IN REPLY REFER TO:

January 13, 2009

This refers to your May 28, 2007, Freedom of Information Act (FOIA) request by which you seek to obtain a copy of the HQMC FOIA Log for FY2006 and FY2007, and follows-up my correspondence to you dated June 12, 2007.

The delay in responding to your request is regretted. However, due to limited staffing and resources, this office accrued a rather substantial backlog of FOIA requests. During our attempts to reduce this backlog, your request finally came to the forefront of that backlog queue and processing ensued.

Attached at the enclosure is a CD-ROM that contains a copy of the requested HQMC FOIA Log excerpt for requests received by HQMC in FY2006 and FY2007. Note that this log does not contain any records for Privacy Act/1st-party requester cases. Further note that the HQMC FOIA Log does not collect address and/or phone number information, only the name of the requester.

We have categorized you as an "other requester" for the purpose of FOIA processing assessment. As such, you are entitled to two hours of search and 100 pages of duplication free of charge. Since incurred processing costs do not exceed your free entitlement, there are no fees charged for this request.

Questions concerning this action may be directed to me or any member of my staff at (703) 614-4008.

Sincerely,

A handwritten signature in black ink, appearing to read "Teresa D. Ross", written over a large, stylized circular flourish.
