MEMORANDUM OF UNDERSTANDING
Concerning an Appalachian Regional Development Initiative
Between and Among
Appalachian Regional Commission and
United States Department of Agriculture, United States Department of Commerce, United States Department of Education, United States Department of Health and Human Services, United States Department of Housing and Urban Development, United States Department of the Interior, United States Department of Labor, United States Department of Transportation, United States Department of the Treasury, United States Environmental Protection Agency, United States Small Business Administration, and National Endowment for the Arts

I. Purpose
This Memorandum of Understanding (Memorandum) is entered into by the signatory agencies to establish an interagency collaboration and action plan specifically designed to strengthen and diversify the Appalachian economy, improve the health and welfare of its people and to protect the environment. This Memorandum aims to better deploy and coordinate Federal resources in the Appalachian Region, and implement the goals, strategies and purposes of the Appalachian Regional Development Act of 1965, as amended. This Memorandum includes short-term goals to organize a Federal outreach initiative to assist with immediate capacity needs in the Region, as well as long-term goals to facilitate the cooperation and collaboration of Federal agencies and to disseminate policy and funding strategies to State and local partners.

II. Authority
Under the provisions of the Appalachian Regional Development Act of 1965, as amended (40 U.S.C. 14101-14704), the Appalachian Regional Commission (ARC) is authorized to serve as a focal point and coordinating unit for Appalachian programs and to seek to coordinate the economic development activities of, and the use of economic development resources by, Federal agencies in the Appalachian Region (40 U.S.C. 14303 (a) (7) and (10)).

III. Background
The Appalachian Region of the United States, as defined by statute, includes all of West Virginia and portions of 12 other States, including Alabama, Georgia, Kentucky, Maryland, Mississippi, New York, North Carolina, Ohio, Pennsylvania, South Carolina, Tennessee, and Virginia. Appalachia is generally characterized by three main sub-regions – Northern, Central and Southern – each possessing unique socioeconomic challenges. Approximately 25 million people live in the 205,000 square mile area called Appalachia, encompassing 420 counties.

Appalachia faces a combination of challenges that few other regions of the country experience, including mountainous terrain, dispersed population, limited access to higher education, shortages of financial and human capital, and lower per capita public investment. These challenges have resulted in lower rates of educational attainment and higher rates of poverty and underemployment. Appalachia also experiences continued underinvestment in critical infrastructure-related work, including broadband, and wastewater and drinking water systems. In addition, the Appalachian Region experiences significant health disparities and a lack of access to health care. The most recent economic downturn has compounded these challenges, and Appalachia has been affected even more severely than the nation as a whole.
IV. Findings

To help better understand Appalachia’s unique situation, several signatory agencies to this Memorandum performed an economic assessment of the Region and sought the input of Appalachian citizens through a series of listening sessions held in the Region and on an online public comment website. The assessment reported that the well-being of the Appalachian people remains below the national average on a wide range of key indicators, including high rates of unemployment, disability, health disparities, and poverty, coupled with low per capita incomes and college graduation rates. The assessment concludes that the combination of these challenges has greatly hindered economic development in Appalachia. At the same time, Appalachians who attended the listening sessions expressed frustration with the Region’s overdependence on single-sector employment and concern over health issues associated with environmental challenges. Attendees repeatedly requested help to take advantage of 21st century educational and employment opportunities. Citizens were also concerned over the shortage of regional economic development strategies and the lack of coordination to address challenges by Federal, State, and local agencies.

The signatory agencies to this Memorandum find that these aforementioned concerns represent critical challenges for Appalachia that could be more effectively addressed through a coordinated and targeted Federal response, a strategy for which is outlined herein.

V. Actions and Responsibilities

In response to these findings, the signatory agencies intend to:

a) Commit one representative to an Interagency Coordinating Council (Council) on Appalachia. The Council, which is to be chaired by the ARC Federal Co-Chair, shall consist of a senior representative designated by each agency head. The Council will meet in person at the beginning of each fiscal year to commence yearly coordination efforts and periodically thereafter to share information, establish policy priorities, and, where appropriate and consistent with applicable statutory and regulatory authority, share information on new and current funding opportunities and activities in the Region. The ARC Federal Co-Chair will be responsible for organizing and hosting these meetings.

b) Commit local Federal agency representatives to three regional steering committees covering each of Northern, Central, and Southern Appalachia. (See attached map for regional breakout) Representatives on these steering committees should be senior agency field staff that work in the Northern, Central, and Southern regions. The steering committees will be responsible for coordinating Federal activities in each sub-region and making policy recommendations to the Council. Each steering committee is to meet at least once each fiscal year and will be comprised of Federal personnel only.

c) Support the Council’s efforts to develop a strategy to further the purposes of the Appalachian Regional Development Act (ARDA) of 1965, as amended (40 U.S.C. 14101-14704). The Council will examine which agencies are best suited to work towards the fulfillment of the different purposes of ARDA, and ascertain ways the agencies can work with Federal, State, and local partners to advance these elements. As part of this effort, the Council will work with participating agencies to gather information on prior year funding in Appalachia. In addition, the Council will work with agencies to identify challenges encountered in their work in Appalachia and help formulate mitigating strategies.

d) Through the Council, collaborate with States, local governments, and regional stakeholders, as appropriate, to develop strategic initiatives and partnerships to pursue particular goals developed through this initiative.
Participate in a Federal technical assistance outreach initiative across Appalachia to better inform citizens on how to access Federal grant assistance programs. Each agency agrees to participate in strategic outreach sessions during which their programs are to be showcased and described to State and local stakeholders. These sessions are to be designed and organized by the Council, in partnership with the Northern, Central, and Southern Appalachian regional steering committees, and are to occur as necessary at the agreement of the group.

Collaborate with a Federal Advisory Board to assess demographic, economic, and natural resource trends in the Appalachian Region and identify issues where additional Federal attention is needed to support community and regional development efforts. The Federal Advisory Board is to be chaired by a representative from the Department of Agriculture’s Economic Research Service and will coordinate closely with the Council. The Board will be composed of Federal Government social scientists with expertise in research areas relevant to the development challenges and opportunities in the Appalachian Region.

Actively seek opportunities, as appropriate, to collaborate with other Federal agencies to support activities and investments in Appalachia related to the goals of this Memorandum.

VI. Period of Agreement and Limitations

a) This Memorandum of Understanding will terminate on September 30, 2016, but may be extended or amended at any time by mutual written agreement of signatory agencies.

b) This Memorandum does not create any right or benefit, substantive or procedural, enforceable by law or equity, by persons who are not signatory agencies to this agreement, against any party, their officers or employees, or any other person. This Memorandum does not direct or apply to any person outside of any of the signatory agencies.

c) As required by the Antideficiency Act (31 U.S.C. 1341 and 1342), all commitments made by any signatory agencies in this Memorandum are subject to the availability of appropriated funds and budget priorities. Nothing in this Memorandum, in and of itself, obligates any signatory agency to expend appropriations, to enter into any contract, assistance agreement, or interagency agreement, or to incur other financial obligations. Any transaction involving transfers of funds between the signatory agencies to this Memorandum will be handled in accordance with applicable laws, regulations, and procedures under separate written agreements.

d) Nothing in this Memorandum shall obligate any of the signatory agencies to undertake any activity not consistent with that agency’s laws, regulations, or priorities.

INTERAGENCY AGREEMENT

PURSUANT TO THE ECONOMY ACT

Through which the National Endowment for the Arts (NEA), Independent Agency

is Purchasing Services

to Produce its “Arts and Cultural Production Satellite Account” (ACPSA)

From the Bureau of Economic Analysis (BEA), U.S. Department of Commerce

NEA Agreement #: G12-00034

BEA Agreement #: RA 12 NEA 757

1. **PURPOSE AND PARTIES**

This Interagency Agreement establishes an agreement between the National Endowment for the Arts (NEA) and the Bureau of Economic Analysis (BEA), United States Department of Commerce (DOC) through which NEA will pay BEA for the full cost to produce statistics describing the industries producing, or industries providing goods and services to assist in the production of arts and culture. The resulting product will be termed the “Arts and Cultural Production Satellite Account” (ACPSA).

The foundation for this new account will be the BEA Benchmark Input-Output Table which provides the foundation for most of the accounts in BEA including gross domestic product (GDP).

2. **BACKGROUND**

The National Endowment for the Arts was established by Congress in 1965 as an independent agency of the federal government. To date, the NEA has awarded more than $4 billion to support artistic excellence, creativity, and innovation for the benefit of individuals and communities. The NEA extends its work through partnerships with state arts agencies, local leaders, other federal agencies, and the philanthropic sector.
3. **AUTHORITY**

The authorities for BEA and NEA to enter into this agreement are:

(1) The Economy Act, 31 U.S.C. § 1535, which provides that an agency may place an order with a major organizational unit within the same agency or another agency for goods or services if:
   (A) Amounts are available;
   (B) The ordering agency decides the order is in the best interest of the United States Government;
   (C) The agency to fill the order is able to provide or get by contract the ordered goods or services; and
   (D) The agency decides ordered goods or services cannot be provided by contract as conveniently or cheaply by a commercial enterprise (payments must be made on the basis of the actual cost of goods or services provided).

(2) The programmatic authority under which the Bureau of Economic Analysis provides these services is Title 15 U.S.C. Section 1516, which authorizes the Secretary of Commerce to control the gathering and distributing of statistical information naturally relating to the subjects confided to his department.

The programmatic authority under which the National Endowment for the Arts is authorized to enter into this agreement pursuant to Section 5(o) of the National Foundation on the Arts and the Humanities Act of 1965 as amended [20 U.S.C. 951, 954(o)].

4. **ECONOMY ACT FINDINGS**

As set forth in the attached "Determinations and Findings Pursuant to 48 CFR 17.503," NEA warrants that sufficient funding amounts are available, that this agreement is in the best interest of the United States Government, and that the services requested cannot be provided by contract as conveniently or cheaply by a commercial enterprise. BEA warrants that it is able to provide the requested services.

5. **TERMS AND CONDITIONS**

Funding and financing for this agreement will not exceed $2,500,000.00. NEA will provide funding in the amount of $1,500,000 in FY2012 and amendments in FY 2013 and FY 2014 for the purpose of adding $500,000.00 each year. This funding will reimburse BEA's costs incurred during fiscal years 2012 through 2014 to produce statistics describing the industries producing or providing goods and services in the production of arts and culture. BEA will bill the $1.5M for services and/or goods provided from when this agreement is signed until 09/30/2013.
6. **STATEMENT OF WORK**

The Bureau of Economic Analysis (BEA) promotes a better understanding of the U.S. economy by providing the most timely, relevant and accurate economic account data in an objective and cost-effective manner. BEA’s Benchmark Input-Output (I-O) accounts provide the foundation for nearly all the estimates of BEA including gross domestic product. BEA is the agency responsible for producing these I-O accounts.

Satellite Accounts are supplemental accounts that expand the analytical capacity of the main accounts by focusing on a particular aspect of economic activity. BEA currently produces three sets of satellite accounts: The travel and tourism satellite account; the research and development satellite account; the health care satellite account. Previously BEA produced a transportation satellite account.

Experience from developing and maintaining these accounts will assist BEA in producing this new account. Likewise, the NEA's experience in conducting economic research and analysis of arts and cultural industries will assist BEA in producing the account. BEA and the NEA's Office of Research & Analysis will be in regular and frequent communication and consultation throughout this process.

