Re: Freedom of Information Act Request

We are further responding to your April 18, 2009 request for information made under the Freedom of Information Act (FOIA).

Your request seeks the records described below:

1. The index or listing of Amtrak Mechanical Bulletins (all years)
2. A copy of each of Amtrak Mechanical Bulletins numbered 09-01 through MB 09-20.

You have indicated in your letter that if we are not able to provide an index of all the mechanical bulletins, that we could supply you with a paper listing or printout and limit the years to 2000 to the present. We have been advised by Amtrak's Mechanical Department that the Index only goes back to 2003.

In regard to your request, please find enclosed records that have been determined to be responsive to your request.

The names of Amtrak employees and their phone numbers have been redacted from the enclosed records. This information is being withheld pursuant to exemption 6 of the FOIA on the basis that disclosure would constitute a clearly unwarranted invasion of the personal privacy of these individuals.

If you wish to appeal Amtrak's decision to withhold the above-mentioned information, pursuant to Amtrak's FOIA regulations (49 CFR 701.10), you may file an appeal with Eleanor D. Acheson, Vice President, General Counsel and Corporate Secretary, within thirty days of the date of this letter, specifying the relevant facts and the basis for your appeal. Your appeal may be sent to Ms. Acheson at the above address.
