FOIA No. 2009-007

This letter responds to your recent Freedom of Information Act ("FOIA") request received by the Federal Communications Commission (the "FCC" or "Commission") and assigned to the Consumer & Governmental Affairs and Enforcement ("CGB") and ("Enforcement") Bureaus by the Commission's FOIA Office on October 7, 2008. Your request sought copies of all informal complaints received at the FCC regarding the television show "Will and Grace" between January 2003 and the present.

CGB conducted a search of the database in which we maintain the records of informal complaints filed by, or on behalf of, consumers. Our search identified forty-six complaints responsive to your request. Enforcement informed CGB that a search of its records identified eight complaints. The responsive documents are enclosed. All personal, identifying information relating to the individuals who submitted or are named in the enclosed complaints has been redacted pursuant to FOIA Exemption 6, 5 U.S.C. § 552(b)(6), and Section 0.457(f) of the Commission's rules, 47 C.F.R. § 0.457(f). A release of this information would constitute a clearly unwarranted invasion of personal privacy under the Privacy Act, 5 U.S.C. § 552a(b). In addition, certain FCC employee names have been redacted pursuant to FOIA Exemption 2, 5 U.S.C. § 552(b)(2), and Section 0.457(b) of the Commission's rules, 47 C.F.R. § 0.457(b).

Please be advised that the Commission receives many complaints and comments that do not involve violations of the Communications Act or any FCC rule or order. Thus, the existence of a complaint filed against a particular business entity does not necessarily indicate wrongdoing by the company.

We are required by the FOIA, 5 U.S.C. § 552(a)(4)(A)(i), and Section 0.470 of the Commission's rules, 47 C.F.R. § 0.470, to charge FOIA requesters certain fees, depending on the classification of requesters into one of three categories defined in Section 0.466 of the Commission's rules, 47 C.F.R. § 0.466. The categories are: (1) commercial use requesters; (2) educational and noncommercial scientific institution requesters and requesters who are representatives of the news media; and (3) all other requesters. Your request was categorized as an "all other" request by the FCC's FOIA Office. Section 0.470(a)(3) of the Commission's rules, 47 C.F.R. § 0.470(a)(3), provides that all other requesters are not charged for the first two hours of search time and the first

100 pages of reproduction. Because your request falls within these guidelines, there are no charges associated with processing it.

If you consider this response to be a denial of your FOIA request, you may file an application for review of this decision with the Commission's Office of the General Counsel within 30 days in accordance with Section 0.461(j) of the Commission's rules, 47 C.F.R. § 0.461(j).

Sincerely,

A handwritten signature in cursive script, reading "Julie M. Saulnier".

Dear Mr. Solomon,

On behalf of the Parents Television Council and its over 800,000 members, I am filing an indecency complaint against the NBC network television program *Will and Grace*. The episode that contained the indecent material originally aired at 9:00 p.m., on November 20, 2003. This program was seen in homes across the country on NBC, and in Washington DC, the program aired on WRC.

If the content is found to be indecent, then a Notice of Apparent Liability should be levied against each NBC affiliate that aired the program.

A transcript of the indecent segment follows. I would be happy to provide you with a videotape of this episode to further demonstrate the indecency of this episode.

I look forward to your timely judgment and response.

Sincerely,

Lara Mahaney
Director of Corporate and Entertainment Affairs
Parents Television Council

Comment History:

12/30/2004-Mary Peters Notified Sharon; broadcast program complaint directed to Commissioners.

Livonia, MI 48154

F.C.C.,
Dear Commissioner,

In writing to inform you of my
Shock and displeasure at what
I observed on the "Will and Grace"
T.V. program. It was aired by
N.B.C. network, locally, Channel 4,
WDIV-TV, Detroit Michigan at
8:30pm (Prime Time), Thursday,
November 11, 2004.

I don't watch this show, but I
was changing channels and couldn't
believe that I was seeing the male
actor handling the breasts of
the female actress. Not a slight

accidental bump, but deliberate hands on side of breasts, pushing them up, pushing together and fully covering them with his hands.

I couldn't believe it !!!!!

The few minutes I continued to watch and guessed the basis of the show - this was totally uncalled for - this was ONLY shock value, because when she left the apartment & saw friends(?) in hallway, the other female character promptly did the same thing, handled her breasts !!

2

So now the thought is, any
one can come up to you and
handle your breasts ??

