FOIA 13-008

This is in response to your FOIA request 13-008, dated June 11, 2013, in which you requested the minutes of the Military History Coordinating Committee (MHCC) for the last ten meetings.

The Chief of Military History convened the MHCC yearly between 2001 and 2010. There is no requirement for minutes of the meeting to be kept and none have been found. We have found notes from a person who was invited to attend as a field history representative. We are providing copies of these notes for the meetings in 2001, 2002, 2003, and 2010. This individual was not invited to the meetings between 2004 and 2009.

Mr. Robert J. Dalessandro, the current Director of Military History, has not convened any meetings of the MHCC since he was appointed in 2011.

If you have questions regarding this request, please contact Mr. Frank R. Shirer at the above address or at telephone number (202) 685-3098 or via e-mail [Frank.Shirer@US.ARMY.MIL](mailto:Frank.Shirer@US.ARMY.MIL)

1. BG Brown: BG Brown began discussion with a few points from his DAHAC briefing, reviewing "kudos, conditional kudos, and concerns," from last year's DAHAC. BG Brown then revealed that the Director of the Army Staff, LTG Lovelace, had told him that the CSA had made a decision to civilianize (to an SES) the position of Chief of Military History. The MHCC then adjourned.

## **2010 NOTES AND ISSUES FROM MHCC (20 OCT 2010)**

### **Col Crean (Opening Comments)**

- CMH recently hired new Web Master and Information Mgmt

- Progress in Digitization

- Overhaul of CMH Web Site (seeking a wider audience)

- Want to increase electronic publishing – to take advantage of the use of IPODs

-Due to downturn in economy, Visiting Professor position has been vacant for 2 years, but will be filled this coming year

-Noted increase in Cadet size (largest incoming class = 1,397 for this fall), this is generally due to high acceptance rate

Prep school move from Fort Monmouth to West Point

## **CSI (Dr Robertson)**

### -Publications

Stressed the problems with contractor-produced volumes that have to be “fixed” by permanent staff—but staff is now down to one writer-researcher thus production is slowed greatly

- Published first volume on Afghanistan (“Different Kind of War”)

- In Draft (“On Point 3”, “On Point 4”, “Different Kind of War II”)

- Publish smaller studies (Maroon books), Recently published “Fire for Effect”

- Occasional Papers (“British Operations on the Northwest Frontier”)

2 volumes of Interwar Order of Battle are at printer—two more to go

-Miscellaneous Publications (“Battle of Wanat” has gone to press) –used this as an example of contractor-related problems—also manuscript was leaked to press

-Contractors have been driven off post due to legal matters—makes it impossible to monitor progress and quality of manuscripts

-Production has slowed down significantly, thus the “product is not as good”

-Oral History (covering all majors coming through CGSC on their respective combat experiences – these interviews are done by contractors)-1900 interviews completed and posted to web

-Staff Ride program (characterized as “very robust”)

-noted the virtual staff ride program called “Staff Ride in a Box”—transportable but not exportable

-Noted the 2 week Military History Instructors Course and Field Historian Course

-About to lose Clay Mountcastle who constitutes the instructional support team

CSI has 14 total people full time and can be augmented by contractors as they come and go

Some discussion of oral history index—COL Crean said he would be agreeable to CMH consolidating information and making it available to MHCC members

Mentioned CMH web does not have links to all MHCC members (we are working on fixing that)

-AHEC noted the need to get the word out about conferences

Mr. Bell brought in to discuss VMUS funding

Mr. Dalessandro thinks we need more presence in “the building”—only 2 cubicles instead of an office—both he and COL Crean stated no chance for CMH to go back under DAS or to get a general officer to fill Director's slot—won't update strategic plan until new director arrives in 6 to 9 months