**During FY 2012 BEA will produce a Project Plan for the Arts and Cultural Production Satellite Account or ACPSA which will include:**

- The Background on satellite account concepts and structures as defined by the BEA and international guidelines on national accounting
- Distill research carried out by other nations in the area of cultural statistics
- Present a preliminary listing of detailed industries and commodities BEA plans to include in the account
- The satellite account for Arts and Cultural Production will include those industries and commodities associated with establishments
  - Whose output is intended chiefly as a function of creative or cultural engagement
  - Whose goods and services are intended chiefly to facilitate public access to such output

**During FY 2013 BEA will produce preliminary estimates for the ACPSA which will include:**

- Nominal estimates of annual output by detailed ACPSA industries
- Direct employment estimates by detailed ACPSA industries
- Indirect employment estimates by detailed ACPSA industries
- Compensation estimates by detailed ACPSA industries
- "Value-added" estimates by detailed ACPSA industries

These estimates will be based on the structure of the U.S. economy as defined by the BEA 2002 Input-Output Accounts. They will employ methods consistent with those used to estimate gross domestic product, national income, and other national economic measures published by BEA.
During FY 2014 BEA will produce final estimates for the ACPSA which will include:

- Revisions and extensions to the estimates provided in FY 2013
- An article in the *Survey of Current Business*

This Interagency agreement (IAA) establishes an agreement between the National Endowment for the Arts (NEA) and the Demographic Surveys Division (DSD), U.S. Census Bureau (Census), through which NEA will pay DSD to plan, coordinate, conduct, process, and deliver data from the 2013 Public Participation in the Arts (PPIA) Supplement. The purpose of the PPIA is to obtain information on type and frequency of adult participation in the arts; training and exposure (particularly while young), an their musical and artistic activity preferences. The PPIA Supplement was last collected in May 2008 and there are activities underway for the July 2012 data collection. Although PPIA is generally collected every five years, the 2013 collection will be a shorter version of the larger supplement and will be collected every year. It was previously collected in conjunction with the National Crime and Victimization Survey (NCVS) in 1982, 1985, and 1992. The 1997 collection was conducted by the Westat Corporation. See attached Statement of Work.

Should the NEA staff require access to Title 13 data from this survey to assist in the planning, data collection, data analysis, or production of final products, those staff members are required to obtain Census Bureau Special Sworn Status (SSS). They must demonstrate that they have suitable background clearance and they must take Title 13 Awareness Training. Any access to Title 13 data at the NEA is subject to prior approval by the Census Bureau’s Data Stewardship Executive Policy Committee upon assurance that the NEA facility and information technology security meet Census Bureau requirements.

INTERAGENCY AGREEMENT
BETWEEN THE DEPARTMENT OF EDUCATION AND
THE NATIONAL ENDOWMENT FOR THE ARTS

The Department of Education (ED) and the National Endowment for the Arts (Endowment) enter into this interagency agreement for a joint project to support the activities of the Arts Education Partnership.

The purpose of the Arts Education Partnership is to strengthen arts education as an integral part of the elementary and secondary school curriculum, to help ensure that all students meet challenging State content standards, to assist in the development and implementation of assessments, and to support the national effort to enable all students to demonstrate competence in the arts. The passage of the No Child Left Behind Act made the arts one of the ten core academic subjects. This provides an important opportunity for the arts to become a part of the core curriculum for all students. While No Child Left Behind holds schools accountable for reading, math, and science, the arts are recognized as an important part of the core experience for all children.

Under this agreement, ED through its Office of Innovation and Improvement (OII) will provide $350,000 to the Endowment in FY 12 for the Arts Education Partnership. The Endowment will enter into a cooperative agreement with the Council of Chief State School Officers (CCSSO) to manage the Arts Education Partnership and will provide the Arts Education Partnership with $700,000 ($350,000 from NEA and $350,000 from ED) in FY 12. This agreement amends the current agreement, signed in September 2011.

AUTHORITY

This agreement is authorized by:

Section 430 of the General Education Provisions Act (GEPA) (20 U.S.C. 1231, (et seq.) authorizes the Secretary of Education to enter into arrangements with other Federal agencies to jointly carry out projects of common interest, to transfer such funds appropriated under any applicable program consistent with the statutes authorizing the appropriations of such funds, and to use the administering agency’s procedures to award contracts or grants.

The Secretary shall provide notice to the Education and the Workforce Committee of the House of Representatives and the Health, Education, Labor and Pensions Committee of the Senate of this joint funding agreement not later than 60 days after the effective date of this agreement.
ACTIVITY DESCRIPTION

The Arts Education Partnership was formed in 1995 through a cooperative agreement between the United States Department of Education and the National Endowment for the Arts, the National Assembly of State Arts Agencies, and the Council of Chief State School Officers. Over 150 national organizations committed to promoting arts education in elementary, secondary schools and institutions throughout the country have joined the Partnership to help states and local school districts integrate the arts into their educational improvement plans under federal, state, and local initiatives. The Partnership works closely with state teams composed of representatives from the state education agency, state arts agency, and the state alliance for arts education. The Partnership is not an advisory body to the Endowment or the Department of Education.

The National Endowment for the Arts and the United States Department of Education, with the support of the private sector, wish to support the continuation of the Arts Education Partnership to facilitate planning, communication, research, and collaboration among the national organizations, government agencies, foundations, and businesses that share the goal of making the arts part of basic education, consistent with the AEP strategic plan and goals.

Under this Agreement in FY 12, the Department of Education shall:

- Transfer $350,000 to the National Endowment for the Arts to fund the Arts Education Partnership. Funds transferred by ED for this purpose will be provided through Title V, Part D, Subpart 15 (Arts in Education) of the Elementary and Secondary Education Act;
- Monitor the cooperative agreement with the Arts Education Partnership through OII;
- Meet with the Endowment and a representative of Arts Education Partnership for quarterly discussions of completed activities, planned activities, and coordination of activities among the entities; and
- Participate in the Arts Education Partnership, including its Governance Committee.

The National Endowment for the Arts shall be the lead agency for this project. The cooperative agreement shall be governed by established Endowment procedures. The Endowment shall:

- Enter into a cooperative agreement with the CCSSO to facilitate and coordinate the activities of the Arts Education Partnership.
- Provide CCSSO with $700,000 ($350,000 from the Endowment and $350,000 from ED) in FY 12 to fund the Arts Education Partnership.
Monitor and supervise the cooperative agreement and the Arts Education Partnership through the Arts Education Director and assigned program staff;

Ensure that ED’s designated representatives are notified of all meetings of the Partnership, its Governing Committee, and meetings with public and private funders noted previously in this document;

Ensure that ED is provided a semi-annual interim performance report;

Ensure that ED is provided with disseminated materials on a regular basis;

Ensure that ED and OII receive appropriate credit for supporting any activities and products developed and disseminated as a result of the activities supported with these funds;

Ensure that OII is provided with a copy of the Cooperator’s final report 45 days after receipt by the NEA;

Administer and account for ED funds in accordance with applicable statutory and regulatory requirements; and

Participate in the Arts Education Partnership, including its Governance Committee.

The Executive Director of the Arts Education Partnership will facilitate planning, communications, and collaborative actions by participants in the Arts Education Partnership. In continuing the Arts Education Partnership, the Executive Director will:

Coordinate planned objectives;

Develop and implement specific measures that are clearly defined and carefully integrated into AEP’s strategic plan. Progress on these measures will be described in a brief mid-year and a more substantial end of year report;

Facilitate periodic meetings and subcommittee meetings of the Partnership participants;

Include at least one session at each meeting that focuses on models that reflect promising arts education practices;
• Include "choice" schools that have an arts theme or integration of arts at schools with promising arts education practices;

• Continue the focus on research and evaluation, with at least one session at each meeting on either one or both topics;

• Work with participating organizations to create a commitment to the Partnership's mission among their state and local officials and constituents;

• Provide a speaker or topic for the annual Arts Project Directors meeting;

• Maintain regular communications with participants of the Partnership and disseminate information through the AEP listserv to include but not limited to announcements of upcoming grant competitions and abstracts and/or other relevant information on Department of Education Arts-in-Education grants and initiatives on the AEP's website, listserv, and other means of communication to Partnership members;

• Select and manage a fulltime Associate for Research in the field of arts education;

• Serve as a catalyst in encouraging partnerships among participants;

• Maintain a database of state changes in the inclusion of arts as an integral part of education and the inclusion of arts in the states assessments and make that data available to ED and the Endowment;

• Assure additional resources are secured to implement the priorities outlined in the Arts Education Action Plan and annual work plan; and

• Disseminate promising practices to key audiences, including information and research developed through U.S. Department of Education arts education grants programs.

TRANSFER OF FUNDS

Upon execution of this agreement, the Endowment shall initiate the transfer of $350,000 from the Department of Education through the Intra-Government Payment and Collection (IPAC) system. In FY 12, ED will provide $350,000 to the Endowment and include the ability for either entity to adjust the dollar amount.

TERM OF AGREEMENT

This interagency agreement shall become effective on the date of the last signature herein.

This agreement may be modified or amended only upon written request of either party and with the concurrence of the other party.
This interagency agreement may be terminated at any time earlier upon 30 calendar days advance written notice by one Party to the other.

**EFFECTIVE DATE AND DURATION**

MEMORANDUM OF UNDERSTANDING
BETWEEN THE
NATIONAL ENDOWMENT FOR THE ARTS
AND THE
U.S. ENVIRONMENTAL PROTECTION AGENCY

WHEREAS, the purpose of the original interagency agreement between the National Endowment for the Arts (NEA) and the U.S. Environmental Protection Agency (EPA) was to partner in supporting the Governors’ Institute on Community Design (Governors’ Institute);

WHEREAS, the goal of the Governors’ Institute is to provide training and technical assistance to governors and other key state officials about the costs of sprawling land-consummptive development and the benefits of regional and community design;

WHEREAS, EPA provided funds to NEA to support the Governors’ Institute initiative under a 2005 interagency agreement and NEA contributed its own resources as well;

WHEREAS, NEA competitively selected a cooperative agreement recipient, the Smart Growth Leadership Institute of Smart Growth America (collectively Smart Growth), to conduct major responsibilities for Governors’ Institute;

WHEREAS, the NEA no longer intends to fund the Governors’ Institute beyond December 31, 2011, and the EPA intends to continue funding the Governors’ Institute at appropriate levels determined by the EPA;

NOW THEREFORE, the NEA and EPA (collectively, the Parties, and individually, a Party) mutually agree as follows:

ARTICLE I – OBJECTIVE

This Memorandum of Understanding (MOU) establishes the terms and conditions under which the NEA may transfer its responsibilities and any related rights concerning the Governors’ Institute initiative to EPA. For this purpose, the NEA, resolves to provide the necessary resources and software used during the Parties’ partnership to EPA pursuant to the terms contained herein.
ARTICLE II – IMPLEMENTATION

A. The details of all transfers of software and related items are set forth in this MOU.

B. The NEA is to notify the cooperator, Smart Growth, in writing that the NEA will not be providing financial assistance for the Governors’ Institute beyond the December 2011 end dates of the FY09 and FY10 cooperative agreements between NEA and Smart Growth. Additionally, NEA is to advise Smart Growth of the federal government’s rights under 2 CFR 215.36 to obtain, reproduce and use materials and data produced under the NEA cooperative agreement for federal purposes, and to authorize others to do so.

C. The NEA has requested that Smart Growth take the following steps:

1. Ensure that the maintenance fees and all other related fees, for the Governors Institute web site if any, are current and continue to be paid on a timely basis through the end of December 2011. All costs incurred by December 31, 2011, by Smart Growth must be paid within 90 days of this date.

2. Forward all passwords and/or access codes for the website to the NEA no later than September 30, 2011. Smart Growth will still use the passwords and access codes through the end of the FY09 and FY10 cooperative agreements in December 2011.

3. Advise the NEA if Smart Growth has any knowledge of any website-related matters that the NEA should communicate to EPA to ensure that the website functions properly.

4. Provide a list of all Governors' Institute materials and data sets, including archived materials and data sets, in Smart Growth's possession that were developed or produced with NEA funds.

5. Provide final reports for the FY09 and FY10 cooperative agreements to the NEA no later than 90 days after December 31, 2011.

