Case No.: 200602360

Segment: PREVC002

I refer to our letter dated January 9, 2009, regarding the release of certain Department of State material under the Freedom of Information Act (Title 5 USC Section 552).

Enclosed is the Department's 2006 FOIA log which you are seeking and which has been retrieved from a previous case 200605436. This document was reviewed and released with excisions.

The material in the excised portions of the log is of such a nature that its release would be a clearly unwarranted invasion of personal privacy. As such, it is exempt from release under subsection (b)(6) of the Freedom of Information Act. Please note that eight pages of the document have been labeled as non-relevant (NR) because they are duplicates of preceding pages. The document also inadvertently includes one blank page.

In the case of a document released in part, all non-exempt material that is reasonably segregable from the exempt material has been released.

With respect to material withheld by the Department of State, you have the right to appeal our determination within 60 days. A copy of the appeals procedures is enclosed.

The Freedom of Information Act provides for the recovery of the direct cost of duplicating records requested for non-commercial use by an educational or non-commercial scientific institution. No charge is made for the first one hundred pages of duplication. Total fees due in this case are \$36.60, representing an additional 244 pages duplicated @ \$0.15 per page. Please make your check or money order payable to the Treasurer of the United States, and mail it to the Office of Information Programs and Services, Room 8100, SA-2, Department of State, Washington, D.C. 20522-8100. Please be sure to write the case number on your check or money order.

We have now completed the processing of your case. If you have any questions, you may write to the Office of Information Programs and Services, SA-2, Department of State, Washington, DC 20522-8100, or telephone us at (202) 261-8484. Please be sure to refer to the case number in all correspondence about this case.

We hope that the Department has been of service to you in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Frank Turman" followed by a stylized flourish.

Margaret P. Grafeld, Director  
Office of Information Programs and Services

Enclosures:  
As stated.
