FOIA: 17-HQ-F-01132

Thank you for your Freedom of Information Act (FOIA) request dated September 10, 2017, and received September 12, 2017, at the NASA Headquarters FOIA Office. Your request was assigned FOIA Case Number 17-HQ-F-01132 and was for:

Current listing of NASA registered Trademarks

I would prefer to receive a list of US trademarks and a list of international trademarks, if those records exist, or else an aggregated listing would also be fine.

The NASA Headquarters program office(s) conducted a search for Agency records. We have identified a total of 15 pages of responsive records in response to your request. These pages are releasable in full. According to the program office, the list was obtained when services with the outside law firm managing the trademark portfolio, Ladas and Parry, ended. An up-to-date list with the firm currently managing the portfolio does not currently exist. In accordance with 14 CFR § 1206.301(g) and Department of Justice Guidance, the Agency is not required to create or compile a record in response to a FOIA request. The Act applies only to records in the possession and under the control of the Agency and in existence at the time the Agency begins its search for responsive documents.

Fees for processing this request are less than \$50.00 and are not being charged in accordance with 14 CFR §1206.504(f).

For your information, the Office of Government Information Services (OGIS) offers mediation services to resolve disputes between FOIA requesters and Federal agencies. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, Room 2510, 8601 Adelphi Road, College Park, Maryland 20740-6001 or ogis@nara.gov.

If you have further questions, please feel free to contact me at hq-foia@nasa.gov or (202) 358-2339, or you may contact Miriam Brown-Lam, Principal Agency FOIA Officer and Chief FOIA Public Liaison at (202) 358-0718.

Sincerely,

A handwritten signature in black ink, appearing to read "Martha Terry". The signature is fluid and cursive, with the first name "Martha" written in a larger, more prominent script than the last name "Terry".
