Re: OIP/07-R0946
CLM:JES:VAV

This responds to your Freedom of Information Act (FOIA) request dated August 13, 2007, and received in this Office on August 30, 2007, for copies of FOIA Case Logs for fiscal years 2005, 2006, and 2007 for the Offices of the Attorney General, Deputy Attorney General, Associate Attorney General, Intergovernmental and Public Liaison, Legal Policy, Legislative Affairs, Public Affairs, and Information Policy. This response is made on behalf of the Office of Information Policy.

By letter dated October 2, 2007, we advised you that our search for responsive records was complete and that we would respond again after reviewing those records. We also advised you that we were not processing the FOIA Case Log from October 1, 2004 to February 21, 2006 for the Offices of Legal Policy, Legislative Affairs, Public Affairs, and Information Policy because we had already provided you with those records in a prior request. Therefore, for those Offices, we processed the FOIA Case Log from February 22, 2006 to August 30, 2007. We also processed the FOIA Case Log from October 1, 2004 to August 30, 2007 for the Offices of the Attorney General, Deputy Attorney General, Associate Attorney General, and Intergovernmental and Public Liaison.

Our Office located 256 pages of records and our review of those records is now complete. I have determined 175 pages are appropriate for release without excisions and copies are enclosed. Also appropriate for release are 81 pages with excisions made pursuant to Exemption 6 of the FOIA, 5 U.S.C. § 552(b)(6), which pertains to information the release of which would constitute a clearly unwarranted invasion of the personal privacy of third parties. For your information, the excised information consists of the names of certain third party individuals cited in FOIA requests. Additionally, portions of the documents that pertain to Privacy Act requests were not processed inasmuch as they are outside the scope of your request. Those portions are marked accordingly. An electronic copy of the records is unavailable; therefore, a paper copy is enclosed, which you advised in your request letter was acceptable if an electronic version was not available.

Department of Justice regulations permit us to provide you, who we have determined to be a non-media, non-commercial requester pursuant to 5 U.S.C. § 552(a)(4)(ii)(III), with one hundred pages of records without incurring duplication fees. See C.F.R. § 16.11(d)(2009). Duplication fees beyond one hundred pages will be assessed at ten cents per page. See id. Accordingly, duplication fees for the processing of this request total \$15.60 for the 256

responsive pages. Please forward your check or money order for \$15.60, made payable to the United States Treasury, to the Office of Information Policy, Suite 11050, 1425 New York Avenue, NW, Washington, DC 20530-0001. Please note "OIP/07-R0946" on your check or money order and your envelope. Please send your payment so that this Office receives it within fourteen days from the date of this letter. Interest charges will begin to accrue after thirty days. See 28 C.F.R. § 16.11(g)(2009).

If you are not satisfied with my response to this request, you may administratively appeal by writing to the Director, Office of Information Policy, United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, DC 20530-0001, and your appeal must be received within sixty days from the date of this letter. Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

Sincerely,

A handwritten signature in black ink, appearing to read 'Carmen L. Mallon', followed by a horizontal line.
