Re: **DHS/MGMT 09-38**

This is the final response to your September 30, 2008, Freedom of Information Act (FOIA) request to the Department of Homeland Security (DHS) for a copy of each annual report on the total number of SSI records generated. This office received your request on December 5, 2008.

In responding to this FOIA request, the DHS/Management Directorate searched for responsive documents in its control on the date the search began. We began our search on December 5, 2008.

We are granting your request under the FOIA, Title 5 U.S.C. § 552, as amended, and DHS' implementing regulations, 6 C.F.R. Chapter I and Part 5. After carefully reviewing the responsive documents, I determined that they are appropriate for public release. They are enclosed in their entirety; no deletions or exemptions have been claimed.

Provisions of the FOIA allow us to recover part of the cost of complying with your request. In this instance, because the cost is below the \$14 minimum, there is no charge.

If you need to contact us about this request, please refer to **DHS/MGMT 09-38**. You may contact this office at (202) 447-3106 or [foia.mgmt@dhs.gov](mailto:foia.mgmt@dhs.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Dorgan", with a long horizontal flourish extending to the right.

Mark Dorgan  
FOIA Officer