D. The NEA is to provide EPA with an interim letter once Smart Growth has completed the actions set forth in Article II.C. 1-4. The NEA is to provide the EPA with a close-out letter for the 2005 interagency agreement once the NEA has received Smart Growth’s final reports, as provided in Article II.C.5.

E. The EPA intends to issue a Request for Proposals to provide financial assistance for continuation of the Governors’ Institute. The EPA may seek representatives from the NEA to participate on the review panel for the Request for Proposals.
F. The EPA intends to maintain documents and other materials, archived and otherwise, related to the Governors’ Institute that EPA receives from Smart Growth or the NEA in accordance with EPA Records Retention Schedules applicable to interagency agreements and financial assistance agreements.

ARTICLE IV – TRANSFER OF WEBSITE

A. As provided in 2 CFR 215.36, the NEA reserved a royalty-free, nonexclusive and
irrevocable right to reproduce, publish, or otherwise use the website content for Federal purposes and to authorize others to do so under the terms of NEA’s cooperative agreement with Smart Growth. Upon receipt from Smart Growth of the necessary passwords, the NEA will transfer the website, including any and all intellectual property rights, to EPA. Upon receipt, EPA intends to determine whether to continue to operate the Governors’ Institute pending EPA’s selection of a financial assistance recipient to continue the project.

B. To the extent that the website includes any additional content, data sets or software that are not subject to 2 CFR 215.36 and are proprietary to a third party, the EPA will have to seek any relevant rights or releases directly, including any rights related to website development by Smart Growth or Studio Press.

C. The NEA is to obtain all necessary passwords and any other relevant access information from Smart Growth and provide such information to the EPA.

ARTICLE V – TRANSFER OF TRADEMARK

A. The NEA shall assign ownership of the Governors’ Institute trademark to EPA through the Parties’ signature to this MOU.

C. The EPA shall, upon the trademark’s assignment, assume full responsibility and control of the Governors’ Institute trademark.

ARTICLE VI – FINANCIAL PROVISIONS

The NEA will no longer provide funding to the Governors’ Institute initiative. Smart Growth, the NEA’s cooperator, may not enter into any new obligations on behalf of the Governors’ Institute initiative after December 31, 2011. Smart Growth has ninety (90) days following December 31, 2011, to satisfy all financial obligations that it incurred for the Governors’ Institute initiative. The NEA acknowledges that all financial matters related to work performed by Smart Growth through December 31, 2011 are to be directed to NEA. The EPA acknowledges that all financial matters from the date of signature of this MOU regarding the website and any new initiatives on behalf of the Governors’ Institute are to be directed to the EPA. However, this MOU does not in and of itself require EPA to incur financial obligations relating to the Governors’ Institute and all commitments EPA makes under this MOU are subject to the availability of appropriated funds and EPA budget priorities. Any transaction involving transfers of funds between the parties to
this MOU will be handled in accordance with applicable laws, regulations, and procedures under separate written agreements.

**ARTICLE X – RESOLUTION OF DISAGREEMENTS**

The Parties are to resolve any disagreement regarding the interpretation or application of this Agreement in consultations between the Parties. This MOU does not create any right or benefit, substantive or procedural, enforceable by law or equity, by persons who are not party to this agreement, against NEA or EPA, their officers or employees, or any other person. This MOU does not direct or apply to any person outside of NEA and EPA.

**ARTICLE X – COMMENCEMENT/MODIFICATION/TERRMINATION**

This MOU is to take effect upon the signature of the Parties and remain in effect until completion of the website transfer in accordance with Articles II and IV and the trademark transfer in accordance with Article VI. This MOU may be modified, at any time per the mutual written consent of the Parties. Additionally, a Party may terminate its participation in this MOU at any time by providing written notice to the other Party[ies], at least 30 days in advance of the desired termination date.

A National Academies Study of Research Gaps and Opportunities for Exploring the Arts’ Relationship to Health and Well-Being in Older Adults

SCOPE OF WORK

January 30, 2012

PROJECT SUMMARY

Rationale:

The National Endowment for the Arts (NEA) and three National Institutes of Health (NIH) partners propose to commit a total of $100,000 toward a National Academies workshop on the effects of arts programs and interventions on health- and quality-of-life-related outcomes in older Americans. Sponsoring agencies include the National Institute on Aging (NIA), the National Center for Complementary & Alternative Medicine (NCCAM), and the NIH’s Office of Behavioral and Social Sciences Research (OBSSR).

The study would take the form of a series of commissioned papers, a public workshop, and a transcript of the proceedings. The goal of the study is to provide the NEA and the three co-sponsoring agencies with a literature review, gap-analysis, and suggestions that will inform programmatic priorities and identify research opportunities linking the arts to health and life-span development.

Statement of Task:

The Division of Behavioral and Social Sciences and Education, with input from the Institute of Medicine, will appoint a steering committee to organize a workshop on research gaps and opportunities for exploring the relationship of the arts to health and well-being in older adults. The Committee on National Statistics in DBASSE will coordinate the input of other relevant DBASSE units (such as the Board on Behavioral, Sensory, and Cognitive Sciences and Committee on Population) and the Institute of Medicine in appointing the steering committee, developing the workshop agenda, and identifying commissioned paper authors and discussants.

The workshop will cover the current state of evidence and potential research questions for one or more of the following topics to be determined by the steering committee in consultation with the workshop sponsors, which are the National Endowment for the Arts, the National Institute on Aging, the National Center for Complementary & Alternative Medicine, and the NIH Office of Behavioral and Social Sciences Research:

- The relationship of arts programs and interventions to cognitive, sensory, and motor skills function in older adults, and the underlying brain processes;
The relationship of aesthetics and design factors to health and quality-of-life-related outcomes of older adults in long-term care and assisted living facilities; 
Cost-benefit analyses associated with the inclusion of arts programs and interventions in healthcare delivery for older adults; 
Comparative benefits or weaknesses of arts therapies over other behavioral and/or pharmacological interventions for older adults experiencing declines in cognitive, sensory, and/or motor ability; and 
The relationship of art-making and creativity to physical health, mental health, and psychological well-being of older adults.

Additionally, the steering committee will meet to plan the workshop agenda, identify authors of 5 commissioned papers on research gaps and opportunities to be presented on each of the topics selected for workshop sessions, and identify discussants for each paper. The product will be a clean transcript of the proceedings, provided to the sponsors after review by the NAS legal counsel, including short biographies of workshop participants and the 5 commissioned papers as appendices. The commissioned papers will also be made available by posting on the Internet.

Project Context and Issues:

On March 14, 2011, the NEA and the U.S. Department of Health & Human Services (DHHS) co-hosted a research and policy forum in Washington, D.C., to showcase some of the nation's most compelling studies and evidence-based programs that have identified cognitive, social, and behavioral outcomes from arts interventions.

The forum, titled "The Arts and Human Development: Learning across the Lifespan," resulted in an NEA-DHHS white paper co-authored by the National Center for Creative Aging and the NEA's Office of Research & Analysis. Available here, the paper proposes a framework for long-term research collaboration among the NEA, DHHS, and other federal agencies and departments to track, evaluate, and report evidence of the arts' potential impacts on human development, from early childhood to older adult populations.

Concurrent with release of the white paper, the NEA announced creation of a federal interagency task force, consisting of 13 member agencies or departments, to coordinate research and communications about the arts and human development. Task force members generally agreed that a systematic literature review and gap-analysis are necessary to identify priority areas for further research investments, and to confront potential challenges in undertaking research capacity-building for the field.

The opportunity for a systematic review of research gaps and opportunities is especially ripe for analyses of health-and quality-of-life-related outcomes associated with arts programs and interventions in older adults. As life expectancy increases, there is growing interest among the older adult population in activities and interventions that will promote healthy aging, maintenance of cognitive function, and subjective well-being into old age.

The NEA-DHHS white paper reviewed studies showing strong correlations between arts exposure and improved cognitive and motor abilities in older adults, as well as improved health outcomes, socialization, and psychological well-being scores for those adults,
compared with control groups. A recent review of relevant literature was also published in the *Journal of Aging, Humanities, and the Arts* in 2010.

These activities form the background for NEA's request to the National Research Council to commission a series of papers to be presented and discussed at a workshop on exploring the relationship of the arts to health and well-being in older adults. Each paper would critique the literature in one of several relevant areas (as noted in the statement of task), identify gaps, and prioritize opportunities for research that would advance the state of the art and knowledge in the field.

**Project Audiences and Impact:**

The sponsor agencies are the primary audiences for the workshop; they are expected to use the papers and transcript from the workshop to develop requests for applications for one or more grant programs to support research on the arts and well-being of the elderly.

**Work Plan:**

With input for the sponsoring agencies, a 5-member steering committee will be appointed to carry out the statement of task. The steering committee should include academic researchers with expertise in the health and well-being of older adults and the role of arts and related programs in elderly health and well-being. The committee should also include at least one person with experience in operating arts-related programs for the elderly. The committee will meet once in person with sponsor staff to develop the agenda, identify authors for commissioned papers, and identify discussants and other workshop participants. Staff will commission papers, with drafts to be provided for steering committee comment by telephone and e-mail one month prior to the workshop and final papers delivered at the workshop, which will be held in summer 2012. After review by legal counsel, a clean transcript of the proceedings will be provided to the sponsor, and the 5 commissioned papers will be posted on the web. In addition, staff will provide twenty-five printed copies of the transcript, which should include formal front matter (including the workshop agenda and participant biographies; see NIA workshop summaries for examples) and the 5 commissioned papers as appendices. The transcript and the commissioned papers will be compliant with Section 508. All work will be completed within 9 months of project award, and the transcript will be delivered no later than September 30, 2012.
INTERAGENCY AGREEMENT BETWEEN THE
NATIONAL ENDOWMENT FOR THE ARTS
and the
INSTITUTE OF MUSEUM AND LIBRARY SERVICES
DESIGN FOR ACCESSIBILITY REVISION PROJECT

I. PARTIES AND PURPOSE

This Interagency Agreement between the National Endowment for the Arts (NEA) and the Institute of Museum and Library Services (IMLS) is for the revision of Design for Accessibility: A Cultural Administrator's Handbook, a resource designed to help organizations comply with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act, and make access an integral part of their planning and programming. A cooperator will be selected to revise the content to reflect current laws and technologies and publish it online. Costs will be shared by the IMLS, the NEA, and the National Endowment for the Humanities (NEH).

II. LEGAL AUTHORITY

III. SCOPE OF WORK

NEA shall:

♦ Enter into a cooperative agreement with an organization that will redesign and revise Design for Accessibility: A Cultural Administrator’s Handbook to reflect current laws and technologies; integrate it with the NEA’s second accessibility publication, the Accessibility Planning and Resource Guide for Cultural Administrators; and publish it online.

♦ Serve as the lead agency in the management and oversight of the project.

♦ Form a Steering Committee of the Federal partners to review the project and ensure that all aspects of cultural accessibility are considered in the revision of the handbook material.

♦ Establish an advisory group, comprised of key members of the cultural and accessibility fields, to provide guidance and feedback on the website content.
Assume responsibility for managing the work of, and communications with, the Cooperator, and make final decisions on the timeline of the project and the content and appearance of the Web site.

Host final product on the NEA Web server at the conclusion of the cooperative agreement.

IMLS shall:

- Transfer up to $60,000 to the NEA to support the redesign and revision of *Design for Accessibility: A Cultural Administrator’s Handbook*.
- Appoint two representatives, one from the Office of Museum Services and one from the Office of Library Services, to serve on the Federal Steering Committee, who will meet with the NEA’s Accessibility Director, as needed, to review the project and ensure that the perspectives of IMLS constituents are included in the final product.
- Provide suggestions for project advisory group members and criteria for effective practices as well as review the Web site mock-up.
- Assist with piloting and troubleshooting the Web site and provide feedback on the final product before the site is launched.
- Assist with the dissemination of the final product.

