Subject: FOIA 2017-50

I refer to your Freedom of Information Act (FOIA) 5 U.S.C. § 552 request No. 2017-50 sent via email dated September 14, 2017. A review of United States International Boundary and Water Commission (Agency) records has been completed.

You requested: a listing of IBWC's internal directives.

Documents responsive to your request are sent via this email on October 12, 2017. Redactions made to responsive documents indicate one, but not all, possible exemptions applicable to the redacted information.

FOIA Request No. 2017-50 is considered completed by the Agency. If you have any questions, you may contact Rebecca Rizzuti, Legal Counsel, International Boundary and Water Commission. Please be sure to refer to the FOIA number shown above in all correspondence about this request.

Appeal Rights

A FOIA requester may appeal an adverse determination of a FOIA request to the USIBWC Commissioner. 22 C.F.R. § 1102.7. The appeal should be addressed to:

United States Section, International Boundary and Water Commission
Edward Drusina, Commissioner
4171 North Mesa, Suite C-310
El Paso, TX 79902-1422

The appeal should be clearly identified as such on the envelope and in the letter by labeling it "Freedom of Information Act Appeal" or "Appeal of Records" or the equivalent. An appeal must be filed within 90 days of the receipt of an initial determination (in cases of denials of entire request), or of receipt of any records being made available pursuant to the initial determination (in case of partial denials).

The 2007 FOIA amendments created the Office of Government Information Services (OGIS) to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect a requester's right to pursue litigation. A requester may contact OGIS in any of the following ways:
