DEFENSE INTELLIGENCE AGENCY

WASHINGTON, D.C. 20340-5100

U-14-1268/FAC2A1 (FOIA)

MAR 18 2015

This is an amendment to the Defense Intelligence Agency's (DIA) February 7, 2014 response to your Freedom of Information Act (FOIA) request dated December 1, 2008, therein you requested a list of authors and titles of the masters' thesis submitted to the Joint Military Intelligence College/National Defense Intelligence College during academic years 2003-2005.

DIA initially withheld all substantive portions of the five documents (46 pages) responsive to your request pursuant to Exemptions 1, 3 and 6 of the FOIA, 5 U.S.C. § 552 (b)(1), (b)(3) and (b)(6).

Upon further review of DIA's initial response, I have determined that some portions of the five documents are releasable and some portions must be withheld in part from disclosure pursuant to Exemptions 1, 3, and 6 of the FOIA, 5 U.S.C. § 552 (b)(1), (b)(3), and (b)(6). Exemption 1 applies to information properly classified under the criteria of Executive Order 13526. Exemption 3 applies to information specifically exempted by a statute establishing particular criteria for withholding. The applicable statute is 10 U.S.C. § 424. Statute 10 U.S.C. § 424 protects the identity of DIA employees, the organizational structure of the agency, and any function of DIA. Exemption 6 applies to information which if released would constitute an unwarranted invasion of the personal privacy of other individuals.

If you are not satisfied with my response to your request, you may exercise your right to file an administrative appeal by writing to the address below and referring to case number 0076-2009. Your appeal must be postmarked no later than 60 days after the date of this letter.