IV. ACKNOWLEDGMENT AND VISIBILITY

All print, audio, video, digital, web-based and other materials relating to this project must acknowledge IMLS as a partner with the NEA and NEH. Any media statements developed relating to this project shall be done in coordination with, and provided in draft form for, IMLS’ review and approval prior to release.

V. EFFECT OF AGREEMENT

This Interagency Agreement is an internal Government agreement, and does not confer any legal right upon any private person or private entity.

This Interagency Agreement does not restrict the IMLS or the NEA from participating in similar activities or arrangements with other entities.

VI. AGENCY CONTACTS

The IMLS contact for this Interagency Agreement is Marsha Semmel, Director of Strategic Partnerships. The NEA contact for this Interagency Agreement is Beth Bienvenu, Accessibility Director.
VII. TERM OF AGREEMENT

This Interagency Agreement may only be modified or amended in writing upon written request of either party and with the concurrence of the other party. This Interagency Agreement will become effective on the date of the last signature herein and will remain in effect until December 31, 2013.

VIII. REIMBURSEMENT OF FUNDS

The Statement of Federal Financial Accounting Standards (SFFAS) 30 requires that the full costs for performing under this interagency agreement, including the unreimbursed or under-reimbursed costs of the performing agency (NEA), be communicated to the recipient of services (IMLS).

Each entity’s full cost should incorporate the full cost of goods and services that it receives from other entities. The entity providing the goods or services (NEA) has the responsibility to provide the receiving entity (IMLS) with information on the full cost of such goods or services either through billing or other advice.

Recognition of inter-entity costs that are not fully reimbursed is limited to material items that (1) are significant to the receiving entity, (2) form an integral or necessary part of the receiving entity’s output, and (3) can be identified or matched to the receiving entity with reasonable precision. Broad and general support services provided by an entity to all or most other entities should not be recognized unless such services form a vital and integral part of the operations or output of the receiving entity.

Check one:

(a) The service provider will indicate if this interagency agreement reflects full cost recovery.

☐ Yes, full recovery

or

(b) The service provider will indicate if this interagency agreement does not reflect full cost recovery.

☐ No, not full cost recovery

The service provider will inform the recipient of services of the amount of unreimbursed or under-reimbursed costs on a quarterly basis by the 22nd of the end of the quarter.

After receipt of unreimbursed or under-reimbursed costs information, the recipient of services will notify the service provider whether any amounts not fully reimbursed will meet the above recognition criteria. If yes, both agencies will report their unreimbursed/imputed costs.
Reimbursement Without Advance

The IMLS agrees to obligate and subsequently reimburse up to $60,000 to the NEA for the purposes of this agreement in accordance with Section III. The NEA will bill IMLS and draw down monthly reimbursements (by the 22nd of the month) upon invoices using the Intra-governmental Payment and Collection (IPAC) system. The NEA Finance Office will report expenses to the IMLS Finance contact to reconcile quarterly this Interagency Agreement.

INTERAGENCY AGREEMENT BETWEEN THE
NATIONAL ENDOWMENT FOR THE ARTS
and the
NATIONAL ENDOWMENT FOR THE HUMANITIES

DESIGN FOR ACCESSIBILITY REVISION PROJECT

I. PARTIES AND PURPOSE

This Interagency Agreement between the National Endowment for the Arts (NEA) and the National Endowment for the Humanities (NEH) is for the revision of Design for Accessibility: A Cultural Administrator’s Handbook, a resource designed to help cultural organizations comply with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act, and make access an integral part of their planning and programming. A cooperator will be selected to revise the content to reflect current laws and technologies and publish it online. Costs will be shared by the NEH, the NEA. Additional funding for this project, not covered by this Interagency Agreement, will be provided by the Institute of Museum and Library Services (IMLS). Through two previous interagency agreements, the NEH contributed $51,650 to cover development and printing costs for the original 2003 Design for Accessibility Handbook, and distributed 2,000 copies to its constituents.

II. LEGAL AUTHORITY

III. SCOPE OF WORK

NEA shall:

♦ Enter into a cooperative agreement with an organization that will redesign and revise Design for Accessibility: A Cultural Administrator’s Handbook to reflect current laws and technologies; integrate it with the NEA’s second accessibility publication, the Accessibility Planning and Resource Guide for Cultural Administrators: and publish it online.

♦ Serve as the lead agency in the management and oversight of the project.

♦ Form a Steering Committee of the Federal partners (NEA, NEH, and IMLS) to review the project and ensure that all aspects of cultural accessibility are considered in the revision of the handbook material.

♦ Establish an advisory group, comprised of key members of the cultural and accessibility fields, to provide guidance and feedback on the website content.
Assume responsibility for managing the work of, and communications with, the Cooperator, and make final decisions on the timeline of the project and the content and appearance of the Web site.

Host final product on the NEA Web server at the conclusion of the cooperative agreement.

NEH shall:

- Subject to the availability of appropriations, transfer $60,000 to the NEA for the management of the redesign and revision of *Design for Accessibility: A Cultural Administrator's Handbook*.
- Appoint a representative to serve on the Federal Steering Committee, who will meet with the NEA’s Accessibility Director, as needed, to review the project and ensure that the perspectives of NEH constituents are included in the final product.
- Provide suggestions for project advisory group members and criteria for effective practices as well as review the Web site mock-up.
- Assist with piloting and troubleshooting the Web site and provide feedback on the final product before the site is launched.
- Market the final product to its constituents.

IV. ACKNOWLEDGMENT AND VISIBILITY

All print, audio, video, digital, web-based and other materials relating to this project must acknowledge NEH as a partner with the NEA and IMLS, using language and logos agreed upon by the parties to this Interagency Agreement. Any such materials and any media statements, public statements and promotional activities relating to this project shall be provided in draft form for NEH’s review and approval prior to release.

V. EFFECT OF AGREEMENT

This Interagency Agreement is an internal Government agreement, and does not confer any legal right upon any private person or private entity.

This Interagency Agreement does not restrict the NEH or the NEA from participating in similar activities or arrangements with other entities.

VI. AGENCY CONTACTS

The NEH contact for this Interagency Agreement is Carole Watson, Deputy Chairman. The NEA contact for this Interagency Agreement is Beth Bienvenu, Accessibility Director.

VII. TERM OF AGREEMENT

This Interagency Agreement may only be modified or amended in writing upon written request of either party and with the concurrence of the other party. This Interagency Agreement will become effective on the date of the last signature herein and will remain in effect until December 31, 2013.
VIII. REIMBURSEMENT OF FUNDS

The Statement of Federal Financial Accounting Standards (SFFAS) 30 requires that unreimbursed or under-reimbursed costs of the performing agency be communicated to the recipient of services. Each entity’s full cost should incorporate the full cost of goods and services that it receives from other entities. The entity providing the goods or services has the responsibility to provide the receiving entity with information on the full cost of such goods or services either through billing or other advice. Recognition of inter-entity costs that are not fully reimbursed is limited to material items that (1) are significant to the receiving entity, (2) form an integral or necessary part of the receiving entity’s output, and (3) can be identified or matched to the receiving entity with reasonable precision. Broad and general support services provided by an entity to all or most other entities should not be recognized unless such services form a vital and integral part of the operations or output of the receiving entity.

The service provider will indicate if this interagency agreement reflects full cost recovery.

☐ Yes, full recovery

The service provider will indicate if this interagency agreement does not reflect full cost recovery.

☐ No, not full cost recovery

The service provider will provide the recipient of services with the amount of unreimbursed or under-reimbursed costs on a quarterly basis by the 22nd of the end of the quarter; or no less than preliminary estimates on March 1st, with actual amounts by June 22nd, and September 22nd.

After receipt of preliminary estimates of unreimbursed or under-reimbursed costs, the recipient of services will notify the service provider whether any amounts not fully reimbursed will meet the above recognition criteria. If yes, both agencies will report their unreimbursed/imputed costs.

Reimbursement Without Advance

Subject to the availability of appropriations, the NEH agrees to obligate and subsequently reimburse $60,000 to the NEA for the purposes of this agreement in accordance with Section III. The NEA will bill NEH and draw down monthly reimbursements (by the 22nd of the month) upon invoices using the Intragovernmental Payment and Collection (IPAC) system. The NEA Finance Office will report expenses to the NEH Finance contact to reconcile quarterly this Interagency Agreement.
IX. RESOLUTION OF DISPUTES

The NEH and NEA will make their best efforts to amicably resolve disputes that may arise under this Interagency Agreement through discussions. If resolution cannot be reached, NEA and the NEH will solicit the views and mediation of the Agency Contacts in Article VI. If those views or mediation cannot be obtained, or fail to resolve the matter, the issue will be elevated through respective management channels for resolution.

**FINANCIAL DATA for INTERAGENCY AGREEMENTS (Transfers TO NSF)**

The Intragovernmental Business Rules issued November 30, 2010, under Treasury Financial Manual (TFM) Bulletin 2011-05 Volume I (http://www.fms.treas.gov/factsi/vol1/vol1appen10.doc) recommends use of the new standard Interagency Agreement (IAA) forms (Treasury Form 7600A/B) for all intragovernmental transactions that exchange goods and services. (Forms are found online at: http://www.fms.treas.gov/finstandard/forms.html) Page two of this NSF form, once completed by the NSF Program Official, provides the minimum data required from NSF as the Servicing Agency (seller) to complete the standard IAA forms.

If the Requesting Agency (buyer) does NOT use the new government-wide standard IAA form, then this NSF form (page one) must be filled out and signed by the Requesting Agency and provided to NSF (as Servicing Agency) as an attachment to any agency-specific funds transfer documents.

INTERAGENCY AGREEMENT  
between the  
NATIONAL ENDOWMENT FOR THE ARTS  
and the  
NATIONAL SCIENCE FOUNDATION  

FY 2012 CORE SPONSORSHIP OF THE  
COMMITTEE ON NATIONAL STATISTICS  

I. PARTIES AND PURPOSE  
The purpose of this Agreement between the National Endowment for the Arts (NEA) and the National Science Foundation (NSF) is for core sponsorship of the Committee on National Statistics (CNSTAT) at the National Academies.  

II. LEGAL AUTHORITY  
NSF: National Science Foundation Act of 1950, as amended (42 USC 1861-76).  

III. BACKGROUND INFORMATION  
Established at the National Academies in 1972, the Committee on National Statistics (CNSTAT) convenes expert panels to conduct studies on the data and methods needed to improve our understanding of the U.S. population, the economy, the environment, public health, crime, education, immigration, poverty, welfare, terrorism, and other public policy topics.  

Support for the Committee’s activities, which include oversight of its panel studies and the conduct of some special studies, together with semi-annual public symposia on topics of interest to the federal statistical and research communities, is provided by a consortium of federal agencies. Sponsor agencies that contribute to CNSTAT core funding include the National Science Foundation, the National Institute on Aging, the National Institute of Child Health and Human Development, the Bureau of Economic Analysis, and other agencies that transfer funding to NSF’s core grant to the Committee, including the U.S. Census Bureau, Social Security Administration, and agencies of the Departments of Agriculture, Defense, Education, Energy, Health and Human Services, Homeland Security, Housing and Urban Development, Justice, Transportation, and Treasury.
IV. SCOPE OF WORK

The NEA shall:

- Transfer $16,044 to the NSF.
- Participate in a rotating series of CNSTAT business meetings to discuss the NEA’s research agenda and interests with CNSTAT members and staff;
- Participate in network opportunities with other core sponsor agency officials at seminars and workshops; and
- Explore the possibility of joint sponsorship of a CNSTAT workshop or panel discussion about arts-specific research topics.

The NSF shall:

- Transfer $15,000 payment to CNSTAT
- Retain a 6.51% procession fee of $1,044. Provide a proof-of-payment report to the NEA Point of Contact after payment has been transferred.

