Case No.: 200704156

In response to your request, dated July 18, 2007, under the Freedom of Information Act (Title 5 USC Section 552), we conducted a search of our Central Foreign Policy Records and retrieved one document responsive to your request.

After reviewing the document, we have determined that it may be released with excisions. The released material is enclosed.

The material in the excised portion of the document is of such a nature that its release would constitute a clearly unwarranted invasion of personal privacy. As such, it is exempt from release under subsection (b)(6) of the Freedom of Information Act.

The Freedom of Information Act provides for the recovery of the direct costs of searching for and duplicating records requested for non-commercial use. However, no fee is charged for the first two hours of search time or for the first one hundred pages of duplication. Since less than two hours of search time have been expended and fewer than one hundred pages have been duplicated in this case, your request has been processed without charge to you.

We have now completed the processing of your case. If you have any questions, you may write to the Office of Information Programs and Services, SA-2, Department of State, Washington, DC 20522-8100, or telephone us at (202) 261-8484. Please be sure to refer to the case number shown above in all correspondence about this case.

We hope that the Department has been of service to you in this matter.

Sincerely,

A handwritten signature in cursive script, appearing to read "Margaret P. Grafeld".

Margaret P. Grafeld, Director