Your entity is supposed to
be watching out for the American
public, obviously you were
very lax last evening, what
about putting the plug—
mid show? That would
certainly wake people up—forget
the sponsors, forget the money,
Do your job and protect the

television viewer from this
unwanted viewing. No wonder
I don't watch much T.V.

Forget this crap about being
open-minded, hopefully, there
is ^{still} such a thing as decency in
your vocabulary.

cc. NBC
Chairman + CEO Thank You.

Please respond regarding action taken.

Complaint Summary:

I have never watched the program entirely because of the gross and indecent things that are said or intimated sexually. The constant homosexual references, the touching and exposing breasts (though mostly clothed) and much more. Since you desire more details, I will try to view the program to continue this complaint. Also, though I am not referencing any particular program, I would like to say that there is so much more graphic sexual displays that absolutely floor me. There are more detailed sexual intimacies with the full sexual act actually being displayed!!! Lifetime (channel 29) has many of these contained in their continual movies that I sometimes watch.

Complaint Summary:

One of the characters in the show, who's name is Karen, was astounded to learn that Grace (main character) had never been in a three-some. Sure you know this already, but a threesome is either one woman having sex w/two men, or two women and one man. At 7pm, this is irresponsible and actually rather horrific to know that many teens and pre-adolescents see this sort of junk.; In a world where STDs are killing people, this is just mere stupidity. Maybe we could make a show made up of attractive people driving around town, bar-hopping and getting drunker and drunker, then show how funny it is to drive around debilitated by alcohol. This is simply no different, in terms of irresponsibility, as showing that indiscriminate sexual encounters have no consequences and lay down the foundation for potential disaster in an individuals life.; Thanks very much, [REDACTED]

Subject: NBC/Es A Little Christmas Queer on national TV tomorrow - PROMOTING HOMOSEXUAL PROPAGANDA TO THE YOUNG, INCLUDING 10-YEAR-OLDS! Best Bets for Thursday 12/8/05 features NBC/Es Will & Grace in new episode ðA Little Christmas Queerð! ða.(Will/Es) 10-year-old nephew who is obviously gay, and (Will/Es) Mom is being far more accepting of his sexuality than she was of Will/Es.ð !!!

I am outraged, not only that this homosexual propaganda for children and adults is so blatantly covered during ðfamily timeð on TV. (I am not surprised that it is the top ðBest Betsð for Thursday in the TV listing booklet included with our [Memphis] Commercial Appeal! I should be thankful ð I might not have noticed it otherwise!)

I KNOW I SPEAK FOR MILLIONS OF OTHER AMERICANS WHEN I WRITE THAT IT IS DISGUSTING AND DANGEROUS FOR NBC AND ITS PRODUCERS TO PROMOTE AND CONDONE THIS UNHEALTHY & PHYSICALLY AND EMOTIONALLY & "QUEERð WAY OF LIVING! TAKE ACTION!

I WILL TUNE IN SO I CAN WRITE DOWN THE NAMES OF ADVERTISERS. I WILL SHARE THIS LIST WITH EVERYONE I KNOW.

Complaint Summary:

This is a totally sickening program. It is all a promotion of Homosexuality and lying and cheating. Homosexuality is not funny, it is an abomination to society. There are actually very few homosexuals but they are outspoken and promote their own agenda whereas we people who try to be good moral people think "surely they aren't going to allow that".... and then there it is.; Trashy cartoons and shows such as this are teaching our children wrong and making it "funny". The writers of this show could be just as funny and not have the homo trash in the show.; Another example is the Simpsons cartoon. It teaches disrespect for authority and parents, foul language is fun, being mean is cute and many other undesirable things just like "Will and Grace".; The FCC's job is to keep things like this off our TV's. Why aren't you doing your job?

Complaint Summary:

there is just too much about this program that is abhorrant. i can block the program from my tv thank the good Lord but I can't even block it's vulgar commercials and protect my 8 year old's ears and eyes from it. this particular episode is about will's nephew who is only 10 who they claim is gay. my son is too young to be asking me about homosexuals and the title of the show has the word queer in it. come on now..... no wonder our kids are so wild and uncultured, they see it on tv all the time. there are a lot of good programs on tv but this is definitely not one of them. another one is the book of daniel on nbc, i refuse to even turn on nbc on that night it makes me sick that they can make fun of and ostracize my faith and get away with it. i know not everyone believes the way i do but to step on values that do not hurt anyone is wrong. i feel strongly about this. please help.

