This letter is in response to your Freedom of Information Act (FOIA) request to the U.S. Fish and Wildlife Service (FWS), dated December 13, 2016, in which you requested the following:

- *“A copy of the periodic (weekly, biweekly, semi-monthly, monthly and quarterly) reports of the operations of the National Wildlife and Eagle Repository, during calendar years 2014, 2015 and 2016. These are internal reports/memos, emails describing the activities and accomplishments and statistics for the Repository, and are not written for external dissemination. These reports or memos or emails would be known to the office of the director of the Repository.”*

The United States Fish and Wildlife Service’s Office of Law Enforcement received your FOIA request on December 13, 2016, and assigned it tracking number FWS-2017-00226. Please refer to this number in communications regarding this request.

The resulting search identified (3) records that are responsive to your request. They are released to you in their entirety.

The FOIA fee for processing your request is \$30.50, calculated as follows:

Search/review time (managerial), ½ hour @ \$61.00 per hour

We do not bill requesters for FOIA processing fees when their fees are less than \$50.00, because the cost of collection would be greater than the fee collected. *See 43 C.F.R. § 2.49(a)(1).* Therefore, there is no billable fee for the processing of this request.

If you have any questions regarding your request, please contact Kenneth Perry, USFWS Office of Law Enforcement (OLE) at (703) 358-1949 or via email at kenneth_perry@fws.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "William C. Woody". The signature is written in a cursive style with a large initial "W".
