The Bureau of Safety and Environmental Enforcement (BSEE) FOIA office received your Freedom of Information Act (FOIA) request on June 11, 2015, and assigned it control number **BSEE-2015-00207**. Your request seeks "an electronic copy of the BSEE FOIA Case Log for FY 2015 to date." Please cite this number in any future communications with our office regarding your request.

We are writing today to respond to your request on behalf of the BSEE.

Because you asked for the agency's FOIA Log, BSEE ran the "Bureau FOIA Log Report" in the Department of the Interior's (DOI's) electronic FOIA tracking system on June 11, 2015 for fiscal year 2015 (FY15). Our search resulted in the retrieval of the enclosed FY15 Bureau FOIA Log Report (13 pages total) that is responsive to your request. We are releasing them to you in full in the format in which they were generated in the FOIA tracking system. Please note that fields in the log marked, "Exempt," contain information that has been deleted because it is covered by FOIA Exemption 6.

In accordance with [43 C.F.R. §§ 2.57, .58, .59](#), you may appeal this response to the Department's FOIA/Privacy Act Appeals Officer. If you choose to appeal, the FOIA/Privacy Act Appeals Officer must receive your FOIA appeal **no later than 30 workdays** from the date of this letter. Appeals arriving or delivered after 5 p.m. Eastern Time, Monday through Friday, will be deemed received on the next workday.

Your appeal must be made in writing. You may submit your appeal and accompanying materials to the FOIA/Privacy Act Appeals Officer by mail, courier service, fax, or email. All communications concerning your appeal should be clearly marked with the words: "FREEDOM OF INFORMATION APPEAL." You must include an explanation of why you believe the BSEE's response is in error. You must also include with your appeal copies of all correspondence between you and BSEE concerning your FOIA request, including your original FOIA request and BSEE's response. Failure to include with your appeal all correspondence between you and BSEE will result in the Department's rejection of your appeal, unless the

FOIA/Privacy Act Appeals Officer determines (in the FOIA/Privacy Act Appeals Officer's sole discretion) that good cause exists to accept the defective appeal.

Please include your name and daytime telephone number (or the name and telephone number of an appropriate contact), email address and fax number (if available) in case the FOIA/Privacy Act Appeals Officer needs additional information or clarification of your appeal.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of FOIA. *See* [5 U.S.C. 552\(c\)](#). This response is limited to those records that are subject to the requirements of FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

The 2007 FOIA amendments created the Office of Government Information Services (OGIS) to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation. You may contact OGIS in any of the following ways:

Office of Government Information Services

College Park, MD 20740-6001
E-mail: ogis@nara.gov

Telephone: 202-741-5770
Fax: 202-741-5769
Toll-free: 1-877-684-6448

Please note that using OGIS services does not affect the timing of filing an appeal with the Department's FOIA & Privacy Act Appeals Officer.

We do not bill requesters for FOIA processing fees when their fees are less than \$50.00, because the cost of collection would be greater than the fee collected. *See* [43 C.F.R. § 2.49\(a\)\(1\)](#). Therefore, there is no billable fee for the processing of this request.

If you have any questions, please contact me at BSEEOFIA@bsee.gov.
