RE: your October 4 email clarification

Elise Hsieh has asked me to respond to your request. In response to your email of October 4, 2008, a review of the former EVOS Executive Director, Mr. Baffrey's files did not yield any communications sent to or received from the Governor's Office or Governor Palin during the period of January 1, 2007 to the date of your request.

Sincerely,

A handwritten signature in black ink, reading "Cherri Womac". The signature is fluid and cursive, with a long horizontal stroke extending to the left.
