System Operations Services
600 Independence Avenue, SW.
Washington, DC 20597

MAR 24 2016

This letter responds to your Freedom of Information Act (FOIA) request, 2014-010723, dated March 31, 2014. Your request sought the FAA NAS Daily Events Log for each day during March 2014.

A search was conducted by the Air Traffic Organization, System Operations Services, Security office. All records provided in the enclosed CD include all requested NAS Daily Event Logs for the time period specified. Portions of the requested documents are being withheld under FOIA Exemption 7E (5 U.S.C. 552(b)(7)(E)). FOIA Exemption 7E protects law enforcement information which "would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations if such disclosure could reasonably be expected to risk circumvention of the law" and protects information relating to homeland security.

If you owe fees for the processing of this request, an invoice containing the amount due and payment instructions will be enclosed with this letter.

The undersigned is responsible for this partial denial determination. You may request reconsideration of this determination by writing the Assistant Administrator for Finance and Management (AFN-140), Federal Aviation Administration, 800 Independence Avenue, SW., Washington, D.C. 20591, or through electronic mail at: FOIA-Appeals@faa.gov. Your request for reconsideration must be made in writing within 45 days from the date the initial determination was made and must include all information and arguments relied upon. Your appeal must also state that it is an "appeal" from the above-described denial of a request made under the FOIA. The envelope containing the appeal should be marked "FOIA."

Sincerely,

4/ Daniel E. Smiley
Acting Vice President, System Operations Services
Air Traffic Organization

2224	EMERGENCY ; HQ DEN; ZKC; FURY11; B2; SZL..SZL; Equipment issue with RADIO issues. ACFT cancelled emergency at 2239.
2230	ADMIN; HQ DEN; CT off; RS on HQE/HQW.
2253	NCR-COORDINATION; (b) (7)(E)
2307	COD; HQ DEN; ZAB; UAL1459; B737; IAH..LAS New Destination: PHX; Contaminated fuel at LAS.
2333	AIRPORT,PAGED; HQ DEN; ZAB reported a COD due to fuel contamination at LAS. HQ DEN contacted L30, who advised of NOTAM concerning fuel at LAS and had no other information. SOSC researched NOTAMS reference LAS and found D 03/030. HQ DEN contacted LAS Airport OPS for more information. LAS OPS were in a meeting discussing the issue. The Director of Airport Operations (Rosemary Vassiliadis) reported the contamination was detected during routine testing; nothing suspicious or security related to the incident. Four (4) tanks have been quarantined due to the fuel not passing the thermal stability requirement. LAS OPS believes the problem may be involved with the pumping system; no fuel reached the hydration system. D NOTAM 03/030 just advised of a possible low fuel situation at LAS. LAS OPS reported they have plenty of fuel to get through to COB today. HQ DEN contacted ATCSCC who were already aware of the situation. No impact expected to today's operations.
2340	NORDO; HQ DEN; ZAU; ASQ4642; E45X; SAV..ORD; Aircraft reported on course, at assigned altitude. Attempting contact on Guard and with Company. Communications re-established at 2347.