Complaint Summary:

I am not a regular watcher of Will and Grace. I was just searching through the channels and came across a scene with two men and a woman. I assume that the woman was Grace and one of the men was Will. The scene had to do with bras lifting womens boobs. Both men took turns feeling Graces breasts. Then they each grabbed one of her breasts and held it for several seconds. Then they all took turns feeling each other. This scene went on for several minutes. Nothing was left to the imagination. This was all done in plain sight. It was on during prime time. This is by no means "Broadcast descency." I demand that this situation be eliminated in future broadcasts. And that those responsible for airing it be held morally and financially responsible.

Complaint Summary:

The following occurred on said date, on a Saturday morning within 30 minutes of said station broadcasting a children's cartoon, and during a time when several other broadcast stations are broadcasting children's programming. The program "Will & Grace" was aired, the "Courting Disaster" episode, portraying adult situations and language that is inappropriate for children's viewing. Comments on "gay love", "happy hour at the cockpit" and "horny as Hell". Definately NOT children's programming. I am disappointed that this is acceptable evening programming. Having such filth being aimed at the 2 to 12 crowd is an outrage.

Complaint Summary:

While I know that you are struggling with the option of controlling pornography, graphic sexual activity and violence on Cable TV, I implore you to take action in this arena. ; Tonight during The Daily Show, Jon Stewart had two women on a bed French kissing, once again giving support to the agenda of the homosexual population. Now, I have had 1 cousin who died of AIDS, 3 friends who died of AIDS, a female roommate who was a lesbian, and a nephew would is gay. So, I am definitely not homophobic. However, this incessant focus on the gay lifestyle tends to lead youngsters who do stay up to watch this program that it is OK to experiment with gay/lesbian activities. And, if you don't believe that, just watch "Will and Grace" which is on a main stream channel (ABC, CBS, or NBC, I think), as well as many of the shows in the so called mainstream media. It's time for TV programming to get back to focusing on the vast majority of our population, the heterosexuals, and stop making it seem like the country is primarily homosexual...plus, the proliferation of these shows lead youngsters to believe that homosexuality is prevalent in our society, whereas it makes up a small portion of our population. And, there is the religious factor, too. Practicing homosexuality is against the teachings of virtually every religion. So, we should not allow the left wing media to pass it off as normal and OK. ; Thank you for your consideration of this very important matter.

Complaint Summary:

It was told to us at church that Will & Grace program will air on 4/13/06 a denigrating Christian segment called Cruci-fixin's which Britney Spears will portray. I feel that this is very upsetting to myself and all Christians. I'm sure that if the network were to denigrate the Jewish or Muslim community there would be a sure cry throughout. If you could have them cancel this segment' especially since it will be aired on Good Friday we Catholics would be very appreciable.

Mr. Wright,; i understand that you intend to air a show putting down the crucifixion. britney Spears is said to star in it and create food called Cruci -fixins. i know it is intended to be humorous but it is not. It is so offensive and i believe willfully anti-Christian. ; It is in your power to correct and cancel this show. Or you can be like Pontius Pilate and wash your hands of the whole thing... We are watching but more important God is watching..., Jesus death was heavy not for lighthearted humor. Thaanks for listening.;

Complaint Summary:

I have never watched the program entirely because of the gross and indecent things that are said or intimated sexually. The constant homosexual references, the touching and exposing breasts (though mostly clothed) and much more. Since you desire more details, I will try to view the program to continue this complaint.; Also, though I am not referencing any particular program, I would like to say that there is so much more graphic sexual displays that absolutely floor me. There are more detailed sexual intimacies with the full sexual act actually being displayed!!! Lifetime (channel 29) has many of these contained in their continual movies that I sometimes watch.

Complaint Summary:

They talk about condoms, homosexual relationships, details of sexual content. I do not want my children hearing such material. Of course we do NOT watch it! But even their advertisements for the show is heart wrenching. In one particular scene the woman had breast milk coming from her breast and the man put his hands on her boobs to hold in the "breast milk." I find this very inappropriate. Then on another advertisement the two men were talking about their profound love for each other and continues with making homosexual gestures to each other. Such as, the one man was making a gesture as thou he was having sex with the other man. I was totally appauled!! I do not want this program aired at all but especially in our area.