V. RECOVERY RATE

NSF’s cost recovery rate is 6.51% and is deducted from total funds transferred through this agreement.

VI. ACKNOWLEDGEMENT AND VISIBILITY

Support from the NEA shall be appropriately acknowledged in all materials produced under this interagency agreement.

VII. EFFECT OF AGREEMENT

This Interagency Agreement is an internal Government agreement, and does not confer any legal right upon any private person or private entity.

This Interagency Agreement does not restrict NSF or the NEA from participating in similar activities or arrangements with other entities.

VIII. AGENCY CONTACTS

The NEA point of contact for this interagency agreement is Ellen Grantham, Program Analyst, Office of Research and Analysis. The NSF point of contact for this interagency agreement is Cheryl L. Eavey, Directorate for Social, Behavioral, and Economic Sciences Program on Methodology, Measurement and Statistics.
IX. TERM OF AGREEMENT

This Interagency Agreement may only be modified or amended in writing upon written request of any party and with the concurrence of the other parties hereto. This Interagency Agreement will become effective on the date of the last signature herein and will remain in effect until September 1, 2013.

X. SFFAS REPORTING REQUIREMENTS

The Statement of Federal Financial Accounting Standards (SFFAS) 30 requires that unreimbursed or under-reimbursed costs of the performing agency be communicated to the recipient of services. Each entity's full cost should incorporate the full cost of goods and services that it receives from other entities. The entity providing the goods or services has the responsibility to provide the receiving entity with information on the full cost of such goods or services either through billing or other advice. Recognition of inter-entity costs that are not fully reimbursed is limited to material items that (1) are significant to the receiving entity, (2) form an integral or necessary part of the receiving entity's output, and (3) can be identified or matched to the receiving entity with reasonable precision. Broad and general support services provided by an entity all or most other entities should not be recognized unless such services form a vital and integral part of the operations or output of the receiving entity.

The service provider will indicate if this interagency agreement reflects full cost recovery.

☑ Yes, full recovery

The service provider will indicate if this interagency agreement does not reflect full cost recovery.

☐ No, not full cost recovery

The service provider will provide the recipient of services with the amount of unreimbursed or under-reimbursed costs on a quarterly basis by the 22nd of the end of the quarter.

The recipient of services will notify the service provider whether any amounts not fully reimbursed will meet the above recognition criteria. If yes, both agencies will report their unreimbursed/imputed costs.

XI. TRANSFER OF FUNDS – REIMBURSEMENT WITHOUT ADVANCE

The NEA agrees to obligate $16,044 to the NSF for the purposes of carrying out Section IV of this Interagency Agreement. The NSF will initiate the transfer using the Intra-governmental Payment and Collection (IPAC) system. Date 09/11/2012

This agreement is entered into pursuant to the authority of the National Science Foundation Act of 1950, as amended, 42 U.S.C. (1861 et seq.)
POETRY OUT LOUD: NATIONAL RECITATION CONTEST
MEMORANDUM OF UNDERSTANDING
BETWEEN THE POETRY FOUNDATION
AND THE NATIONAL ENDOWMENT FOR THE ARTS

The purpose of this MOU is to state the parties' intention to continue joint support of a national high school poetry recitation competition, Poetry Out Loud: National Recitation Contest. The Poetry Foundation and the National Endowment for the Arts (Endowment) intend to support this program during the 2012-2013 school year in 50 states, the District of Columbia, Puerto Rico, and the U.S. Virgin Islands, culminating with National Finals in spring 2013 in Washington, DC.

The terms of the partnership between the Poetry Foundation and the Endowment are as follows:

Responsibilities of the Poetry Foundation

To accomplish the objectives of this project, the Poetry Foundation shall dedicate funds of approximately $500,000. Within the confines of its budget and, in consultation with the Endowment Program Manager, it shall:

- Develop or update, as needed, the content and design of all educational materials (including audio resources, Learning Recitation DVD, Teacher's Guide, anthologies, posters) and promotional materials, in close coordination with the Endowment. The Poetry Foundation accepts the responsibility for requesting and securing permissions to use copyrighted poems, recordings, and images.

- Produce a comprehensive Web site, in close coordination with the Endowment, including all educational materials and an online anthology of at least 600 poems. The Web site will be updated regularly. The Poetry Foundation accepts the responsibility for requesting and securing permission to use copyrighted poems, recordings, and images.

- Reproduce and distribute sufficient educational materials for classroom use in 50 states, the District of Columbia, Puerto Rico, and the U.S. Virgin Islands.

- Provide cash awards to the winners of each state-level competition, as follows: $200 to the recitation champion and $500 to his or her school library for the purchase of poetry
books; and $100 to the runner-up and $200 to his or her school library for the purchase of poetry books.

- Provide cash awards to the winners and winners' schools at the National Finals, as follows: $20,000 to the National Champion, $10,000 to the second-place finalist, $5,000 to the third-place finalist, and $1,000 to students finishing in fourth through twelfth place. The top 12 students' schools will each receive $500.

- Contribute toward expenses of the National Finals, including costs of travel, hotels, venues, receptions, and other direct expenses. The amount of this contribution will be determined as part of the NEA's cooperative agreement for the management of Poetry Out Loud, and shall be made as part of the Poetry Foundation's overall commitment of approximately $500,000 to the project.

- Cooperatively, with the Endowment, promote Poetry Out Loud to the literature and education fields.

**Responsibilities of the National Endowment for the Arts**

To accomplish the objectives of this project, the Endowment will:

- Develop or update, as needed, the content and design of all program materials (including audio resources, Learning Recitation DVD, Teacher's Guide, anthologies, posters, Web site), in close coordination with the Poetry Foundation.

- Award grants of up to $20,000, contingent upon availability of federal funds, to State Arts Agencies in 50 states, the District of Columbia, Puerto Rico, and the U.S. Virgin Islands to implement the Poetry Out Loud curriculum in high schools and conduct a Poetry Out Loud state finals competition in each participating state and special jurisdiction.

- Coordinate and provide technical assistance to program managers at State Arts Agencies and their partners.

- Collect data gathered by the State Arts Agencies, including lists of participating schools and final program reports.

- Enter into a cooperative agreement with a qualified organization to support and manage the National Finals events. Supported costs may include contractors, student and chaperone per diems, and other direct expenses.
Responsibilities of Both Parties

The Poetry Foundation and the National Endowment for the Arts each agree to:

- Approve the design and final version of all materials.
- Share primary and prominent joint credit for the program.
- Actively ensure the establishment of the Poetry Out Loud program and brand, and work cooperatively toward the success of the program.
- Collaboratively plan to implement the 2013 National Finals.

Renewal

This MOU may be renewed annually depending on the availability of federal funds and, where appropriate, approval of grants and cooperative agreements by the National Council on the Arts, as well as approval by the Poetry Foundation’s Board of Trustees.

For the purposes of this MOU, the Director of Arts Education or designee will serve as the NEA Project Director for all Poetry Out Loud activities. Stephen Young, Program Director for the Poetry Foundation, will serve as the lead contact for that organization.

This MOU will become effective on the date of final signature and continue until June 30, 2013.

Produce three multi-media "Reports from the Field" distributed electronically by Smithsonian Folkways Magazine.

Digitally publish two albums of music recorded by ethnomusicologists working in diverse countries to inaugurate a "Worlds of Sound" series.

Add at least one major partner archive in order to ingest and make available a large body of music.

Expand the Teacher-Nexus-Teacher (TNT) initiative to provide training and certifications for public school teachers to offer world music resources in their classrooms.

C. The National Endowment for the Arts will transfer $50,000 to the Smithsonian for Smithsonian Folkways Recordings for the activities described in this interagency agreement.

See also Attachment A: Project Details, Attachment B: Project Timeline, Attachment C: Project Budget for additional details, and Attachment D: SEM letter of commitment.

IV. ACKNOWLEDGMENTS

All print, audio, video, digital, web-based and other materials relating to this project shall acknowledge the partnership between the National Endowment for the Arts and Smithsonian Folkways Recordings with the appropriate logos and text.

V. REIMBURSEMENT OF FUNDS

SFFAS 30 requires that unreimbursed or under-reimbursed costs of the performing agency be communicated to the recipient of services.

Each entity's full cost should incorporate the full cost of goods and services that it receives from other entities. The entity providing the goods or services has the responsibility to provide the receiving entity with information on the full cost of such goods or services either through billing or other advice. Recognition of inter-entity costs that are not fully reimbursed is limited to material items that (1) are significant to the receiving entity, (2) form an integral or necessary part of the receiving entity's output, and (3) can be identified or matched to the receiving entity with reasonable precision. Broad and general support services provided by an entity to all or most other entities should not be recognized unless such services form a vital and integral part of the operations or output of the receiving entity.
The service provider (Smithsonian Institution/Smithsonian Folkways) will indicate if this interagency agreement reflects full cost recovery.

- Yes, full recovery
- No, not full cost recovery

The service provider will provide the recipient of services with the amount of unreimbursed or under-reimbursed costs on a quarterly basis by the 22nd of the end of the quarter; December 22nd, March 22nd, June 22nd, and September 22nd.

The recipient of services (NEA) will check this box to indicate whether any amounts not fully reimbursed will meet the above recognition criteria. If yes, both agencies will report their unreimbursed/imputed costs.

- Yes
- No

**Reimbursement Without Advance**

The NEA agrees to obligate and subsequently reimburse up to $50,000 to the Smithsonian for Smithsonian Folkways Recordings for the purposes of this agreement in accordance with Section III. Smithsonian Folkways will bill NEA and initiate reimbursement(s) not later than 22nd of each applicable quarter using the Intra-governmental Payment and Collection (IPAC) system. The Smithsonian Folkways Finance Office will report quarterly expenses to the NEA Finance contact to reconcile this Interagency Agreement not later than the 22nd of each applicable quarter.

MEMORANDUM OF UNDERSTANDING
between the
NATIONAL ENDOWMENT FOR THE ARTS
and the
WALTER REED NATIONAL MILITARY MEDICAL CENTER

OPERATION HOMECOMING: WRITING THE WARTIME EXPERIENCE

I. PURPOSE
The National Endowment for the Arts (NEA) and the Walter Reed National Military Medical Center (WRNMMC) enter into this Memorandum of Understanding (MOU) to bring to WRNMMC’s National Intrepid Center of Excellence (NICoE) a pilot program adapting the NEA’s Operation Homecoming: The Wartime Experience specially designed to explore the healing aspect that expressive writing workshops may bring to service members affected by Post-Traumatic Stress Disorder (PTSD) and Traumatic Brain Injury (TBI).

II. AUTHORITY

National Intrepid Center of Excellence: The Economy Act (31 USC 1535 et. seq.) and DOD Instruction 4000.19

III. BACKGROUND INFORMATION
In 2004, the NEA created Operation Homecoming: Writing the Wartime Experience to help U.S. troops and their families chronicle their experiences through professional writing workshops held on military installations. In 2008, the NEA expanded the program to serve veterans and active-duty troops through multi-week workshops at Veterans Affairs and Department of Defense medical facilities and at nonprofit literary centers.

The program provided more than 60 workshops at 30 installations in nine countries; more than 6,000 troops and family members participated. The project resulted in an award-winning anthology and two documentaries, Muse of Fire and Operation Homecoming.

IV. STATEMENT OF WORK
The National Endowment for the Arts shall:
Work with NICoE to develop and implement pilot programs of expressive writing workshops for wounded warriors at NICoE. These workshops will build on the NEA's experience conducting Operation Homecoming workshops, NICoE's integrated healing programs for wounded warriors, and recent research on the health benefits of writing.

Hire staff to facilitate the workshops. The staff must receive proper training from NICoE.

