This letter is in reference to your Freedom of Information Act (FOIA) request dated 31 October 2015 for a copy of the title page and table of content of the three oldest NASIC Analytic Bulletins at NASIC, our case number 2015-00549-F.

A search was conducted and we located documents responsive to your request. After reviewing the documents we have determined that the cover page and the table of content can be released.

The FOIA provides for the collection of fees based on the costs of processing a FOIA request and your fee category. We have placed you in the "All Other" fee category, which entitles you to get the first two hours of search and 100 pages of duplication free. The documents we are providing you contain a total of 10 pages. Consequently, there will be no duplication charges to you.
