Re: OIP/13-04990 (F)

This responds to your Freedom of Information Act (FOIA) request dated August 21, 2013, and received in this Office on August 27, 2013, in which you requested a copy of the administrative appeal log from 2011 to August 21, 2013. This response is made on behalf of the Office of Information Policy.

By letter dated September 18, 2013, we advised you we were processing records that are responsive to your request. We have now completed our processing and our disclosure determinations have been made. I have determined that 964 pages are appropriate for release with excisions made pursuant to Exemptions 6 and 7(C) of the FOIA, 5 U.S.C. § 552(b)(6), (b)(7)(C). Exemption 6 pertains to information the release of which would constitute a clearly unwarranted invasion of the personal privacy of third parties. Exemption 7(C) pertains to information compiled for law enforcement purposes, the release of which could reasonably be expected to constitute an invasion of the personal privacy of third parties. For your information, the withheld information consists of the names of Federal Bureau of Investigation personnel, the names of individuals who have filed administrative appeals (to protect the identities of first-party appellants), and the names of individuals who are the subject of such appeals. None of the information being withheld is appropriate for discretionary disclosure.

Please be advised that this log includes administrative appeals of denials of FOIA/PA requests made to the Department. The information contained in this log is limited to the information input into our electronic tracking system and includes the request number, request text, Department component to which the request was initially submitted, appellant name, dates on which the appeal was received and closed, and the final determination, when applicable. The enclosed appeal log covers the time frame of January 1, 2011, to November 4, 2013.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. *See* 5 U.S.C. § 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the

requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

If you are not satisfied with my response to this request, you may administratively appeal by writing to the Director, Office of Information Policy, United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, DC 20530-0001, or you may submit an appeal through this Office's eFOIA portal at <http://www.justice.gov/oip/efoia-portal.html>. Your appeal must be received within sixty days from the date of this letter. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

Sincerely,

A handwritten signature in blue ink, appearing to read "Vanessa R. Brinkmann", with a small "BR" monogram at the end.

AP-2012-02040	Seeking status of Public Record Media's administrative appeal (dated Dec. 30, 2011) of OLC's denial of FOIA request dated Oct. 11, 2011. Status information sought: - Confirmation of receipt (including date received) of administrative appeal by OIP appeals section; - Estimated time for response to administrative appeal Note - Administrative appeal was apparently mis-directed within DOJ, according to OIP attorney Ken Courter. In an April 24, 2012 e-mail, Mr. Courter stated that he would personally deliver a copy of the appeal to the OIP appeals section.			4/27/2012

AP-2012-02333	I am submitting an appeal of a FBI FOIA request Numbered: 1188468-000. I requested records that had been previously provided to MSNBC and The Washington Post which included several FBI surveillance video's. The FBI denied my FOIA request citing (b) (7) (A). The videos I requested were given to the above mentioned news organization, but my request for the same records was denied. I am requesting my FOIA request be reviewed and I am submitting a formal appeal. No one at the FBI has been able to provide me with an answer as to why these same records were provided to the mentioned news organization but not myself. Please Advise, (b) (6)	Federal Bureau of Investigation	(b) (6)	5/17/2012		
AP-2012-02334	RE: FOIPA Request No: 1187123-000 I am appealing the full denial of the records. I submitted a FOIA request on April 1, 2012 regarding the FBI Operation "Ghost Stories". I received a response that ALL THE RECORDS ARE MISSING, and that my request was closed. I am requesting that my request not be closed and that the records I requested be found and remitted to me. Please Advise, (b) (6)	Federal Bureau of Investigation	(b) (6)	5/17/2012	8/29/2012	Affirmed

AP-2012-02460	<p>KIRO-TV 2807 3rd Avenue Seattle, WA 98121  June 5, 2012 FOI/PA APPEAL RE: 12-00300-F  Washington, DC Dear FOIA Officer: This letter is to appeal the decision by Mr. Nelson Hermilla, from the Department of Justice, Civil Rights Division, regarding my recent FOIA request for, "internal account payable records documenting overtime monies, transportation (e.g. airfare, car rentals, taxis, etc.) costs, housing/hotel reimbursements and stipends given to DOJ employees investigating the Seattle Police Department..." filed on May 9, 2012. The denial of my request cited two reasons: 5 U.S.C. section 552 (b)(7)(A) and 5 U.S.C. section 552 (b)(7)(C). I counter that the ongoing investigation of the Seattle Police Department concluded by December 2011. That was evidenced by a DOJ letter hand delivered to Mayor McGinn and released to the public on December 16, 2011 reporting "the findings" of the investigation. I further counter that exempt and non-exempt material must be segregated pursuant to 5 U.S.C. section 552(b) with exempt material released and non-exempt material redacted but disclosed. Essentially, I am interested in the cost of DOJ's 2011 investigation into the Seattle Police Department. I believe the request follows the spirit and more importantly the law of the Freedom of Information Act. The information requested will inform the public by showing how taxpayer money is used by the DOJ. Consequently, the denial is unwarranted. Thank you for your consideration in this matter. Sincerely, (b) (6) KIRO-TV (b) (6) (b) (6) @kirotv.com</p>	Civil Rights Division	(b) (6)	6/5/2012

AP-2012-02607	<p>Dear Sir or Madam, On June 5, 2012, I was informed by the DOJ that my FOIPA of the FBI (#1182573) was improperly denied and that the matter would be remanded to the FBI for further processing. It is now June 17, 2012, and I have yet to receive the documents from the FBI. For purposes of your records, it was appeal number: AP-2012-01683. I would like to know whether I need to do anything else in order to get the FBI to give me the records, or whether your having remanded it will initiate the proper procedures with which they will comply. I cannot thank you enough for all of the assistance you have provided me in the matter. Kind regards, (b) (6) (b) (6) @gmail.com)</p>		(b) (6)	6/17/2012