Consult with NICoE to identify appropriate artists/instructors, work with NICoE to identify participants and secure appropriate venues for the workshops and oversee management of the workshops.

Collaborate with NICoE to design and conduct assessment tools to evaluate the efficacy of the pilot programs and to establish authentic measurements of their qualitative and quantitative effects.

Collaborate with NICoE for future research endeavors regarding the pilot program. NEA will use its established procedures for the clearance of all investigator publications and presentations.

The National Intrepid Center of Excellence shall:

- Work with the NEA to develop and implement at NICoE pilot programs of expressive writing workshops for wounded warriors.

- Identify potential participants for the workshops.

- Secure access to NICoE facilities for the NEA to conduct or provide assistance for the expressive writing workshops.

- Collaborate with the NEA to design and conduct assessment tools to evaluate the efficacy of the pilot programs and to establish authentic measurements of their qualitative and quantitative effects.

- Collaborate with the NEA for future research endeavors regarding the pilot program.

- Establish a proper mechanism in which to keep track of the writings within the Armed Forces Health Longitudinal Technology Application (AHLTA), WRNMMC's electronic health record.

- NEA will not keep any writings.
- NEA will not see the writings.
- NICoE will establish policies and procedures for review of the writings.
Shall collaborate with NEA in any publication developed as a result of the pilot program at NICoE and/or future research. NICoE will use its established procedures for the clearance of all investigator publications and presentations.

Provide required training (at a minimum to include the Health Insurance Portability and Accountability Act [HIPAA])

Secure access to the installation.

V. HIPAA. The parties agree that the although individuals performing work on NEA's behalf will be exposed to protected health information (PHI) pursuant to this agreement and any underlying research, the parties to this agreement themselves do not contemplate any sharing of PHI. Therefore, the parties acknowledge that this agreement lacks the requirements contained in a HIPAA-compliant Business Associate Agreement. The parties acknowledge that the individuals performing work pursuant to this agreement may only use/disclose PHI consistent with the provisions of HIPAA and its implementing regulations and may not otherwise use/disclose PHI outside WRNMMC. WRNMMC and NICoE will consider these individuals part of its workforce and properly train them.

VI. FUNDING. For purposes of this agreement to establish expressive writing workshops, the parties will fund their own efforts (i.e., NICoE's operating and maintenance funds will be used for the workshops conducted at NICoE; NEA will use its own funds to pay for NEA personnel). Any research projects that may arise as a result of these workshops may require additional funding that is not currently in a budget. Funding for any future research projects will be addressed in any agreement that may be necessary to set forth the parties' roles and responsibilities for the research.

VII. LIABILITY. Both parties are instrumentalities of the Federal Government, and Federal law would control this agreement. Additionally, the parties acknowledge that individuals working on NEA's behalf may not be Government employees, and the Federal Employees' Compensation Act may not be an adequate method of recovery. If such an individual is injured while performing work at NICoE and WRNMMC, NEA and WRNMMC will work to address handling the claim.

VIII. AGENCY CONTACTS

The NICoE contact for this MOU is Dr. Thomas DeGraba, Deputy Director, Chief of Medical Operations, 301-319-3604. The National Endowment for the Arts contact is Bill O'Brien, Senior Advisor for Program Innovation, 202-682-5550.

IX. EFFECT OF AGREEMENT

This MOU is an internal Government agreement, and does not confer any legal right upon any private person or private entity.
This MOU does not restrict the NICoE or the NEA from participating in similar activities or arrangements with other entities.

X. TERM OF AGREEMENT

This MOU shall become effective on the date of the last signature herein.

This MOU may only be modified or amended in writing upon written request of either party and with the concurrence of the other party.

This MOU shall remain in effect until 15 November 2012. This MOU may be terminated at any time earlier upon 30 calendar days advance written notice by one Party to the other. It is understood that the Chief, Bureau of Medicine and Surgery and Commander, Walter Reed National Military Medical Center, will have the right to terminate this agreement without notice at any time if determined necessary to be in the interests of the facility’s mission requirements.

These workshops will build on the NEA's experience conducting Operation Homecoming workshops, NICoE's integrated healing programs for wounded warriors, and recent research on the health benefits of writing.
- Hire staff to facilitate the workshops. The staff must receive proper training from NICoE.
- Consult with NICoE to identify appropriate artists/instructors, work with NICoE to identify participants and secure appropriate venues for the workshops and oversee management of the workshops.
- Collaborate with NICoE to design and conduct assessment tools to evaluate the efficacy of the pilot programs and to establish authentic measurements of their qualitative and quantitative effects.
- Collaborate with NICoE for future research endeavors regarding the pilot program. NEA will use its established procedures for the clearance of all investigator publications and presentations.
- Assist in providing creative writing sessions on a voluntary basis for the patients and their families. Healing arts clinical interventions will occur in NICoE or other clinical spaces within a WRNMMC facility. Non-clinical space can be used for non-clinical activities.
- Assist in providing other arts-based offerings as agreed to by both parties to this agreement.

The National Intrepid Center of Excellence shall:

- Work with the NEA to develop and implement at NICoE pilot programs of expressive writing workshops for wounded warriors.
- Identify potential participants for the workshops.
- Secure access to NICoE facilities for the NEA to conduct or provide assistance for the expressive writing workshops.
- Collaborate with the NEA to design and conduct assessment tools to evaluate the efficacy of the pilot programs and to establish authentic measurements of their qualitative and quantitative effects.
- Collaborate with the NEA for future research endeavors regarding the pilot program.
- Establish a proper mechanism in which to keep track of the writings within the Armed Forces Health Longitudinal Technology Application (AHLTA), WRNMMC's electronic health record.
  - NEA will not keep any writings.
  - NEA will not see the writings.
  - NICoE will establish policies and procedures for review of the writings.
- Facilitate creative writing sessions on a voluntary basis for the patients and their families. Any of the writing workshops that are clinical interventions will occur in NICoE or other clinical spaces within a WRNMMC facility. Non-clinical space can be used for non-clinical activities.
Facilitate other arts-based offerings as agreed to by both parties to this agreement.

Shall collaborate with NEA in any publication developed as a result of the pilot program at NICoE and/or future research. NICoE will use its established procedures for the clearance of all investigator publications and presentations.

Provide required training (at a minimum to include the Health Insurance Portability and Accountability Act [HIPAA]).

Secure access to the installation.

V. HIPAA

The parties agree that the although individuals performing work on NEA's behalf will be exposed to protected health information (PHI) pursuant to this agreement and any underlying research, the parties to this agreement themselves do not contemplate any sharing of PHI. Therefore, the parties acknowledge that this agreement lacks the requirements contained in a HIPAA-compliant Business Associate Agreement. The parties acknowledge that the individuals performing work pursuant to this agreement may only use/disclose PHI consistent with the provisions of HIPAA and its implementing regulations and may not otherwise use/disclose PHI outside WRNMMC. WRNMMC and NICoE will consider these individuals part of its workforce and properly train them.

VI. FUNDING

For purposes of this agreement to establish expressive writing workshops, the parties will fund their own efforts (i.e., NICoE's operating and maintenance funds will be used for the workshops conducted at NICoE; NEA will use its own funds to pay for NEA personnel). Further, creative writing sessions and any additional arts activities agreed to by the WRNMMC and the NEA will be undertaken in the same manner. Any research projects that may arise as a result of these workshops may require additional funding that is not currently in a budget. Funding for any future research projects will be addressed in any agreement that may be necessary to set forth the parties' roles and responsibilities for the research.

VII. LIABILITY

Both parties are instrumentalities of the Federal Government, and Federal law would control this agreement. Additionally, the parties acknowledge that individuals working on NEA's behalf may not be Government employees, and the Federal Employees' Compensation Act may not be an adequate method of recovery. If such an individual is injured while performing work at NICoE and WRNMMC, NEA and WRNMMC will work to address handling the claim.

VIII. AGENCY CONTACTS

The NICoE contact for this MOU is Dr. Thomas DeGraba, Deputy Director, Chief of Medical Operations, 301-319-3604. The National Endowment for the Arts contact is Bill O'Brien, Senior Advisor for Program Innovation, 202-682-5550.
IX. EFFECT OF AGREEMENT

This MOU is an internal Government agreement, and does not confer any legal right upon any private person or private entity.

This MOU does not restrict the NICoE or the NEA from participating in similar activities or arrangements with other entities.

X. TERM OF AGREEMENT

INTERAGENCY AGREEMENT
BETWEEN THE U.S. DEPARTMENT OF EDUCATION AND
THE NATIONAL ENDOWMENT FOR THE ARTS

2013 - 2014

The U.S. Department of Education (ED) and the National Endowment for the Arts (Endowment) enter into this interagency agreement for a joint project to support the activities of the Arts Education Partnership (AEP).

The purpose of the Arts Education Partnership is to strengthen arts education as an integral part of the elementary and secondary school curriculum, to help ensure that all students meet challenging State content standards, to assist in the development and implementation of assessments, and to support the national effort to enable all students to demonstrate competence in the arts. The passage of the Elementary and Secondary Education Act (ESEA) made the arts one of the ten core academic subjects. This provides an important opportunity for the arts to become a part of the core curriculum for all students. While ESEA holds schools accountable for reading and math, the arts are recognized as an important part of the core experience for all children.

Under this agreement, ED through its Office of Innovation and Improvement (OII) will provide $332,500 to the Endowment in FY 13 for the Arts Education Partnership. The Endowment will enter into a cooperative agreement with the Council of Chief State School Officers (CCSSO) to manage the Arts Education Partnership and will provide the Arts Education Partnership with $665,000 ($332,500 from NEA and $332,500 from ED) in FY 13.

AUTHORITY

This agreement is authorized by:

Section 430 of the General Education Provisions Act (GEPA) (20 U.S.C. 1231, (et seq.) authorizes the Secretary of Education to enter into arrangements with other Federal agencies to jointly carry out projects of common interest, to transfer such funds appropriated under any applicable program consistent with the statutes authorizing the appropriations of such funds, and to use the administering agency’s procedures to award contracts or grants.

The Secretary shall provide notice to the Education and the Workforce Committee of the House of Representatives and the Health, Education, Labor and Pensions Committee of the Senate of this joint funding agreement not later than 60 days after the effective date of this agreement.
ACTIVITY DESCRIPTION

The Arts Education Partnership was formed in 1995 through a cooperative agreement between the United States Department of Education and the National Endowment for the Arts, the National Assembly of State Arts Agencies, and the Council of Chief State School Officers. Over 150 national organizations committed to promoting arts education in elementary, secondary schools and institutions throughout the country have joined AEP to help states and local school districts integrate the arts into their educational improvement plans under federal, state, and local initiatives. AEP works closely with state teams composed of representatives from the state education agency, state arts agency, and the state alliance for arts education. AEP is not an advisory body to the Endowment or the Department of Education.

The National Endowment for the Arts and the United States Department of Education, with the support of the private sector, wish to support the continuation of the Arts Education Partnership to facilitate planning, communication, research, and collaboration among the national organizations, government agencies, foundations, and businesses that share the goal of making the arts part of basic education, consistent with the AEP strategic plan and goals.

Under this Agreement, the Department of Education shall:

- Transfer $332,500 to the National Endowment for the Arts to fund the Arts Education Partnership. Funds transferred by ED for this purpose will be provided through Title V, Part D, Subpart 15 (Arts in Education) of the Elementary and Secondary Education Act.

- Monitor the cooperative agreement with the AEP.

- Meet with the NEA and a representative of the AEP for quarterly discussion and review of completed activities, planned activities, and coordination of activities among the entities; and review of documents supporting those activities.

- Participate in the AEP, including its Governance Committee, which will transition to a non-governing, collaborative body during the course of this agreement.

The National Endowment for the Arts shall be the lead agency for this project. The cooperative agreement shall be governed by established Endowment procedures. The Endowment shall:

- Receive from CCSSO a budget and narrative aligned to AEP’s goals and objectives for the fiscal year.