Complaint Summary:

there is just too much about this program that is abhorrant. i can block the program from my tv thank the good Lord but I can't even block it's vulgar commercials and protect my 8 year old's ears and eyes from it. this particular episode is about will's nephew who is only 10 who they claim is gay. my son is too young to be asking me about homosexuals and the title of the show has the word queer in it. come on now..... no wonder our kids are so wild and uncultured, they see it on tv all the time. there are a lot of good programs on tv but this is definitely not one of them. another one is the book of daniel on nbc, i refuse to even turn on nbc on that night it makes me sick that they can make fun of and ostracize my faith and get away with it. i know not everyone believes the way i do but to step on values that do not hurt anyone is wrong. i feel strongly about this. please help.

Complaint Summary:

One of the characters in the show, who's name is Karen, was astounded to learn that Grace (main character) had never been in a three-some. Sure you know this already, but a threesome is either one woman having sex w/two men, or two women and one man. At 7pm, this is irresponsible and actually rather horrific to know that many teens and pre-adolescents see this sort of junk.; In a world where STDs are killing people, this is just mere stupidity. Maybe we could make a show made up of attractive people driving around town, bar-hopping and getting drunker and drunker, then show how funny it is to drive around debilitated by alcohol. This is simply no different, in terms of irresponsibility, as showing that indiscriminate sexual encounters have no consequences and lay down the foundation for potential disaster in an individuals life.; Thanks very much,; [REDACTED]

Complaint Summary

I have heard that this episode will mock the crucification of Christ. The network does not show disrespect to Jews, Muslims or other religions, why does it seem to hate Christians? Please tell NBC Chairman Bob Wright not to air the program.

Complaint Summary

Program to be aired in April, 2006 should not be aired if it is to include segment with Britney Spears called "Cruci fixins". This is very offensive to me. Surely the writers can come up with material that is wholesome that has nothing to do with the terrible price our Lord paid for all of our sins."

Dear Crumperson
How are you?

RECEIVED & INSPECTED

DEC 11 2006

FCC - MAILROOM

I see that according to Andy
Romey your Commission is completely
against nudity, profanity & indecent
but where do the gays fall
under according to your rules

- 1) indecent
- 2) immoral
- 3) perverted

I saw Rosie O'Donnell holding
some female's hand (guest), well
I say that there is just too much
pushing of the gays on TV & I would
rather see nudity, hear all sorts of
profanity. The gays are all over
the place & their kind needs to be
off the air completely, & are their
kind going ever stop polluting the
airwaves.

The following shows have gays in
them either as contestants or as a
host:

The View - Rosie O'Donnell (holding a woman's
hand affectionately)
Ellen - Ellen DeGeneres pushing Elton John's
gay marriage

and airing her own gay marriage
Big Brother 6 - Jasmine crabbing all female
contestants are

Big Brother 7 - Marcelias pushing for
style to be acceptable

Will & Grace - 2 gay guys are not normal
Instyle - Isaac - gay ^{male} fashion designer
the fashion team - gay fashion designer
(male)

Insider - Steven Cyocaro - fashion expert
he is no fashion expert with his clothing
colour

Entertainment Tonight - Steven Cyocaro
fashion expert - human dress disaster
& fashion slob.

Survivor - gay female contestant (Jorge)

Amazing Race - 2 gay guys ^{Will Schneider}

As the World Turns - M-F 1pm Channel 8 WKBT CBS

The View - ABC Channel 19 ^{M-F 10:00 AM} WKBT

Ellen - Ellen Degeneres show 4pm M-F CBS Channel 8

Big Brother 6 & 7 - Sunday & Tuesday 7pm CBS Channel 8

Survivor - ^{Sundays (sometimes)} Thursday 7pm CBS Channel 8

Amazing Race - Sunday 7pm / Wednesday 7pm CBS Channel 8

Will & Grace - Channel 13 ^{WEAU} NBC & ^{ABC} WXOW 2 (CW) Channel 15

8pm Thurs NBC ^{WEAU} Channel 13 / 4pm Tuesday & 5pm Friday

Instyle - Channel 23 Isaac 7pm M-F

the fashion team Tues 7pm TV Guide Channel

Insider - ^{WEAU} Channel 13 NBC 2:30-3:30pm M-F

Entertainment Tonight CBS Channel 8 WKBT M-F 6:30-7pm

All my children ABC 12-1pm Channel 19 Bianca Kane character

as for as I am concerned with all the
guys allowed to be on TV I would

all the nudity & profanity on TV & radio
and enough of the perverted views of the
human body & swearing.

There is no reason why American
TV needs the constant bombardment
of the sexual pervers and now even
on MTV Channel 76 M-F 5a true life at 6pm
this country does not need the
constant bombardment of gays,
lesbians & transgenders on TV at all,
it is no wonder why I watch so
many movies on DVD & VHS except if
the movies involve gays, because I
don't believe that the constant
invasion of any gays need to be
on American TV.

