This is in response to your July 18, 2007, Freedom of Information Act (FOIA) request for the contents of the administrative tracking file for each of the seven oldest FOIA requests pending at APHIS. Your request was received in this office on July 19, 2007, and assigned case number 07-887. We apologize for the delay of this response.

Agency employees conducted a thorough search of their files and located the enclosed 16 pages of administrative tracking files for the seven oldest cases as of the date of your original request and the seven oldest cases as of this date. However, information is withheld pursuant to FOIA Exemption 6, 5 U.S.C. § 552(b)(6). This exemption protects information from disclosure when its release would cause a clearly unwarranted invasion of personal privacy. This same information is withheld pursuant to FOIA Exemption 7(C), 5 U.S.C. § 552(b)(7)(C). This exemption protects from disclosure records or information compiled for law enforcement purposes, the release of which could reasonably be expected to constitute an unwarranted invasion of personal privacy.

You may appeal our partial denial determination. If you choose to appeal, your appeal must be in writing and must be received within 45 days of the date of this letter to:

Administrator
Animal and Plant Health Inspection Service
Ag Box 3401
Washington, D.C. 20250-3401

Please refer to FOIA 07-887 in your appeal letter and add the words "FOIA Appeal" to the front of the envelope. To assist the Administrator in reviewing your appeal, provide specific reasons why you believe modification of the determination is warranted.

Because the cost to process your request is less than \$25, the fee has been waived. If you have any questions, please contact Ms. Bev Whitfield of my staff at (301) 734-5250.

Sincerely,

for 
Tonya G. Woods