- Provide CCSSO with $665,000 ($332,500 from the Endowment and $332,500 from ED) in FY 13 funds to support the Arts Education Partnership for the term covered by this agreement.
• Administer and account for ED funds in accordance with applicable statutory and regulatory requirements.

• Participate in the Arts Education Partnership, including its Governance Committee, which will transition to a non-governing, collaborative body during the course of this agreement.

• Enter into a cooperative agreement with the CCSSO to facilitate and coordinate the activities of AEP, including:
  ♦ Monitoring and supervising the cooperative agreement and AEP through the Arts Education Director and assigned program staff;
  ♦ Ensuring that ED's designated representatives are notified of all meetings of AEP, its Governing Committee/Advisory Council, and meetings with public and private funders noted previously in this document;
  ♦ Ensuring that ED is provided a quarterly performance report;
  ♦ Ensuring that ED is provided a quarterly budget status report;
  ♦ Ensuring that ED is provided with a forecast of upcoming printed materials and substantial electronic resources on a quarterly basis; and
  ♦ Ensuring that ED is provided with a copy of AEP's final report no later than 90 days after completion of the project.

The Executive Director of the Arts Education Partnership will facilitate planning, communications, and collaborative actions by participants in the Arts Education Partnership. In continuing the Arts Education Partnership, the Executive Director will:

• Develop, coordinate and share AEP planned annual operations by the effective date of this agreement.

• Develop and implement specific measures that are clearly defined and carefully integrated into AEP’s strategic plan. Progress on these measures shall be described in detailed quarterly reports and a more substantial end-of-year report including a detailed budget.

• Facilitate periodic meetings and subcommittee meetings of AEP’s participants.

• Include at least one session at the national forum that focuses on models that have promising arts education practices focusing on one or more of the NEA Chairman and ED Secretary’s priorities.
• Continue the focus on research and evaluation, with at least one session at each forum on either one or both topics.

• Work with participating organizations to create a commitment to AEP’s mission among their state and local officials and constituents.

• Provide a speaker or topic for the annual Arts Project Directors meeting.

• Maintain regular communications with participants of the Arts Education Partnership and disseminate information through the ArtsEd Digest listserv to include but not limited to announcements of upcoming grant competitions and abstracts and/or other relevant information on ED Arts-in-Education grants and initiatives on the AEP’s website, listserv, and other means of communication to AEP’s members.

• Serve as a catalyst by continuing to encourage partnerships among state and local participants to further promote and support scale-up capacity and sustainability.

• Assure additional resources are secured to implement the priorities outlined in the Arts Education Action Plan and annual work plan.

• Analyze promising practices of ED and NEA arts education grantees that are successfully increasing equitable access to arts education and disseminate resulting case studies to key audiences.

• Proactively solicit successful NEA research and ED arts education grantees to provide counsel on research and evaluation, ensuring the development of evidence-based research.

• Incorporate findings from ED arts education grants and NEA research grants into the ArtsEdSearch.

• Develop Communities of Practice to support ED and NEA arts education grantees, through webinars, meetings, or other means.

**TRANSFER OF FUNDS**

Upon execution of this agreement, the Endowment shall initiate the transfer of $332,500 from ED through the Intra-Government Payment and Collection (IPAC) system. ED will provide $332,500 to the Endowment and include the ability for either entity to adjust the dollar amount.

**TERM OF AGREEMENT**

This interagency agreement shall become effective on the date of the last signature herein.

This agreement may be modified or amended only upon written request of either party and with the concurrence of the other party.
EFFECTIVE DATE AND DURATION

The effective dates of this Interagency Agreement will be September 1, 2013 through August 31, 2014.

MEMORANDUM OF UNDERSTANDING
between
THE JAPAN-UNITED STATES FRIENDSHIP COMMISSION
and
THE NATIONAL ENDOWMENT FOR THE ARTS

I. PARTIES AND PURPOSE

The purpose of this Memorandum of Understanding is to coordinate an effort between the Japan-United States Friendship Commission (JUSFC) and the National Endowment for the Arts (NEA) to support artist residencies through the U.S./Japan Creative Artists' Program. The purpose of the residencies is to enable U.S. artists to explore elements in Japanese culture that are relevant to the art they create and to contribute to cultural understanding and dialogue between the U.S. and Japan.

The residencies are open to professional creative artists who are already established in their fields and show clear potential to become prominent members of their professions. The program is not open to persons who are primarily historians, scholars, or critics of the arts.

Enclosure
INTERAGENCY AGREEMENT (IAG) 513-13

between the

NATIONAL ENDOWMENT FOR THE ARTS

and the

FEDERAL BUREAU OF PRISONS

The Department of Justice, Federal Bureau of Prisons, Washington, D.C. (hereinafter referred to as "BOP") enters into this Interagency Agreement (hereinafter referred to as the "Agreement") with the National Endowment for the Arts (hereinafter referred to as the "Endowment" or "NEA") to provide an Artist-in-Residence program in the Federal Prison System.

1. AUTHORITY:

2. THE ENDOWMENT SHALL:

A. Work with local arts agencies to recommend artists for selection by the federal correctional institutions and monitor the programs in conjunction with the Central Office liaison.

B. Obligate and subsequently reimburse up to a total of $30,000 to the BOP for the purposes of this Agreement. Payment will be made from the Endowment ALC Code: 59-00-0002 to the BOP Trust Fund ALC Code: 15-10-0459. Funding will be utilized by the BOP Trust Fund Branch to pay $96,000 ($66,000 from the BOP and $30,000 from the Endowment) toward the cost of the artist (total of six sites) through a BOP contract with the artist.

C. Make every effort to complete the necessary advance work to ensure that the local contract can be awarded at the onset of each Fiscal Year.
3. **THE BOP TRUST FUND BRANCH SHALL:**

A. Submit bills to the NEA Finance Office and initiate IPAC reimbursement(s) at least quarterly by the 22nd of the month when expenses are incurred.

B. Select, per the advisement of the Education Branch, the federal correctional institutions at which the artists will be located. Provide the name of the institutions earmarked for the programs no later than December 1, for the ensuing Fiscal Year.

C. Provide consultation, space, equipment, materials, guidance and support services at the selected institution.

D. Provide funding in the amount of $96,000 ($66,000 from the BOP and $30,000 from the Endowment) through the Budget Execution branch to the participating BOP Regional office (for allocation to the participating institution). Funds will be used toward the cost of the artists' contract for six sites (totaling up to $96,000).

E. Assure the award amount of the contracts established between the selected federal corrections institutions and the artists is awarded each Fiscal Year for a combined total of not more than $96,000. The artist is required to spend a minimum of 7.5 hours per week conducting the program (i.e., teaching and working with inmates). In addition, 2.5 hours will be made available to the artist to work in a studio-type space to prepare for class (for example, 10 total hours per week for a period of 48 weeks per year).

   If the institution cannot provide proper studio-type space for class preparation, the artist will be permitted to telework for the 2.5 hours off site. The artist will invoice the correctional institution on a monthly basis for the services performed. The institution will issue payment (Electronic Funds Transfer) to the artist.

F. The BOP will make every effort to complete the necessary advance work to ensure that the local contract is awarded at the onset of each Fiscal Year. For specific guidance pertaining to the advanced work requirements, please refer to the BOP Education Branch.

G. Artists will be subject to the BOP's regular security procedures for contractors, such as background checks and attendance of any required institution contractor/vendor training.

H. Report quarterly expenses to the NEA Finance contact to reconcile funds not later than June 22, 2013.
I. Submit to the NEA Project Director no more than 90 days following the end of the period of agreement a report on the Artist-in-Residence program, including locations of correctional institutions participating, number of artists employed, type of art form and classes offered, and number of participants at each location.

4. REIMBURSEMENT OF FUNDS:

The statement of federal financial accounting standards (SFFAS) 30 requires that un-reimbursed or under-reimbursed costs of the performing agency be communicated to the recipient of services. Each entity's full cost should incorporate the full cost of goods and services that it receives from other entities. The entity providing the goods or services has the responsibility to provide the receiving entity with information on the full cost of such goods or services either through billing or other advice. Recognition of inter-entity costs that are not fully reimbursed is limited to material items that (1) are significant to the receiving entity, (2) form an integral or necessary part of the receiving entity's output and (3) can be identified or matched to the receiving entity with reasonable precision. Broad and general support services provided by an entity to all or most other entities should not be recognized unless such services form a vital and integral part of the operation or output of the receiving entity. This Interagency Agreement reflects full cost recovery.

Reimbursement without Advance: The NEA agrees to obligate and subsequently reimburse up to $30,000 to the Federal Bureau of Prisons for the purposes of this Agreement.

5. TRANSFER OF FUNDS:

For each Fiscal Year in which this agreement is in effect, and a transfer of funds is planned, a transfer of funds document must be initiated at the onset of each Fiscal Year and be finalized before the collections can be made (a finalized transfer of funds document is a new IAG).

The BOP will initiate one or more reimbursement transfers of funds for up to $30,000 no later than June of each Fiscal Year from the NEA through the Intragovernmental Payment and Collection System (IPAC) billing. The NEA Finance Office requires a status of funds report from the BOP to be able to timely apply expenditures against this transfer. The IPAC billing document that the BOP prepares shall contain the following information:

COMMITTEE ON NATIONAL STATISTICS

I. PARTIES AND PURPOSE

The purpose of this Agreement between the National Endowment for the Arts (NEA) and the National Science Foundation (NSF) is for core sponsorship of the Committee on National Statistics (CNSTAT) at the National Academies.

II. LEGAL AUTHORITY

NSF: National Science Foundation Act of 1950, as amended (42 USC 1861-76).

III. BACKGROUND INFORMATION

Established at the National Academies in 1972, the Committee on National Statistics (CNSTAT) convenes expert panels to conduct studies on the data and methods needed to improve our understanding of the U.S. population, the economy, the environment, public health, crime, education, immigration, poverty, welfare, terrorism, and other public policy topics.

Support for the Committee's activities, which include oversight of its panel studies and the conduct of some special studies, together with semi-annual public symposia on topics of interest to the federal statistical and research communities, is provided by a consortium of federal agencies. Sponsor agencies that contribute to CNSTAT core funding include the National Science Foundation, the National Institute on Aging, the National Institute of Child Health and Human Development, the Bureau of Economic Analysis, and other agencies that transfer funding to NSF's core grant to the Committee, including the U.S. Census Bureau, Social Security Administration, and agencies of the Departments of Agriculture, Defense, Education, Energy, Health and Human Services, Homeland Security, Housing and Urban Development, Justice, Transportation, and Treasury.
IV. RECOVERY RATE

This agreement in the total amount of $16,010 includes $1,010 to cover NSF’s administrative costs, based on NSF’s established rate of 6.31%, related to undertaking this activity.

V. SCOPE OF WORK

The NEA shall:

- Transfer $16,010 to the NSF.
- Participate in a rotating series of CNSTAT business meetings to discuss the NEA’s research agenda and interests with CNSTAT members and staff;
- Participate in network opportunities with other core sponsor agency officials at seminars and workshops; and
- Explore the possibility of joint sponsorship of a CNSTAT workshop or panel discussion about arts-specific research topics.

The NSF shall:

- Transfer $15,000 payment to CNSTAT
- Retain a 6.31% processing fee of $1,010. Provide a proof-of-payment report to the NEA Point of Contact after payment has been transferred.

VI. ACKNOWLEDGEMENT AND VISIBILITY

Support from the NEA shall be appropriately acknowledged in all materials produced under this interagency agreement.

VII. EFFECT OF AGREEMENT

This Interagency Agreement is an internal Government agreement, and does not confer any legal right upon any private person or private entity.

This Interagency Agreement does not restrict NSF or the NEA from participating in similar activities or arrangements with other entities.

VIII. AGENCY CONTACTS

The NEA point of contact for this interagency agreement is Ellen Grantham, Program Analyst, Office of Research and Analysis. The NSF point of contact for this interagency agreement is Cheryl L. Eavey, Directorate for Social, Behavioral, and Economic Sciences Program on Methodology, Measurement and Statistics.
IX. **TERM OF AGREEMENT**

This Interagency Agreement may only be modified or amended in writing upon written request of any party and with the concurrence of the other parties hereto. This Interagency Agreement will become effective on the date of the last signature herein and will remain in effect until September 1, 2014.

X. **SFFAS REPORTING REQUIREMENTS**

The *Statement of Federal Financial Accounting Standards* (SFFAS) 30 requires that unreimbursed or under-reimbursed costs of the performing agency be communicated to the recipient of services. Each entity’s full cost should incorporate the full cost of goods and services that it receives from other entities. The entity providing the goods or services has the responsibility to provide the receiving entity with information on the full cost of such goods or services either through billing or other advice. Recognition of inter-entity costs that are not fully reimbursed is limited to material items that (1) are significant to the receiving entity, (2) form an integral or necessary part of the receiving entity’s output, and (3) can be identified or matched to the receiving entity with reasonable precision. Broad and general support services provided by an entity all or most other entities should not be recognized unless such services form a vital and integral part of the operations or output of the receiving entity.

The service provider will indicate if this interagency agreement reflects full cost recovery.

☑ Yes, full recovery

The service provider will indicate if this interagency agreement does not reflect full cost recovery.

☐ No, not full cost recovery

The service provider will provide the recipient of services with the amount of unreimbursed or under-reimbursed costs on a quarterly basis by the 22nd of the end of the quarter.

The recipient of services will notify the service provider whether any amounts not fully reimbursed will meet the above recognition criteria. If yes, both agencies will report their unreimbursed/imputed costs.

XI. **TRANSFER OF FUNDS – REIMBURSEMENT WITHOUT ADVANCE**

The NEA agrees to obligate $16,010 to the NSF for the purposes of carrying out Section IV of this Interagency Agreement. The NSF will initiate the transfer using the Intra-governmental Payment and Collection (IPAC) system. The NSF will submit a report of expenditure to the NEA Finance Office point of contact immediately after expenditure of the funds.

*To calculate correct ACR amount as a percentage of the program support funds, divide the program support funds by 0.9369, which equals the total amount to be transferred (the difference between this calculated total and the program support funds is the exact ACR amount – MUST be rounded to nearest whole dollar)*

Beginning March 18, 2013, FastLane will begin automated compliance checking of all required proposal sections. Guidance on the required sections is available in [Grant Proposal Guide (GPG), Chapter II.C.2](http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=5421&org=SES&from=home). FastLane will not accept your proposal if one of the required sections is missing.
Hi Cheryl,

Attached please find a PDF of the Interagency with the NSF for National Endowment for the Arts' funding of CNSTAT signed by the NEA but not yet signed by NSF, per your instructions.

I believe we need Martha Dotson's signature, and then NSF will return a PDF of the completed document to us?

If you must have a hard copy with original signatures, just let me know and I'll arrange to get that to you, but I believe we managed the transaction with a PDF last year.

Thanks so much,

Ellen

Memorandum of Understanding
Between the National Endowment for the Arts (NEA) and the Foreign Service Institute (FSI) on
Supporting the Professional Development of Foreign Service Officers

I. Purpose

The purpose of this non-binding Memorandum of Understanding (MOU) between the National Endowment for the Arts (NEA) and the Foreign Service Institute (FSI) (collectively referred to as "the Participants") is to document the arrangement between NEA and FSI to establish an extra-curricular program designed to familiarize certain students at FSI, particularly incoming Foreign Service Generalists and Specialists, with American art and culture, in order to enhance the students' ability to appropriately represent and promote American culture on overseas assignments.

The Participants understand that only members of the Specialist and Generalist Orientation classes and, space permitting, their spouses/partners are eligible to participate in this program as described below. Participants also understand that participation by eligible FSI students is optional.

II. Roles of the Participants

A. The NEA, subject to the availability of funds, is expected to:

1. Coordinate with U.S. Government-linked institutions, such as the John F. Kennedy Center for the Performing Arts, the National Gallery of Art, and the Smithsonian Institution, to arrange three to six events focusing on American art and culture per calendar year, including cultural performances, art exhibitions, lectures, and receptions, that are intended to provide new Foreign Service generalists and specialists with educational opportunities. Planned events will be cost-free to the public, and transportation will be self-arranged by FSI participants.

2. Coordinate with FSI in scheduling these events so that the events do not conflict with FSI scheduled classes or other events.

3. Serve as liaison with the US Government-linked institutions described above in arranging the events.

B. FSI, subject to the availability of funds, is expected to:

1. Coordinate with NEA on selecting dates for NEA-hosted events, promote maximum attendance, and convey event information from NEA to the eligible students.

2. Encourage eligible FSI students (and spouses/partners when space is available) to attend NEA-arranged events.
III. Effective Date and Period of Agreement or Termination

This MOU is effective upon the latest date signed until termination is agreed upon by the parties. The Participants agree to review this MOU annually. Either party may terminate this agreement unilaterally with 60 days’ advance written notice.

IV. Funding

A. The Participants to this MOU are expected to cover their own costs, if any, incurred as a result of this MOU.

B. Nothing in this Agreement constitutes an obligation, commitment of funds, or is otherwise intended to obligate the Participants to expend, exchange, or reimburse funds, services or supplies, or transfer or receive anything of value.

V. Changes to the MOU

This MOU may be modified in writing upon the mutual written consent of the Participants. Such consent must be obtained at least 60 days in advance of the modification taking place. The approval authorities for any modifications to the MOU are:

Executive Director, Foreign Service Institute
U.S. Department of State
Washington, D.C. 20522-4201

Acting Chairman
National Endowment for the Arts
1100 Pennsylvania Avenue, NW
Washington, DC 20506-0001

VI. Staff Coordination: Points of Contact

Points of Contact for this MOU are:

FSI: Mirembe Nantongo
    Associate Dean
    School of Professional and Area Studies

NEA: Pennie Ojeda
    Director
    International Affairs
VII. Terms

Nothing in this MOU is intended to conflict with current law or regulation. If any term of this MOU is inconsistent with such authority, then that term is invalid, but the remaining terms and conditions of this MOU remain in full force and effect.

VIII. Miscellaneous

This MOU is strictly for internal management purposes for each of the Participants. It is not legally enforceable, does not expand or alter the scope of the Participants’ respective authorities, and shall not be construed to create any legal obligation on the part of either agency or private cause of action for or by any person or entity. Since this MOU is not legally binding, the Participants may depart from its terms whenever it is deemed necessary or appropriate to do so in the discharge of their statutory responsibilities, except that in the interests of cooperation, each participating agency, if appropriate and practical, agrees to advise the other of any intention to depart from the terms of this MOU prior to doing so.

All agreements herein are subject to, and will be carried out in compliance with, all applicable laws, regulations and other legal requirements.

MEMORANDUM OF UNDERSTANDING
AMONG THE NATIONAL ENDOWMENT FOR THE ARTS,
THE NATIONAL SCIENCE FOUNDATION, AND
THE NATIONAL ENDOWMENT FOR THE HUMANITIES
TO
SUPPORT RESEARCH, PRACTICE AND INNOVATION AT THE
INTERSECTION OF ARTS, SCIENCE AND HUMANITIES

I. PARTIES AND PURPOSE

The purpose of this Agreement among the National Endowment for the Arts (NEA), the National Science Foundation (NSF) and the National Endowment for the Humanities (NEH) is to facilitate cooperation among the agencies on areas of shared interest.

The NEA, NSF, and NEH, hereby defined as the “Parties,” have partnered over the past two years to convene leaders across cultural, scientific and technological fields and sectors to examine issues of shared interest. The programs of these three agencies each support excellence and innovation through merit-reviewed grant-making in a broad range of disciplines. Across the three agencies, such grants cultivate and promote creative discovery, economic development, invention, innovation, and the acquisition of cross-sector knowledge.

The agencies anticipate working collaboratively to leverage research and development (R&D) investments to build an interdisciplinary community of researchers and practitioners who cross over the fields of art, science, humanities, education and engineering with a particular awareness of the new possibilities enabled by digital technology.

The NEA, NSF and NEH recognize that it would be advantageous for the three agencies to leverage investments and expertise around strategically aligned goals to ensure that the agencies' resources achieve maximum impact at the intersection of the arts, science and the humanities. This tri-agency collaboration will support and assess projects and promote activities that will continue to enhance understanding of the integral role that science, art, and the humanities can play to address the most complex challenges and opportunities facing America's future within these significant realms.
II. **LEGAL AUTHORITY**

NSF: National Science Foundation Act of 1950, as amended, 42 USC 1861 et seq.

These authorizations for the organizations, together with the internal policies and procedures of each, define the authority of these organizations to enter into this Memorandum of Understanding (MOU).

III. **SCOPE OF WORK**

The purpose of this MOU is to outline the broad set of principles to facilitate continued cooperation among units of the NEA, NSF and NEH. Each agency will designate representatives to lead a cross-agency planning group. These representatives, with the assistance of the appropriate offices of NEA, NSF, and NEH, will develop program plans and implement activities that advance the goals of all three agencies. These follow-on activities may include specific programs, projects and initiatives; joint announcements of competitions; evaluations; and/or data collection programs. NEA, NSF, and NEH will ensure joint activities are managed through appropriate funding authorities and mechanisms.

IV. **AGENCY CONTACTS**

The NEA points of contact for this MOU are Bill O'Brien - Senior Advisor for Program Innovation, and Michael Orlove - Artists Communities, Presenting and Multidisciplinary Works Director; the NSF point of contact is Alphonse DeSena - Program Director, Division of Research on Learning in Formal and Informal Settings; the NEH points of contact are Eva Caldera - Assistant Chairman for Partnership and Strategic Initiatives, and Jason Rhody - Senior Program Officer, Office of Digital Humanities.
V. EFFECT OF AGREEMENT

This MOU in no way restricts the NEA, NSF or NEH from participating in similar activities or arrangements with other entities.

This Agreement is strictly for internal management purposes for each of the Parties. It is not legally enforceable and shall not be construed to create any legal obligation on the part of any of the Parties. This Agreement shall not be construed to provide a private right or cause of action for or by any person or entity.

This MOU is neither a fiscal nor a funds obligation document. Nothing in this MOU authorizes or is intended to obligate the Parties to expend, exchange, or reimburse funds, services, or supplies, or transfer or receive anything of value. Nothing in this MOU may be construed to obligate NEA, NSF or NEH to any current or future expenditure of resources in advance of the availability of appropriations. Nor does this MOU obligate NEA, NSF or NEH to spend funds on any particular project or purpose, even if funds are available.

Specific projects or activities between the Parties must be detailed in writing, such as an MOU, interagency agreement, management plan, or other documentation appropriate to the nature of the activity and the agencies’ requirements, and signed at the NSF Assistant Director level, NEA Deputy Chairman level, and NEH Deputy Chairman level, or higher.

VI. RESOLUTION OF DISAGREEMENTS

Should disagreement arise under this agreement, or amendments and/or revisions thereto, that cannot be resolved at the Division Director level, the area(s) of disagreement shall be stated in writing by each Party and presented to the other Parties at the Assistant Director/Deputy Chairman level for consideration.

VII. TERM OF AGREEMENT

This MOU shall become effective on the date of the last signature herein and shall remain in effect through September 30, 2017, unless terminated earlier by the Parties.

This MOU may be amended only by written agreement of the Parties. Any Party may terminate its participation with 90 days advance written notice to the other Parties, who may elect to continue activities under this MOU. This MOU may be terminated immediately by written consent of all Parties.