I hope that this issue can be
resolved sometime soon.

Respectfully yours,

[REDACTED]

Complaint Summary:

the time of the actual offense, being a commercial break advertising the show "Will and Grace", was was 5:25PM. Different scenes were depicted from upcoming segments of "Will and Grace", one of which featured two of the shows players, one which was a guy standing behind a girl. Both were clothed, however, the guy had his hands covering the girls breasts in an attempt to hold back the squirting of milk from her breasts. My wife and I were shocked enough as adults to be seeing it. One can only imagine the thoughts that must have gone through the heads of youngsters who may have viewed it. This particular segment was shown several times this afternoon, and has aired previously at critical hours when children are most apt to be watching TV. I feel that this particular advertisement, or the content herein, of which I have described, should not be aired at all, due to the distasteful and disgusting nature of it.

Complaint Summary:

On April 13, 2006 on the Will and Grace Show, Britney Spears will appear as a Christian conservative sidekick to Sean Hayes' character, Jack, who host his own talk show. Jack's fictional network, Out TV, is bought by a Christian TV network, leading to Spears contributing a cooking segment called "Cruci'fixin's." This episode mocks the crucifixion of Christ. And to further denigrate Christianity, NBC chose to air this episode the night before Good Friday. NBC does not treat Jews, Muslims or other religious with such disrespect. Yet the network has demonstrated a deep hostility toward followers of Christ.; I am asking you please do not carry the April 13 episode of Will and Grace. Thank you.; Sincerely,; [REDACTED]

Complaint Summary:

Please do not air the Will and Grace episode scheduled for April 13th with Brittany Spears and her "Crucifixin's" cooking segment. This is a mockery of Christianity and goes against my religious beliefs. I think humor can be achieved with out mocking what many Americans consider sacred. I will not not be watching that program or any other episodes and will encourage my others to do likewise. This subject matter is totally unacceptable.

Complaint Summary:

NBC, fresh from giving us the anti-Christian The Book of Daniel, has decided to hit back at the Christian community by presenting an episode of Will and Grace which mocks the crucifixion of Christ.

On the April 13 edition of NBC's Will and Grace, Britney Spears will appear as a Christian conservative sidekick to Sean Hayes' homosexual character, Jack, who hosts his own talk show.

Jack's fictional network, Out TV, is bought by a Christian TV network, leading to Spears contributing a cooking segment called "Cruci-fixin's." To further denigrate Christianity, NBC chose to air it the night before Good Friday.

Complaint Summary:

There is a passalong petition at my church stating that on April 13, 2006 on Will and Grace with Britney Spears appearing that will make a statement called Cruci-fixings this is a mockery to Jesus Christ, this episode will appear right before Good Friday. Why are Christians being targeted, most of all they are making a mockery at Jesus Christ which I consider very indecent. Other religions aren't targeted like this, why our Lord. Please stop this episode from appearing right before Good Friday and I ask that other stations stop doing the same

Complaint Summary:

We are trying to stop this show to air on TV because it depicts and mocks the Christian Religion. They are making a mockery of the Crucifixion of Christ. This is borderline as a Hate Crime to Christians. It is also sending a message that it is okay to make fun of people through their difference of religion. This show is supposable airing on April 13 which is the start of the Easter Triduum which for Christians is the most holiest of days. I am absolutely disgusted with this decision. Please let me know what else we can do. My entire class and perhaps school will be sending letters to the station to ask them to not air this episode of Will and Grace. Thank you

Will and Grace program that is about to air on April 13th will have references to the; crucifixion of Christ in a very offensive way. It will refer to the cross of Christ in the context of a cooking show. It will be called "Cruci-fix'n's" This is considered as blasphemy in the Christian faith. Seeings how we as christians will not riot in the street or burn down the TV studio. We have to resort to writing letters.; Thank You and God Bless you

Complaint Summary:

The television show (Will and Grace) is the most appalling broadcast on television. All of it's remarks are crude, rude and sexually explicit. They have taken two wonderful words and have made a total mockery of them. Chanel (kcwe29) in Kansas City is broadcasting this garbage at 11:00am every weekday where children can watch this (poor excuse for a show) on public Television. It should not be on T.V. at all, let alone during daytime hours. Furthermore this same television station broadcast (date commercials for gay men) in the late evening hours.... This TOO IS UNACCEPTABLE! This kind of programing is leading society down a bad path and should be stopped while there is still hope! Thank You for your time to review my concerns!

