Enclosed are 80 pages of record material which can be released to you. Certain deletions have been made to this material pursuant to (title 5, United States Code U.S.C. section 552 (b)(6)), which protects against the disclosure of information that, either by itself or in conjunction with other information available to either the public or the FOIA requester, would result in an unwarranted invasion of an individual's personal privacy, without contributing significantly to the public's understanding of the activities of the Federal government. Generally, privacy interests cognizable under the FOIA are found to exist in such personally identifying information as a person's name, medical history, and social security number.

If you choose to file an appeal, your appeal must be postmarked no later than ninety (90) calendar days from the date of this letter to **Office of General Counsel (OGC) (024), Department of Veterans Affairs, 810 Vermont Avenue, N.W., Washington, DC 20420**. Please include your case number in any appeal. Also, include a copy of this letter with your written appeal and clearly state why you disagree with the determinations set forth in this response.
