The governmentattic.org web site and its principals have made every effort to make this information as complete and as accurate as possible, however, there may be mistakes and omissions, both typographical and in content. The governmentattic.org web site and its principals shall have neither liability nor responsibility to any person or entity with respect to any loss or damage caused, or alleged to have been caused, directly or indirectly, by the information provided on the governmentattic.org web site or in this file. The public records published on the site were obtained from government agencies using proper legal channels. Each document is identified as to the source. Any concerns about the contents of the site should be directed to the agency originating the document in question. GovernmentAttic.org is not responsible for the contents of documents published on the website.

July 20, 2017

This letter is in response to your General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA-2017-001305), dated July 10, 2017, in which you requested the following:

“An extract or dataset from the REXUS database listing all vacant GSA properties in the United States.”

Enclosed please find an electronic document responsive to your request. The document contains a list of GSA properties from the REXUS database that were reported to have vacant square footage equal to building square footage, thus making them completely vacant. Please note that this dataset does not include buildings GSA has determined to be “excess” or “decommissioned.”

This completes our action on this FOIA request. Should you have any questions, please contact Mr. Nathan Smith of the GSA Public Buildings Service Office of Portfolio Management and Customer Engagement at (202) 641-6874 or by email at nathan.smith@gsa.gov. You may also contact the GSA FOIA Public Liaison, Audrey Brooks, at (202) 205-5912 or by email at audrey.brooks@gsa.gov for any additional assistance and to discuss any aspect of your FOIA request.

Sincerely,

Travis Lewis

FOIA Program Manager