Complaint Summary:

I am not a regular watcher of Will and Grace. I was just searching through the channels and came across a scene with two men and a woman. I assume that the woman was Grace and one of the men was Will. The scene had to do with bras lifting womens boobs. Both men took turns feeling Graces breasts. Then they each grabbed one of her breasts and held it for several seconds. Then they all took turns feeling each other. This scene went on for several minutes. Nothing was left to the imagination. This was all done in plain sight. It was on during prime time. This is by no means "Broadcast descency." I demand that this situation be eliminated in future broadcasts. And that those responsible for airing it be held morally and financially responsible.

Complaint Summary:

On the April 13 edition of Will and Grace, Britney Spears will appear as a Christian conservative sidekick to Sean Hayes character, Jack, who hosts his own talk show, on the April 13 episode, the network said. NBC does not treat Jews, Muslims or other religions with such disrespect. Yet the network has demonstrated a deep hostility toward followers of Christ. PDF created with pdfFactory Pro trial version. I am a Christian and would greatly appreciate it if this show not be aired here in my hometown, Alexander City, Alabama. I first of all don't believe in the homosexual relations that are aired on this show nor do I feel that Christ or anything related to Christ should be made as a joke. Thank You, [REDACTED]

Complaint Summary:

This is a totally sickening program. It is all a promotion of Homosexuality and lying and cheating. Homosexuality is not funny, it is an abomination to society. There are actually very few homosexuals but they are outspoken and promote their own agenda whereas we people who try to be good moral people think "surely they aren't going to allow that".... and then there it is.; Trashy cartoons and shows such as this are teaching our children wrong and making it "funny". The writers of this show could be just as funny and not have the homo trash in the show.; Another example is the Simpsons cartoon. It teaches disrespect for authority and parents, foul language is fun, being mean is cute and many other undesirable things just like "Will and Grace".; The FCC's job is to keep things like this off our TV's. Why aren't you doing your job?

When lead female character Grace returns from visiting her boyfriend in prison, the lead male character, Will, makes obscene use of movie title regarding her giving the prisoner the "Shawshank Redemption" and the "Cool Hand Luke."; 4. The male character Jack wants the housekeeper Rosario to "crank up the bubbles" because he wants a Jacuzzi with "a happy ending."; 5. When the character Karen decides to go visit her husband Stan in prison and the character Jack offers to go with her, she replies that, like love making, it was something "best done by myself."; 6. Complaint Summary:

I am writing to complain of an upcoming episode of Will and Grace that will be aired the night before Good Friday. I am so tired of Christians and all that they hold dear being demeaned on your network. I work with Jewish people, I have homosexual clients, and while I do not embrace their lifestyle, I would never demean them or make them feel as if they have no feelings. Jesus taught me to respect all people. I don't have to agree with them, but I must show them respect as my fellow human beings. This show will be making fun of Christ's crucifixion, and I want to cry that you would be so heartless as to show a program that demeans something that means so much to me and millions of others who love the Lord. Shame on you. Whoever is going to be sponsoring this program will indeed hear from me and I will tell as many people as possible to boycott these sponsors.

This program featured blatant homosexual kissing and fondling on more than one occasion. It was totally ; inappropriate viewing at this hour of the evening when children could be watching. Complaint Summary:

My husband [REDACTED] and I just want to let you know that we are disgusted with the sexually explicit and obscene nature of television today, so we have been unplugged and TV-less for over a year now. Our large screen TV sits there - silent and content - happy that it doesn't have to broadcast the filth that your organization approves.

As a school teacher, I see the effects of your work on my students. From "Jerry Springer" to "Will and Grace," the airwaves have become polluted by obscene conversations and references. Isn't it time that you actually did your job?

Complaint Summary:

I have recently heard that NBC is preparing to air an episode of Will & Grace mocking the crucifixion of Christ. I am totally blown away that something of this nature is set to air on national TV. I hope and pray that NBC decides NOT to air this particular episode, as this negativity does not need to be broadcast!

Complaint Summary:

The program to air on 4/13/06 with Britney Spears portraying a Christian mocks the Christian faith, primarily the Crucifixion of Jesus Christ using the name of her cooking segment "Cruci-fixin's". Just as the gay community fights to be held in respect and treated equally, Christians will continually fight for that respect and dignity as well.
