REPLY TO  
ATTENTION OF

Legal Office

October 20, 2014

This is the final response to your FOIA request received September 25, 2014 and assigned Chemical Materials Activity (CMA) FOIA # FP-14-031792 / FA-14-0004 where you requested a copy of the title page only of each of the ten oldest classified documents maintained at Chemical Materials Activity (CMA).

I have enclosed a redacted version of this record. The redacted record were subject to FOIA exemptions (b)(6).

FOIA Exemption (b)(6) protects the public disclosure of information that is personal in nature, such as information contained in personal files, when disclosure of that information would constitute a clearly unwarranted invasion of personal privacy. DoD practice currently protects most cell and home telephone numbers names of third parties mentioned in DoD documents. Also, current practice protects pay information (e.g. GS levels). Therefore, such information has been redacted.

The documents were copied from the records currently maintained and are an accurate reproduction. Any illegible portions are similarly illegible on the records the government maintains. If you find this response to be an adverse action, you may administratively appeal to the Secretary of the Army. I have been delegated as an Initial Denial Authority. Any such appeal should be addressed to this office for forwarding to the Army General Counsel, which is the U.S. Army's appellant authority. To meet the deadline for the appeal, the appeal letter must be received by this office and forwarded to the Secretary of the Army within sixty (60) days of the date of this letter. Please send correspondence to the following address:

Valaria Johnson, FOIA Officer  
Chemical Materials Activity  
E-4585 Hoadley Road  
Aberdeen Proving Ground, MD 21010-5424

Should you have any questions or concerns regarding the processing of your request, please contact Valaria Johnson at (443)861-5232 or [valaria.r.johnson.civ@mail.mil](mailto:valaria.r.johnson.civ@mail.mil).

Sincerely,

Ruth E. Flanders
