Re: Freedom of Information Act
Request dated October 11,
2017

C. 18-0081

This is to response to your E-FOIA request dated October 11, 2017 to the Railroad Retirement Board (RRB) wherein you requested a “copy of the internal list of general subject matters, addressed by legal opinions, maintained by the RRB Office of General Counsel.” You made your request pursuant to the Freedom of Information Act (FOIA).

As you are aware, the RRB is an independent agency in the executive branch of the United States Government which is charged with the administration of the Railroad Retirement Act (45 U.S.C. § 231 et seq.) and the Railroad Unemployment Insurance Act (45 U.S.C. § 351 et seq.). The Railroad Retirement Act replaces the Social Security Act with respect to employment in the railroad industry.

Pursuant to your request, enclosed is a listing of the general subject matters included in the Office of General Counsel assignment system. While each subject in the list is not addressed by a formal legal opinion, the list is used to categorize incoming assignments.

I trust that this information fully satisfies your request. If you need further assistance or would like to discuss any aspect of your request, please do not

hesitate to contact our FOIA Public Liaison, Marguerite P. Dadabo, Assistant General Counsel, at (312) 751-4945.

I trust that this information is helpful.

Sincerely,

Ana M. Kocur
