in unlawful activities. The current rules amended in 1999 by the Financial Crimes Enforcement Network (FinCEN) revised the regulatory definitions of certain non-bank financial institutions for purposes of the Bank Secrecy Act (BSA) and grouped the definitions into a separate category of financial institution called MSBs.	10/8/2013

A business that meets one or more of the definitions of a type of MSB is an MSB and must comply with BSA requirements applicable to it as an MSB, as a financial institution and as a specific type of MSB. An MSB includes any person doing business, whether or not on a regular basis or as an organized business concern, in one or more of the following capacities: (1) currency dealer or exchanger, (2) check casher, (3) issuer, seller or redeemer of traveler's checks, money orders or stored value, (4) money transmitter, or (5) US Postal Service. Furthermore, an activity threshold of greater than \$1,000 per person per day in one or more transactions applies to the definitions of: currency dealer or exchanger; check casher; issuer of traveler's checks, money orders or stored value; and seller or redeemer of travelers' checks, money orders or stored value.

	This case will be closed at the end of the fiscal year with a brief memorandum summarizing the year's activities.
